(b) The Council on Ministries shall present the total amount of the budget request it approves to the Council on Finance and Administration for its action as an item in the conference benevolence budget.

(c) The Council on Ministries may adjust program budget items between Annual Conference sessions if the necessity arises because of inadequate income or changing needs within the council and the Annual Conference operation; provided the total amount approved by the Annual Conference is not exceeded in such changes; and provided, further, that such changes must be accomplished by the following means: the Budget Committee of the Council on Ministries will confer with the boards and agencies involved, and, after thorough study, will present its recommendation to the Council on Ministries, which may then make adjustments approved by a two-thirds vote of members present and voting.

THEME: "CELEBRATING OUR UNITY IN CHRIST"

FIRST DAY — EVENING SESSION

Montgomery, Alabama  
June 2, 1991

## WORSHIP SERVICE

**THE GATHERING** — The Alabama-West Florida Conference gathered at Frazer Memorial United Methodist Church in Montgomery, Alabama, for the opening service of worship. The theme of the "Gathering" was "Celebrating Our Unity in Christ." The service included special music by the Hispanic, Black, Rural, Korean, Anglo, and Native American churches of the Conference and personal witness of faithfulness from many vital congregations from throughout the Conference. Bishop Charles Wilbourne Hancock preached a sermon entitled "Where There Is Vision" using Joel 2:27-32 as the scripture lesson. The service ended with the congregation joining hands and singing "The Lord's Prayer."

## WHERE THERE IS VISION

Joel 2:27-32

A Sermon Preached by: Bishop C.W. Hancock  
Alabama-West Florida Annual Conference  
June 2, 1991

Frazer Memorial United Methodist Church, Montgomery, Alabama

The Council of Bishops of the United Methodist Church desires to give leadership to our denomination. In that spirit, the Council of Bishops has called upon our people to be Vital Congregations of Faithful Disciples. We are keenly aware that the primary function of our ministry and mission is centered in the local congregation.

In a pastoral letter to the churches, the bishops expressed the belief that "We, the people called United Methodists have come to a critical turning point in our history. The world in which our heritage of faith seemed so secure is passing away. We must choose with a sense of renewed commitment to be faithful to Jesus Christ in our time."

The bishops have shared their yearning for a vital congregation in every place. "We yearn because so many people of our society, including many in our churches, have no vital relationship to God and are lost: lost to drug addiction, lost to self-centered materialism and self-righteousness, lost to the demonic forces of racism and every form of human oppression — lost to sin."

"Jesus came and comes now to seek and to save those who are lost, and the church is called to be the extension of the Incarnation, Christ's life in the midst of the world. Thus, we yearn for a vital congregation in every place."

The bishops have not given to us another program. They have called upon every congregation to study and to pray in search of a vision of that congregation vital and alive in the will of God for this moment. The power of the Spirit of God can and will fall upon us when we dream dreams and see visions of ourselves as the authentic people of God bound together in a vital congregation.

I am convinced that the foundation of our perception of a new vision in each congregation must rest upon a clearer understanding of the church. We must discover anew the uniqueness of the church. There is no other institution like the church. The church is not simply another expression of societal life in the community. It is not simply another institution with some commendable qualities in which people may elect to hold an established membership. We must first have a fresh understanding of the church.

To prepare us for our search for a vision of our congregation, I want to underscore some truths about the church. Where there is a vision, the Spirit of God will be poured out upon us. The background against which we are to see the vision will embrace some unique qualities about the church.

## I

There is a uniqueness about the church because of its **DIVINE ORIGIN**. I call upon you to remember that the church came into being out of the mind of God, not out of the notions of human beings. The Church is divinely conceived and ordained. It was the Son of God who announced, "I will build My Church in the world and the gates of hell shall not prevail against it."

The center of survival of the church has been its divine source of being — its origin. The church has known some rugged and reckless days. Within its life, it has been at some times corrupt. It has not always been all that it should have been. But through it all, it has survived because upon its life has fallen the invincible Spirit of Christ. The toughness of the church comes from its divine origin. There is something within it that is upheld by Him who permeates the creation. It will not die because it is led by the deathless Christ.

His church is the will of God. It is a part of God's plan for life. It is the will of God for the people of God. To be separated from His church in supreme love, loyalty, and faithfulness is to be separated from the will of God. I have never been able to lose from my memory the words of St. Cyprian, "No man can have God for his father who does not have the church for his mother. From her womb we are born, by her milk we are nourished, and by her spirit we are made alive." We see the uniqueness of the church in its divine origin.

## II

Also the uniqueness of the church is seen in its **DISTINCTIVE OFFER**. The distinctive offer of the church is Jesus Christ who alone can pardon our sins, cleanse our souls by His grace, empower us for Godly service, and grant to us the gift of eternal life.

There are other institutions which can provide a wholesome environment, moral instruction, and good fellowship. However, it is the church and the church alone that offers Him who can cleanse us from all unrighteousness and present us faultless before the throne of the Eternal God. It is the particular and peculiar responsibility and privilege of the church to introduce human beings to Jesus Christ. No other institution in our societal life has that as its high and holy offer.

We have done many things well that have filled us with pride, saturated us with a self-sufficiency and sophistication, but there is one thing we have never learned to do. We have no mastery that can cleanse the human soul of guilt, wash away the stains of our transgression, fill the human spirit with a self-generated peace. The church, alone, reminds us that it is not enough to be intellectually keen and morally decent. We need to be reconciled to God, redeemed from our sins, given His righteousness within, made into a new creature. It is only God in Christ who can say, "Thy sins be forgiven thee. Go then and sin no more."

**HE** is the distinctive offer of the church without whom we are yet in our sins and in need of the redeeming grace of God.

## III

There is a uniqueness about the church because of its **DISTINGUISHING OBJECTIVE**. The objective of the church is to usher into the world the Kingdom of God through Jesus Christ. It is a Kingdom of love and service. It is all-embracing. It is inclusive in its nature. All of God's children are to be citizens of human dignity in the family of God. In Christ, we are to be one. In Christ, "there is neither Jew nor Greek, slave nor free, male nor female." (Galatians 3:28) God's family is of one race. The life-giving blood flows through the veins of a common humanity.

The church is the mission of God in this world. It is not so much that the church has a mission as it is that the church is the mission of God. Your church is the mission of God in your community. In your community, the objectives of God for human life are deposited in your church.

Your church is to be the beacon of hope for the despairing in your community. Your church is to be the agent of salvation for the lost in your community. Your church is to be the pavilion of peace for the troubled in your community. Your church is to be the citadel of moral and spiritual values in your community. Your church is to be the champion of justice for the oppressed in your community. Your church is to be the call of God to worship Him in your community.

These things you must pray about, dream about, and envision for your congregation if it is to be vital and faithful disciples. You are not called to be property managers and institutional protectors. You are not called to preserve the church. You are called to make the church vulnerable in love. You are not called to "save" the church. You are called to expend the church. The church is to give its life for the objectives of God for human life.

The church is global in its objectives. And the local church is the expendable entity in God's universal mission.

We have seen it, the typing error that refers to a local church as an "Untied Methodist Church" rather than the United Methodist Church. The typing error is prophetic of the vision that needs to emerge in each of our congregations. Each congregation is to be untied to the convention of business as usual, untied to the focus of institutional devotion, untied to the consuming motive of self-preservation, untied to an internal concern for self, untied to the idolatry of property, untied to the self-serving actions of protectionism.

Yes, the dream, the vision must be of the local congregation free and united in its God-given uniqueness to be His Church as He conceived it, consumed with a passion to see human souls liberated from sin and freed from limiting fears and circumstances by Jesus Christ as Savior and Lord. Also the local congregation must be deeply dedicated to being that beacon of hope, that agent of salvation, that pavilion of peace, that citadel of moral and spiritual impact, that champion of justice, that ringing call to all people to worship and adore the Lord God, Almighty.

When we dream this dream, hold that vision, the Spirit of the Lord will be poured out upon us. We shall behold then Vital Congregations with Faithful Disciples.

## Reports of Boards and Agencies

### BOARD OF ORDAINED MINISTRY

#### COMMITTEE ON CONTINUING EDUCATION

I took over the responsibilities for the Committee on Continuing Education in September. In that short period of time, I have come to realize the tremendous amount of work involved in keeping the continuing education program of our conference running smoothly and the importance of all of our ministers being involved in continuing education work.

A great deal of this committee's time is spent in sending CEU certificates, approving continuing education events for credit, approving individual requests for CEU credit for independent study and events outside our conference, and keeping up with individual CEU records.

In January I was able to attend a consultation on continuing education in Nashville, Tennessee. This event was attended by representatives from conferences around the United States and Puerto Rico. We shared concerns, problems and success stories about our work. I was able to learn a great deal about what other conferences are doing and improvements we can make in our own annual conference.

During this next conference year, we plan to better organize this committee, try to make information more available about upcoming CEU events, and complete a new CEU guidebook complete with all necessary forms.

This committee welcomes any ideas you may have for continuing education events in our conference and ways to improve the work that we are presently doing.

Neil C. Epler, Chairperson

### BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry, completing its fifteenth year, continues to diligently and prayerfully fulfill its duties to the Alabama-West Florida Conference. It provides the personal and professional support base for all diaconal ministers, certified persons and persons in diaconal forms of ministry. The responsibilities of guiding and supporting persons through certification and candidacy are great. Prior to this year, we have had one registrar, but the workload now is such that our co-registrars, Alecia Glaize and Sarah Goolsby, are both working hard to handle all the responsibilities and record keeping of that office.

Due to the increasing number of inquiries of persons entering the diaconal candidacy program, we need to train additional mentors. A training event will be held in 1991 to increase the number of diaconal ministers serving as mentors. It will be led by Ruth Penton and Francine Schmidt.

We continue to focus on and request conference membership cooperation in identifying and enlisting persons interested in ministry. The supply does not meet the demand for persons certified to work in areas of Christian education, music, and youth ministry. It is important that the purpose and function of diaconal ministers be known so that persons being called into ministry can clarify the call. To this end, Dale Daniels and his committee have put together a video (available from the conference office) showing the wide variety of vocational ministries in which diaconal ministers of this conference are involved.

Three board members, John Baxter, Sarah Goolsby, and Steve Lee, attended the Southeastern Jurisdiction's annual meeting of Conference Boards of Diaconal Ministry. The schedule included time for a joint meeting with representatives from Boards of Ordained Ministry across the jurisdiction to discuss the latest proposals coming out of the Commission for the Study of Ministry. Whatever proposed changes may come in the future, representative ministers — whether ordained or consecrated — will work together to serve the church.

The board encourages everyone to read the guidelines as proposed for diaconal ministers

in the *Discipline*, especially paragraph 315, which reads "The employing agency in which a full-time diaconal minister is serving shall provide:

1. Adequate salary plus pension benefits, with an opportunity to participate in the United Methodist pension and benefits funds, health care insurance, and continuing education. It is expected that these will be guided by the Annual Conference standards for ordained elders.
2. Social Security benefits as required by federal legislation."

You are reminded that the 1984 Session of Annual Conference adopted the following guidelines:

1. **SALARY:** To provide a starting salary for diaconal ministers that is no less than the minimum financial compensation of ordained elders (base salary plus travel, utilities and housing).
2. **HEALTH CARE:** To provide a health care insurance plan for diaconal ministers equivalent to the conference health insurance plan.
3. **PENSION BENEFITS:** To provide a pension plan for diaconal ministers equivalent to the Cumulative Pension and Benefit Fund, a reserve plan for United Methodist lay employees.
4. **CONTINUING EDUCATION:** The employing agency shall provide annually adequate time and financial support for continuing education. It is also urged that adequate sick leave and vacation time be provided.

The board joins the Conference Board of Pensions to encourage all churches to provide pension benefits for all diaconal ministers and lay employees in the Cumulative Pension and Benefit Fund.

As we look toward General Conference, we all need to pray that the decisions will be rightly motivated and carefully reasoned. This is a time of struggle and opportunity. May God keep us faithful.

## CONFERENCE COUNCIL ON MINISTRIES

### Report No. 1

The Conference Council on Ministries got off to a good start in 1991 with the annual Program Planning Retreat which was held at Blue Lake, January 11-12. It is now apparent that the restructured program boards and agencies are working well. The fact that each District elects three members to each of the program boards, with one of the three representing the Conference board on the District Council on Ministries, serves to strengthen the relationship between the work of the Conference program boards and the District Council on Ministries.

Once again, we rejoice and celebrate the largest net gain in Conference membership that we have experienced in many years. Thanks be to God for vital congregations and faithful disciples across the Alabama-West Florida Conference that made the net gain of 1698 a reality. The Conference Board of Evangelism/Worship is to be commended for the "We Are Here For You" emphasis during the month of March. The billboards, bumper stickers, special sermons, prayer/visitation cards, and radio and television spots reminded the masses that the United Methodist Church is indeed here to serve. The benefits from this evangelistic emphasis will continue to bear fruit for months to come as congregations reach out more aggressively to the inactive and unchurched persons within our communities.

New church development must continue to be a top priority within our Annual Conference. During this past year, a task force of the Conference Council on Ministries has worked diligently to determine how to make the best use of our resources in developing and supporting new congregations. The task force report also addresses the matter of congregational revitalization. The Conference Council on Ministries enthusiastically adopted the recommendation of the task force and presents it to this session of the Annual Conference for consideration.

The major Conference program emphasis for 1991 is "Hearing and Answering God's Call." We are pleased with the interest that has already surfaced during this emphasis. Exciting reports of young persons on our college and university campuses, who are making

commitments to church-related vocations, continue to come in. LifeQuest '91, an event to help direct young persons toward a vocational choice, will be held at Huntingdon College June 21-22, 1991. A Convocation on the Call to Ministry will follow on January 24-25, 1992, at Blue Lake.

For twenty-five years, the Alabama-West Florida and North Alabama Conferences have jointly sponsored and supported a program of Pastoral Care and Counseling. During this past year, the members of the two respective Conferences came to the conclusion that the interests of both Conferences can be better served by dissolving the Joint Board and program. The two Annual Conferences will vote on this matter during the 1991 sessions. This places a real challenge before the Alabama-West Florida Conference in terms of the type of pastoral care and counseling program we desire and are willing to fund.

The Conference Council on Ministries, working through the Committee on Communications/Interpretation, is pleased to have the CONNECTIONAL LINK as a quarterly supplement to the *United Methodist Christian Advocate*. This is an experimental venture that we feel will enhance both publications. Through the efforts of the CCOM Committee on Communications, the CCOM staff and the Advocate staff, three Local Church Newsletter Workshops were held in April.

Upon the recommendation of the Committee on Research and Planning, and the approval of the CCOM and Annual Conference, the 1992 Conference program emphasis will be "Celebrate and Witness Through Worship." The emphasis will focus on corporate, family and private worship.

The Budget & Coordinating Committee continues to work with the Conference Council on Ministries to make sure that the available resources from Conference Benevolences are allocated to Conference programs and agencies in an equitable manner. There is an intentional effort to be good stewards of these resources and to keep a cap on spending without curtailing programs and ministries.

The next annual Conference Council on Ministries Planning Retreat is scheduled for January 10-11, 1992, at Blue Lake.

The Commission on New Church Development (Congregational Development) will sponsor a Conference-wide workshop on Congregational Development and Church Growth on January 31-February 1, 1992. The event will be held at Blue Lake. Dr. David Brazelton, of the General Board of Discipleship, will be the keynote speaker.

The CCOM expresses appreciation to the immediate past officers who so ably served the Council: Dr. Jerry Dooling, Chairperson; Mrs. Clara Turner, Vice-Chairperson; and the Rev. Gary Miller, Secretary.

Your CCOM staff is available to assist in any way possible with Conference, District, and local church needs. The staff will accept as many invitations as schedules will permit. When extending invitations to the staff, please allow as much lead time as possible. If we can be of any assistance, please call us at (205) 222-3127, or write us at P.O. Drawer 700, Andalusia, AL 36420.

## BOARD OF EDUCATION

The United Methodist Church has an objective or purpose of Christian Education. As a Board this objective is ever before us as we plan and implement the programs that will help meet the educational needs of the church. The objective of the church as manifested through its educational ministry is — (1) that all persons be aware of and grow in their understanding of God, especially of his redeeming love as revealed in Jesus Christ — (2) and that they respond in faith and love to the end that they may know who they are and what their human situation means — (3) they may increasingly identify themselves as children of God and members of the Christian community — (4) and then live in the spirit of God in every relationship — (5) fulfill their common discipleship in the world — (6) and abide in the Christian hope.

Outstanding leadership on the subcommittees is evident by the enthusiasm and dedication to the stated purposes. It is hoped that the outstanding programs that have been ongoing will continue and that many new programs will be initiated that will meet further needs. One main pledge of the board is that more opportunities will be provided within the districts so that more individuals may find it convenient to be trained for service.

### Committee 1

#### THE CHILDREN'S COUNCIL

From January 11, 1989, to September 15, 1990, the Children's Council did not meet due to the resignation of its chairperson. The newly formed Council used the last three months of 1990 to reorganize, to set goals, and to plan for the upcoming 1991 events which are three Confirmation Days with the Bishop set for March, and the Children's Ministries Weekend set for September 13-14 at Blue Lake.

The Children's Council is to begin alternating with the Sunday School Committee for a special weekend at Blue Lake on the second weekend in September. In the odd years the focus is to be on Children's ministries, and in the even years the focus is to be on Sunday School. In the off years the Council is asked to plan special events throughout the districts. Plans are now underway to make the Children's Ministries Weekend of 1991 a significant event for workers with children and for parents. Gwin Christianson is to be our keynote speaker.

Even though there was no Conference Children's Council for most of 1990, several events took place through the efforts of our District Children's Coordinators, Diane Shepherd, and the Board of Education:

1. On February 15-18, the First Church of Dothan was host church for a Born free — Stay free training event. Born free — Stay free is a drug prevention program developed by the South Carolina Conference of the United Methodist Church. The sessions provided opportunities for the exploration and experience of self-esteem, drug information, peer and media pressures, values, decision making, parenting skills and communication within the family. As a result of this training weekend, we now have within our Conference teachers certified to lead a Born free — Stay free weekend in your church. These leaders are prepared to teach sessions for young children, younger elementary and older elementary children. To plan for such a weekend in your church, contact the Children's Council.
2. At the end of March there were two Confirmation Days with the Bishop held in the districts. These were attended by approximately 120 youth, children, and their leaders. The events included worship, a visit by Bishop Hancock and four special workshops.
3. District coordinators held Vacation Bible School training events. The 1990 theme was "Ways Bible People Lived." District coordinators also helped with workshops to train teachers and parents in the use of the new curriculum available on human sexuality.
4. District coordinators are now in the process of arranging transportation throughout the districts for all our events in order to encourage greater participation in 1991.

The Council is excited about its plans for 1991 and looks forward to its ministry of equipping local churches to be in ministry with children and their parents.

Betty A. Cates, Chairperson

## Committee 2

**THE LEADERSHIP DEVELOPMENT COMMITTEE**

The Leadership Development Committee sponsored a workshop at Blue Lake, April 19-20, 1991, on "Doctrinal Standards and our Theological Task." This was for the purpose of training district teams and local church leaders to go back into the districts to find ways to have every United Methodist answer the question, "What do I believe?" The resource persons for this workshop were Bishop Charles Hancock and Rev. William Carter from Johnson City, TN.

At the present time, plans are being made for another volunteerism seminar and a conference training seminar on the Disciple Bible Study.

If there are special concerns that need to be addressed by the Leadership Development Committee, we welcome your suggestions.

Jean Sublette, Chairperson

## Committee 3

**SUNDAY SCHOOL COMMITTEE**

In cooperation with children's committee we have begun to hold Sunday School Weekend on even years with Children's Ministries Weekend held on odd years. Consequently, we have made our focus for 1991 on district teams to be available to local churches. We are compiling material and human resources to be available to the local churches with enthusiasm and hope to help church schools to grow. We are giving churches the opportunity to brag on what is working and we will provide a clearing house through the committee to share these positive programs with others who need and want to grow.

We are also very much involved in getting Sunday School Weekend 1992 (to be held September 11th and 12th at Blue Lake) planned and implemented during the 1991 year. We are praying that all Sunday Schools will be vital, nurturing, growing and willing to share the gospel with all people in their local communities.

If you have ideas of good church school programs *please* share them with this committee. We are here to help you in *your* Sunday School.

Pam Huff, Chairperson

## Committee 4

**CAMPING COMMITTEE**

All nine districts of our conference participated in sending campers to our Blue Lake Summer Program in 1990. Some 1,317 students of Methodism were also challenged to share their faith in The Risen Lord. The breakdown of camps looks like this: 582 Counselors and campers in seven elementary camps; 148 children and staff in two elementary choir camps; 84 youth and staff in Youth Choir Camp; 216 Junior High Campers; and Special Ministries Camps totalled 287 (4-L 86, Discovery 104, Sunshine 97). This compares to 1989 numbers of 1,357 which included a Senior High Camp for 88. It was a capacity year for attendance in The Junior High Camps with some having to be turned away for the first time in many years.

The Summer Camping Program is still dependent upon volunteers to staff the various weeks of camping. Deans, counselors, and other staff serve without pay. There is always a need for mature, dependable persons who are interested in serving as volunteers at Blue Lake in The Summer Camping Program. Those interested should contact The Director of Camping for Blue Lake, Rev. Linwood Lewis, Rt. 1, Box 170, Andalusia, AL 36420.

Summer Camping Opportunities for 1991 have been announced through *The Connectional Link*, Conference Coordinated Mailings, and *The Christian Advocate*. Local churches receive registration forms in the Spring and are encouraged to get their forms in to register early. Acknowledgments begin around May 15th.

Special Ministries Camps like 4-L, Discovery, and Sunshine depend upon Camperships. These \$50 scholarships should be sent to The Conference Treasurer and clearly marked Blue Lake Special Ministries Camps. United Methodist Men's Groups, United Methodist Women's Circles & Units, and Sunday School Classes are all encouraged to support these outstanding camping opportunities for some of God's very special people.

Every United Methodist Christian in Alabama and West Florida can be proud of The

Summer Camping Program offering the very best experience possible at Blue Lake. We all are indebted to Director of Camping Rev. Linwood Lewis and his outstanding staff. A special word of thanks is written also for the many volunteers who make these weeks of camping an inspirational reality challenging all to be closer to God.

### OLDER ADULT MINISTRIES

Older Adult Ministries continues to be a priority ministry in local churches, and on the Annual Conference level. Many local churches have programs that emphasize ministry "for," "to" and "with" Older Adults. These programs provide for fellowship, inspiration, and information that meet the needs of a growing number of older adults in local churches throughout the Alabama-West Florida Area. The Conference Older Adult Committee encourages persons in every local church to develop innovative programs that involve not only persons in their own local churches, but persons in their respective communities as well.

August 13-16, 1990, three of us who serve on the Southeastern Jurisdictional Advisory Board for Older Adult Ministries, attended the Conference on Older Adult Ministries at Lake Junaluska, NC. These persons were Diane Shepherd, Ruth Eddins and Ed Britton. Here we were able to learn what is happening across the Jurisdiction, and to have input into plans for the future. There were others from our conference who attended the activities during that week. We had several groups from our Conference who attended the "Fall Fling" Programs at Lake Junaluska during October, and reported having enjoyed their experiences. We encourage groups from local churches to attend these events.

We were represented at the National Convocation on Older Adult Ministries held in Fort Worth, Texas on January 12 and 13, 1991, by Maryann Dotts. She is sharing the information gained from this meeting to help us coordinate our ministries with the programs of the General Church. This we believe will be very helpful as we enter into ministry in the area of Older Adult Ministries in local churches of our Conference.

The major event in our own Annual Conference is the Older Adult Assembly held at Blue Lake the week of May 13-16, 1991. This year our Inspirational Speaker was, The Reverend Carolyn S. Pitts, Associate Director of the North Alabama Conference, responsible for the areas of Church and Society, Status and Role of Women, Religion and Race, Christian Unity, and Health and Welfare. She inspired us on the theme: "Survival as the People of Hope." Again this assembly was well attended, with many churches from across the Alabama-West Florida Area, represented. Our Banquet Speaker was the Reverend Ben Sawada, Superintendent of the Troy District, who, as always, delighted us with words of wisdom and good humor. This assembly seems to grow greater each year!

Plans are now underway for a Fall Older Adult Assembly to be held at Blue Lake, September 30 to October 2, 1991. We believe that this assembly will be well supported, also.

We will be represented again at the Jurisdictional Older Adult Conference at Lake Junaluska, August 12-15, 1991. We encourage persons and groups from local churches in our Conference to attend this Conference. This year's theme is: "God's People: Disciplined and Vital."

Your Conference Committee on Older Adult Ministries stands ready to help you in your local church as time and resources are available.

C. Edward Britton, Chairperson

#### Committee 6

### FAMILY AND YOUNG ADULT MINISTRIES

In 1990 a retreat for Baby Boomers, to be led by Dr. Donald Joy, was cancelled. This has been re-scheduled for 1992. We expect this event to be very helpful for family and young adult emphasis.

For 1991 we hope to promote existing programs, including the "Marriage Encounter" program and some support groups for singles. We also plan to sponsor a program tentatively entitled "Discovering Your Gifts for Ministry," in keeping with the Conference emphasis on Christian vocation for young adults.

Lance Moore, Young Adults

Marvin Ennis, Family Ministries

### Committee 7 YOUTH COUNCIL

The Conference Council on Youth Ministries held four (4) meetings this past year, as well as hosting two youth rallies and one UMYF officer's training program.

Summer meeting was held at Blue Lake in August. The chief purpose of this meeting is to orientate the new CCYM members with the system of work and the other members. Once everyone was acquainted, we worked diligently with our main focus on Fall Rally.

Fall Rally was moved this year to Huntingdon College to accommodate the rising popularity of this event. We had a record-breaking crowd with an estimated 1,000 youth attending. Christian Rock-n-Roll band, Ruscha, was on hand to promote plenty of good music with a Christian message.

After Fall Rally, CCYM decided to have an unscheduled meeting at Mt. Zion East United Methodist Church on the outskirts of Andalusia for the purpose of brainstorming about Spring Fling and evaluating Fall Rally for future improvements.

Our Winter meeting was held at First Church in Andalusia, where we finalized our plans for Spring Fling and planned the CCYM budget for 1992.

Spring Fling will be held at Gulfside Auditorium in Panama City. Jacob's Ladder will perform their music and Rev. Allan Newton will be the speaker. We are looking forward to having a a successful and fun time.

Spring meeting will be held at Linden United Methodist Church, where new officers will be elected. We will also distribute money collected in the Youth Service Fund, as well as assign all members who have been on CCYM for a full year to their respective Boards and Agencies.

CCYM has grown closer together this year, which has enabled us to complete difficult tasks with Christian attitudes. CCYM is ministering and continues to minister to each other as well as the entire conference.

## BOARD OF MISSIONS

### Report No. 1

The members of the Board of Missions have adapted well to our new Conference organization, and they have made great strides in organizing for better mission and ministry. As Chairperson of the Board, I shall ask two things of the delegates to Annual Conference:

1. That we remember in loving kindness our sister Elizabeth Calridy who served faithfully on the Board of Missions for many years before her death; and
2. That we read the following reports which tell of the work of the Board of Missions committees and the agencies and programs through which we respond to the needs of our neighbor through Jesus Christ.

Fred E. Zeigler, Jr., Chairperson

### Report No. 2 — THE COMMITTEE ON CHURCH EXTENSION

During the year 1990 the Church Extension Committee has worked to promote stronger support of the Ten Dollar Club and set the date March 17, 1991 as "Ten Dollar Club Commitment Sunday" to encourage the enlistment of new Club members in local churches. The Ten Dollar Club has been established for Church Extension and Revitalization for several years. All appeals are approved Conference Advance Specials.

**CONFERENCE MISSION LOAN FUNDS:**

At the present time there are 10 churches who have secured loans from this fund and are in the process of repaying them.

The Church Extension Committee reviews applications for grants, "Ten Dollar Club," and loans; It evaluates and recommends to the full Board approval or disapproval of requests. We continually try to improve efforts to respond to the requests and needs of churches and agencies who apply to us for help. We encourage the full support of World Service/Conference Benevolence Funds from which we receive our funds to be in mission to needs.

The year 1991 will see us getting much more involved in the area of Church Revitalization; in evaluation, setting guidelines and implementation of program revitalization.

Frank L. Scott, Chairperson

**Report No. 3 — U.M.V.I.M.**

The United Methodist Volunteers in Mission movement continues to offer opportunities of regeneration, revitalization and spiritual renewal for individuals, local churches and districts across our Conference. In 1990 alone, we had 17 international teams involving 254 people from our Conference and, we conservatively estimate, our Conference sent 378 people to at least 10 different national projects. Plus, a tremendous number of teams as yet uncounted were involved in the Elba, Alabama, clean-up and reconstruction efforts. This represents the enthusiasm and commitment of our Conference to being partners in God's mission as we fulfill Jesus' calling to be a servant Church, a Church for others. The Conference Committee wishes to express deep appreciation for the leadership of the Rev. Ted Hoagland and the Rev. Doug Newton, both former chairpersons of this committee, for their enthusiasm and commitment which has strengthened the UMVIM ministry opportunities within our Conference. We also wish to thank Dr. Tom Curtis, the Director of the SEJ UMVIM office, who continues to provide excellent leadership to this ministry. The address and phone number for his office is 159 Ralph McGill Blvd., NE, Atlanta, GA 30308, 404-659-5060.

In 1990, under the direction of the Conference UMVIM Committee, three teams of the Conference completed a massive renovation project at the Centro Met Day Care Center in San Juan, Puerto Rico. This project was one of the largest undertaken by UMVIM teams in the Alabama-West Florida Conference. The three teams working in conjunction with the local leadership, District Superintendent, Miriam Visot, and the Director of Centro Met, Miriam Ruiz, saw this project from beginning to end. The 1,200 square foot building was totally renovated at a cost of \$10,000 for materials. Had this project not been done, Centro Met would have been closed down by the Public Health Department. Now that the renovation is complete, some 65 plus children are being ministered to daily by the caring staff at Centro Met in a facility that is clean, safe, properly functioning and attractive.

For 1991 and 1992, the Conference UMVIM Committee has selected to join as partners with the Methodist Church in Panama in the rebuilding of homes destroyed during the U.S. intervention of December, 1989. The Methodist Church of Panama has entered into a contract to build 58 homes with assistance from family members and UMVIM work teams. There are teams already scheduled for 1991, however, many more teams will be needed for 1991 and 1992 in this massive ministry opportunity. For further information about this project or other projects, contact the Conference UMVIM Committee Chairperson, your District Coordinator, or Dr. Tom Curtis's office.

The Conference UMVIM Rally at Blue Lake on May 18, 1991 was an enjoyable time of sharing and reflecting on our partnership in mission experiences. Our special guest was Bishop Secundino Morales, of the Methodist of Panama, and we had opportunities to hear from Dr. Jim and Carolyn Mathews, our Conference Medical Coordinators for UMVIM as well as various teams from throughout the conference. The UMVIM Conference Committee wishes to invite you and your church to attend next year's UMVIM Rally, May 16, 1992 at Blue Lake.

The Conference UMVIM Committee wishes to make the following recommendation concerning UMVIM Work teams working outside of the Conference. OUT OF CONFERENCE UMVIM WORK TEAM GUIDELINES: to receive official endorsement as a Conference United Methodist Volunteers Mission work team and to qualify as a Conference Advance Special project of the Alabama-West Florida Conference of the United Methodist Church, the team leader shall present to the coordinator of the Conference UMVIM Committee of the Conference Board of Missions the following: 1. written invitation from the host area Episcopal office (if no Methodist Episcopal office exists in this area, the Annual Conference UMVIM Committee Chairperson, in conjunction with the SEJ office shall determine the equivalent); 2. written endorsement of the SEJ UMVIM office of the United Methodist Church; 3. SEJ UMVIM Insurance or its equivalent.

The UMVIM Committee can offer assistance to you and your church: 1.) in selecting projects approved through SEJ office and matching those projects with the particular work teams and their ability; 2.) to team leaders and members in coordinating VIM projects (i.e., personal assistance, handbooks, other materials); 3.) offering short term insurance coverage, especially designed for VIM Work teams; four, providing a connectional link with other UMVIM work in the conference. This allows for better communication and the ability to keep abreast of the total work of UMVIM.

I wish to express my appreciation to Rev. Don Brill, our Conference Mission Secretary, who is always available and diligent in his efforts in support of the work of UMVIM. It is a great privilege to serve with the other members of this committee and those of you throughout the Conference who seek through this ecclesiastical practice to involve our people in opportunities to learn and experience being in mission as a people of God.

Lester H. Spencer, Jr., Chairperson

### **Report No. 4 — THE MISSION/ADVANCE COMMITTEE**

The Mission/Advance committee has two major areas of responsibility: first, to encourage and enable churches of the Alabama-West Florida Annual Conference in mission related activities and second, to oversee the Advance Special program of the Conference.

During the last year, the Mission/Advance committee approved the booklet "Partnership In Missions" as the official missions handbook of the Alabama-West Florida Conference. "Partnership In Missions" will be reviewed and updated each year. This handbook will

provide our Conference with current information on opportunities for mission support within the United Methodist Church. Copies of "Partnership In Missions" may be obtained by writing Rev. Don Brill, P.O. Box 700, Andalusia, AL, 36420.

The Mission/Advance committee has developed a program whereby churches of the Alabama-West Florida Conference may be recognized for their support of mission work. Churches accomplishing the goals of this program will be designated as Partnership In Missions churches. Certificates of accomplishment will be awarded to churches successfully completing the program.

A church must meet or exceed the following goals during the year in order to be designated a Partnership In Missions church:

- 1) Give 100% of apportioned World Service and Conference Benevolences.
- 2) Select and financially support at least one World Advance Special.
- 3) Select and financially support at least one U.M.C.O.R. project.
- 4) Select and financially support at least one National Advance Special.
- 5) Select and financially support at least one Conference Advance Special.
- 6) Select and financially support at least one District Advance Special.
- 7) Select and financially support at least one local mission project in the church community.
- 8) Financially support the two annual Ten Dollar Club requests.

Churches will be asked to provide a summary of giving to these eight areas as a part of their year-end report.

The "Partnership In Missions" handbook will provide churches with further information on this program. This handbook also provides worksheets to aid churches in setting and accomplishing their missional giving goals.

The Mission/Advance committee recommends this program begin January 1, 1992 with certificates to be awarded during the first quarter of 1993.

### Report No. 5 — CHILDREN'S RESOURCE CENTER OF NORTHWEST FLORIDA

7705 Le Jeune Drive • Pensacola, FL 32514 • Phone: 904-476-4963

The Children's Resource Center has served a very special need in our ministry to God's children. Over fifteen years ago Deaconess, Dottie Sarver, of the United Methodist Church answered the "call" of God to help educate and train special children in the Pensacola area. At that time, there were only limited resources available and many of those who could not afford the high cost were neglected. She started a learning center that served low-income children and their families. Many, many lives have been touched by this Christian ministry.

Because of the concerns of many people, others became aware of those special needs. Now the public school system is providing the specialized education. Since the cost per child is so great and the public school training is available now, there is no longer a need to continue the ministry at the Children's Resource Center.

Many of the children served by the C.R.C. were unable to pay the cost of C.R.C. and slowly the debt enlarged. The board of directors is committed to paying off the debt even though the program is closed and there are no more students attending. We feel it would not be right to ignore the people who were so helpful to the ministry and did not demand full payment. Now that the school will no longer function, we hope that your support will continue to help to eliminate the debt.

The C.R.C. is currently recognized as a Conference Advance Missions Special. There are two representatives from the Conference Board of Missions on the board of directors.

We wish to express our appreciation to Rev. Don Brill of the Conference Board of Missions who has been outstanding in serving on our board of directors.

We appreciate all you and the Alabama-West Florida Conference have done for these, God's little children, whom we have served throughout these years.

Your fellow worker in Christ,  
Dottie E. Sarver, Deaconess  
Board Chairperson, C.R.C.

### Report No. 7 — FAR EAST EVANGELISTIC MISSIONS, INC.

It is interesting to know that the Far East Evangelistic Missions, Inc. celebrated its Tenth Year Anniversary. The "Annual Praise Rally" was held April 13, 1991, at the Summit Park United Methodist Church (Pensacola), with Dr. Harry Haines as the guest speaker. In 1981, Mr. Ferold Williams and the Rev. Joshua T'ien founded the mission. In 1982, Rev. and Mrs. T'ien moved to Pensacola, Florida, where they proceeded, on faith, to raise money to support needy seminary students in Free China. The time was right, since Mainland China's doors here slowly opening, to prepare ministers to take the message of our Living Savior into China whenever possible. They started by supporting only one student. Now they are supporting ten students who have graduated and are preaching the Gospel among their own people. At the present time they are supplying nineteen (19) scholarships.

The Rev. Joshua D. T'ien said, "When we look back over these years, especially the past year, we have much to praise God for. Not only has The Far East Mission been blessed, but especially our nation, through her victory in Desert Storm. Many prayers have been answered for our mission and our nation, and now it is time to return to God in praise and thanksgiving."

Joshua D. T'ien, Director

### Report No. 8 — OUTREACH MINISTRIES

The Outreach Ministries committee of the Board of Missions is charged with distribution of God's power through areas of Appalachian Development, Christian Unity & Interreligious Concerns, Disaster Response, Health & Welfare, Town & Country, and Urban Ministry.

**APPALACHIAN DEVELOPMENT:** Through the ADC Alabama-West Florida United Methodists join with the Commission on Religion in Appalachia to share resources with churches and community groups, promote strategic approaches to Appalachia's staggering economic, social and political problems, and assist churches in working cooperatively to grow spiritually, to develop leadership, and to reach out to the community.

**CHRISTIAN UNITY & INTERRELIGIOUS CONCERNS:** January 18-25, 1991 was observed as a week of prayer for Christian Unity and January 20th designated as Christian Unity Sunday. This component of the Outreach Ministries committee endeavors to monitor efforts throughout the Conference in areas of Christian unity and promote ecumenical church worship and community activities programs for local congregations.

**DISASTER RESPONSE:** The Alabama-West Florida Conference now has a Conference Disaster Response Commission with a conference coordinator, the conference UVMIM coordinator, and a commission chairperson. The Commission has nine district disaster response coordinators, nine district UVMIM coordinators, and consultants with expertise in counseling, rehabilitation and children & youth. A series of workshops are being conducted to train those committed to respond to disasters in their role, and responsibilities of the Conference Disaster Response Commission.

**HEALTH & WELFARE:** Aid, assist, cooperate, develop, enable, encourage, engage, envision, promote, provide, serve, support; this is what Health and Welfare is all about. As we continue to raise awareness in this caring and sharing ministry, long standing programs serving children, the aging and those in need of medical expense assistance remain in primary focus. However, this committee seeks to expand concepts of health and welfare issues, and is endeavoring to organize emphases throughout the Alabama-West Florida Conference on arising concerns of AIDS and Substance Abuse.

**TOWN & COUNTRY:** Dedication to the emphasis on the mission of town and country churches is the focus of this sub-committee. Attention has been given to promotion and participation in "grass roots" level events, and efforts are being directed toward developing strategy planning in evangelism, church growth, financial development, and resources for small membership churches. Liaison with Hinton Rural Life Center and the Southeastern Jurisdiction Rural Fellowship contribute valuable resources to this work in our Conference.

**URBAN MINISTRY:** This sub-committee is called upon to develop a process of addressing the conception that urban ministry is viewed as only a direct service ministry. Even though urban ministry is charged with liaison between the Board of Missions and all the mission agencies of the Conference, the work of this area is strategic to the urban church in local church empowerment through education, training, special assistance, research and self-study, and through advocacy in community issues, coalitions, empowerment of neighborhoods and racism awareness. Maintaining liaison with the Jurisdictional Network of Urban Workers provides opportunities for training in congregational redevelopment, resourcing agencies, strategic planning and development of leadership and vision.

Boots Guthrie, Chair

### **Report No. 9 — CONFERENCE DISASTER RESPONSE TEAM**

1. **ORGANIZATION:** The Conference Disaster Response Team is answerable to the Annual Conference through the Board of Missions.

**COMPOSITION:** There shall be three (3) members of the Conference Disaster Response Team:

- 1 — The Conference Disaster Response Coordinator — appointed by the Bishop. Currently this is the Conference Missions Secretary.
- 2 — The Conference United-Volunteers-In-Missions Coordinator — appointed by the Conference Board of Missions.
- 3 — These two persons shall select the third person on the Response Team, who will be the Chair.

These three may invite others to attend because of their expertise, such as counseling, treasurer, communications, etc.

**DISTRICT COORDINATORS:** There shall be a District Disaster Response Person in each district, nominated by the District Superintendent and selected by the Response Team. There should also be a close working relationship with the District U.M.V.I.M. Coordinator.

With these changes, the details of the duties of each Response Person are listed in the 1989 JOURNAL, pages R-24-25.

2. **TRAINING EVENTS** this 1990-1991 Conference Year: There have been two training events sponsored by the Conference Response Team: One to help minister to the families of Operation Desert Storm and one in preparation for all types of disasters.

Donald R. Brill

Conference Disaster Response Coordinator

### **Report No. 10 — UNITED METHODIST CHILDREN'S HOME**

The 1990-91 church year has been an exciting one for the United Methodist Children's Home. Our year-long celebration of our Centennial, "A Century of Caring," has been inspiring. First, we have had the opportunity once again to be mindful of the many steps in faith that have brought this ministry to the point it is today. We have heard countless stories of the lives that have been touched by the programs the Children's Home has offered. Second, we have been stepping with faith into our second century of caring through our "Plan for the Nineties."

The Centennial Celebration began with last year's Annual Conference. The Children's Home was given special attention in the programming. Our semi-annual Homecoming for former residents and staff was held in August. Over two hundred former residents and staff were in attendance. The UMCH staff and children came together for a celebration of their own. White Christmas was an opportunity for many local churches to emphasize "A Century of Caring" through special activities and their gifts. Founder's Day was a time to honor those whose faith made this ministry possible.

Staff and Board members have worked hard to launch the "Plan for the Nineties." Diagnostic and evaluation services were offered at the Shelter programs in Birmingham and Selma. This proved to be a valuable addition to our services and will be expanded. A Parent Adolescent Training (PAT) program was begun at the Genesis House in Tuscaloosa and will give us a greater opportunity to serve young men and their families in this area.

The Therapeutic Foster Care program out of our Settlement (Dothan) program has been expanded to serve even more children with special needs.

During 1990, a total of 529 children were served. The numbers served through various programs are as follows:

Children's Village .....	106	Emergency Shelter Care	
Group Homes		Birmingham .....	165
Florence .....	7	Selma .....	127
Huntsville .....	10	Parent Adolescent Training	
Scottsboro .....	10	(Genesis House, Tuscaloosa) ...	6
Genesis House (Tuscaloosa) .....	23	Therapeutic Foster Home	
Mobile .....	11	(Settlement, Dothan) .....	6
Pensacola .....	11	Family Aid .....	20
Settlement (Dothan) .....	14	Scholarship/Transition .....	13
		TOTAL .....	529

The ministry of the Children's Home continues to be steps in faith made possible by the support of the United Methodists of North Alabama and Alabama-West Florida. As we launch the second century of this vital ministry for children and their families, we will continue to count on each of you to help us make our dreams of service a reality — as you have for the first one hundred years of this ministry.

As our strategic plans states, "It is our certain belief that the United Methodist Children's Home is the premier program of child care in this area today and that it will continue to be marked by excellence and Christian concern as we move into the next century."

## Report No. 11 — HOMES FOR THE AGING

Within a few months we will begin our 31st year of operation of the Methodist Homes for the Aging program. We are proud of the history of our Methodist Homes and for the loving care that has been given to the "Older Children of God" across these years. We are confident that our people continue to live a happier and more meaningful life because they choose to live in one of our homes. However, in order to continue the quality of care we seek to provide our residents, as well as to provide for new persons who come to our homes, we must keep abreast of the changing needs of our adult population. An increasing number of persons across our two Annual Conferences are joining the years of retirement age. By the year 2000 the population of persons 65 years of age and over will exceed 650,000 persons. By the year 2000, 50% of the persons in retirement will be 75 years of age or older. Presently persons who are 85 or more years of age make up the fastest growing age group in America. More and more persons are celebrating their 101st and older, birthdays. As we look at these population trends and the varying needs of persons in their retirement years, the challenges of the future become more apparent.

Life is a series of changes for senior persons. One of the changes facing senior persons is, can they care for themselves or are they comfortable living by themselves? Our

commitment across these 30 years has been to help these persons and provide answers for their changing needs.

We are pleased that we can offer services to persons in eight homes across our two Annual Conferences. Hopefully, as we secure funding and certificates of need for nursing beds, we can continue to provide other facilities in areas where there is such a great need. Even though we will open a new Alzheimer's center at Fair Haven by the summer of 1991, we know that needs for other services across our Annual Conferences require additional growth.

Today the senior population exceeds 25 million persons. Some of these will seek living arrangements in facilities such as ours by choice; others because of need. It is our conviction that we must continue to expand to minister to these individuals regardless of their circumstances.

It is imperative that while we look to the future for ways to expand our program by meeting the needs of the growing aging population, we must make adequate preparations and plans to financially assist persons who are unable to pay for their expenses. We continue to appeal to United Methodist Churches of our Annual Conferences to assist us with Conference apportionments, advance special offerings and by participating in the Good Samaritan program of our homes.

During the year of 1991-1992, it is our hope to raise sufficient funds to financially assist persons who look to us for help as well as to continue the expansion of our services to the growing senior population.

Growing older should not limit or change a person's right to experience life at its fullest. The Methodist Homes for the Aging is committed to seeing that this takes place. We need the support and help of the membership of our United Methodist Churches as we strive to make the years of our aging persons significant and meaningful. Our goal is to continue to build a program in the present and for the future that we might become an even greater instrument in helping persons live out the remaining years of their lives with meaning and dignity.

The residents, staff and Board of Trustees of our Methodist Homes for the Aging Corporation express appreciation for your prayers and the support that we have received throughout this year. We need your continued help if we are to adequately minister to those who look to us for help.

A. Wray Tomlin, Executive Director

**Report No. 12 — GOLDEN CROSS**

The Golden Cross fund of the Alabama-West Florida Conference has helped ten families with their medical expenses in 1990. These families were assisted with a total of \$10,232.01 or an average of \$1,023.20 per family.

Golden Cross receives financial support from the Mother's Day offering. Your gifts to this offering enables Golden Cross to respond to the medical expenses of needy United Methodist families in our conference.

The rules that govern the Golden Cross Fund are as follows:

- (1) Assistance shall be for United Methodists and any payment toward assistance shall be only to the hospital, doctor, or drug store and only after receiving a copy of the hospital, doctor or drug bill showing the amount of the unpaid balance.
- (2) No assistance shall be granted to laity except upon the recommendation of a pastor in a position to know the circumstances. Assistance to a pastor shall be granted only on the recommendation of his/her District Superintendent or the Conference Treasurer.
- (3) The amount of assistance granted to any person shall be limited to a total of \$1,500 for any combination of hospital, doctor and drug bills.
- (4) When, in the judgement of the Golden Cross Director, extreme poverty seems to justify it, an additional payment (not to exceed \$400.00) may be given to the same person during the period of a year.

**Report No. 13 — "WORSHIP AT THE GRASS ROOTS LEVEL" RETREAT**

In 1989 the Conference Commission on Worship began to explore the idea of offering a Conference-wide retreat to specifically address the area of worship in small membership churches. The Commission adopted a purpose for the event as follows: "A training event to enrich the variety and experience of worship in the small membership church." The Task Force Committee formed to organize the retreat consisted of the following: Dean, Joe Curtis;

Registrar, Jack Hankins; Members, John Weeks, Donald Phillips, and Earle Temple; Staff Persons, Diane Shepherd and Don Brill.

The "Worship at the Grass Roots Level" retreat was scheduled for Friday and Saturday, February 1 & 2, 1991, at Oakwood Lodge, Blue Lake. Clay Smith and other staff members from the Hinton Rural Life Center were secured to be resource persons for the event.

With the restructuring of Conference Boards and Agencies effective following the 1990 Annual Conference session, the retreat fell under the auspices of the Conference Board of Evangelism. Charles Holston, Chairperson of the Board, directed the Task Force Committee to proceed with their plans for the retreat. In addition, the Board of Evangelism voted to appropriate \$50 in scholarship aid for each District, to be distributed by the Superintendents on the basis of need.

Those responsible for planning the retreat generally regarded it as very successful. Attendance was better than usual for Conference-sponsored small membership church events (thirty-one participants, almost equally divided between clergy and laity). The resource persons from the Hinton Center offered helpful, relevant information. Particular emphasis was placed on: 1) claiming and accentuating the strengths of one's church, rather than focusing on its limitations; 2) using the new *United Methodist Hymnal* as a broad, versatile, affordable musical resource; and 3) experimenting with different, creative acts within the worship setting. New ideas were explained in sensible, non-threatening ways. This approach helped create a positive spirit that was evident throughout the retreat.

### Report No. 14 — DUMAS WESLEY COMMUNITY CENTER

The Dumas Wesley Community Center continues its outreach ministry to an area in need for the eighty-eighth consecutive year. It is difficult to evaluate the impact of the center on this geographical area, but it is safe to say that many lives have been impacted in a positive manner due to its existence and the Christian values that have been practiced throughout its history.

Using the multi-service approach the center continues to grow and develop as a meaningful institution for the people of the Crichton area of Mobile, Alabama. Last year found more than four thousand people availing themselves of the services rendered through your agency.

Our service arena touches people of all ages, the very young through Day Care, Family Home Day Care, Game rooms, Arts and Crafts and some Athletics. The youth of the area are served through various types of interest groups, athletics, game rooms, arts and crafts, camping field trips and classes that attempt to develop self esteem as well as a healthy respect for others. Our older citizens are served by congregate feeding programs, meals delivered to the home bound, legal advice and counseling services, and general leisure time activities that enhance the quality of life of all the citizens of the area.

We have written about the individual service components here at the center for many years. This year we would simply like to extend to you, our supportive community, a warm invitation to visit this center and draw your own conclusion about the value of the services rendered. We would love to have you at your convenience when you are in the Mobile area.

We look forward to serving our neighbors in the coming year. We know we cannot accomplish our mission without a strong supportive community so we will be depending on you once again. Thank you for being in mission with us.

Carlton Caruthers, Executive Director

### Report No. 15 — ECUMENICAL MINISTRIES INC. OF BALDWIN COUNTY

For more than 21 years Ecumenical Ministries Inc. (EMI) has been a major outreach arm for Baldwin County churches, denominations and caring individuals to help the poor in the county. People of all races, economic levels and denominations have come together to help people help themselves.

We are very blessed and most appreciative of our long-standing partnership with you in this ministry to the poor in Baldwin County. The programs that have evolved over the years as a response to the needs are:

The Migrant Ministry — La Casa de Amigos, our migrant HeadStart program, is one

of the finest in the country. We greet migrant farmworkers and their children with open hearts as they come into our county for the potato crop in the spring. EMI helps the families with food, household set-up, clothes, emergency medical needs, while the HeadStart program provides very comprehensive services for the children. We served a record number of families who came into the county this past year.

**Our Gleaning program** — a biblical way of getting food to the widows and the poor, saw more than 350,000 lbs. of food that might have been wasted go into homes last year. Low-income volunteers went into the fields for donated food from generous farmers and other suppliers. They kept some for themselves and shared the rest with their neighbors. This year this program was written up in a national publication as a model program for feeding the hungry.

**Our VISTA volunteer** with the Hunger program helped promote FoodShare programs in more than 10 neighborhoods — another way to stretch the food dollars of our many needy residents.

**Our two Emergency Aid Centers and food pantries**, in accordance with national and state-wide trends, saw a great increase in people coming to us in crisis situations. We helped 5,350 individuals with food, housing, utilities or medical needs — giving out more than 25,000 meals from our food pantries. As we helped folks in these situations, we offered them counseling to help them get back on their feet — referring them for jobs, training, or other community resources.

**Our Home Repair and Winterization programs** are aimed mostly at helping the elderly poor who might otherwise be forced out of their homes, or who are living with hazardous conditions. Homeowners are encouraged to get their families involved in working with church and other volunteer groups on the repair project. With a very critical housing shortage and with the homeless demanding our attention, EMI has been a strong advocate for better housing and a resource for information on solutions to this problem.

**Church-based Community Organizing** is our latest effort to effect meaningful change in the lives of people living in poverty. Together with local churches, we help their leadership identify problems and set goals for addressing these conditions. We train leaders in these communities to begin solving the problems and to become more self-sufficient. Some realized goals in the two communities we have organized in — improved neighborhood appearance, obtaining a community center, improved traffic safety, organization of a community watch patrol, obtaining a grant for a sewer system, getting a commitment for better (paved) roads and road signs, and a plan for a water system to replace the use of contaminated wells.

EMI has been instrumental in bringing many programs into the county — the latest effort seeing Project Share funds coming into South Baldwin to help the elderly and handicapped with high energy bills. We provide coordination for special projects such as Thanksgiving and Christmas Sharing.

Our well-known and called-on ministry is possible only because caring Christians from all walks of life come together to help others, following after Christ's example and in his name. We pray that we will all continue to do his will and accept his guidance. We thank the Conference for all its support and prayers.

### **Report No. 16 — HISPANIC MINISTRY OF ALABAMA-WEST FLORIDA CONFERENCE**

During the past year Hispanic Ministry has once again been blessed with continued growth.

Our work is concentrated in four main areas:

1. **Spiritual**
  - Weekly home Bible studies.
  - Daily devotions with Upper Room in Spanish.
  - Vacation Bible schools, spiritual retreats, and informal Sunday worship services.
2. **Social & Recreational**
  - Volleyball, basketball, and soccer tournaments and have covered dish dinners.
3. **Educational**
  - English classes, citizenship, and preparation for the written test for the driver's license examination.

#### 4. Immigration Counseling

- When someone has a problem or the Immigration office has a question, we serve as a go-between in order to resolve the case.

#### SUNDAY ACTIVITIES AT SUMMERDALE UMC:

In conjunction with Faulkner State Jr. College and the Literacy Council, we provide English classes to Hispanics based on their level of understanding. This results in three different levels of English being taught.

With sports equipment donated by various churches, we organized volleyball, basketball, and soccer games among the Hispanics. To round out the day, we have an informal service for singing, praying, Bible study, and covered dish dinners. The number of participants varied from 68 in spring and summer to 18 in fall and winter.

#### CHILDREN'S MINISTRY:

We planned three vacation Bible school activities for the children during the year. Palm Sunday through Easter Sunday served 29 children. The four Saturdays in June served 54 children and the parents also had their own workshop. Thanksgiving through Christmas of this year we served 28 children.

Various church youth groups, volunteering their time and talents teaching and providing recreational activities help make the children's ministry a success.

#### FAMILY ACTIVITIES:

Every two months we receive 50 Upper Rooms in Spanish. We distribute these to families and single persons for their daily devotional. There has been a great response to the Upper Rooms.

We have offered Bible studies to families and groups as requested and had four different groups respond to this invitation to study together. To teach these studies we use the Alfalit materials. (Bible Society, Basic Education for Adults).

#### PASTORAL ACTIVITIES:

Pastoral activities included home visits, hospital visits, and personal/family counseling. We have also started meeting with Hispanic students in the Wesley Foundation at the University of South Alabama. This gives the students a break from studies once a week and helps relieve any homesickness.

#### MISSION STATEMENT:

The Hispanic Ministries of the Alabama-West Florida Conference is a ministry emphasizing spiritual growth and development among the Hispanic people residing, either temporarily or as permanent residents, within the bounds of our conference area. The ministry has an executive director who calls upon volunteers from local churches for assistance in carrying out the mission and purposes of this ministry.

**HISPANIC MINISTRIES** is recognized as an advance special by the Conference. Therefore, we ask your support and prayers.

Aida Walker, Director

### Report No. 17 — UNITED METHODIST INNER CITY MISSION

When a community begins to change economically and racially the church faces new and unique challenges. The United Methodist Church has met those challenges in Mobile with the creation of the United Methodist Inner City Mission and Metro Ministries. This is a ministry that was started to meet the needs of a neglected part of our society — the residents of the poverty community. The ministry was originally designed to meet the needs of the whole person — spiritual, physical and emotional — and continues to do this today.

The ministry has programs to deal with the root cause of poverty by giving incentive, understanding and guidance in developing an outlook on life that will help to break the cycle of poverty.

This is not a social agency, although it does meet the needs of hunger, housing, etc. This is a ministry, carried out by one appointed minister and under the direction of the United Methodist Inner City Mission. The thread of spiritual growth and worship runs throughout the entire program and includes specific programs designed to nurture this spirituality.

A brief description of the various aspects of this ministry are as follows:

- (1) **The basic Inner City Ministry** includes such programs as tutoring, Bible Classes, recreation, emergency assistance, counseling, Senior Citizens activities, quilting, Scouting, the Oakdale Christian Youth Service Club, Oakdale Community Service Club (adults), special trips, Thanksgiving and Christmas special, ceramics, adult basic education, and many more like programs.

All of these programs meet special needs and serve to strengthen character and develop a hope for a different future.

- (2) **The Homemaker Program** is a joint effort of the Mobile Housing Board, the State Department of Education and the United Methodist Inner City Mission. The employees in this program assist the elderly and handicapped living in low income housing to meet their basic physical needs. They do housekeeping, they cook meals and they help with the grocery shopping. In all of these services they also provide companionship and friendship.
- (3) **The Park Ministry** started with the operation of the community swimming pool 18 years ago and has grown to involve the year round operation of the entire park. This includes such sports activities as football, baseball, basketball, volleyball and softball. The Mission will field as many as five different teams in each of these activities.

The park has daily table games, pool, ping-pong, and other such non-directed activities. Special events include bingo for fun, movies, crafts and coloring.

The summer program includes the swimming pool, where all eight employees are from the community and were trained and certified at the pool and then hired to run their own community program. An additional 30 youth from the community are hired each summer under the Summer Youth Employment Program and work at the park to make the programs more effective. An additional part of this summer operation involves serving an average of 250 free lunches per day to the children who participate in the park activities.

The purpose behind this ministry is to provide viable options to the problems of drugs and crime that is normally a part of any Inner City Community. Good clean use of leisure time under Christian leadership is proven effective.

As a result of the efforts of the Inner City Mission the City of Mobile has committed \$600,000.00 to construct a new gym at the park. This gym will be completed this fall. This is an excellent example of government and the private sector working together to improve life in the Inner City.

- (4) **The Work Teams** replace the Old Home Repair/Weatherization Program. This was a government program closed when funding was withdrawn, and it is now operating on a smaller and less sophisticated scale by utilizing volunteer work teams from both youth and adult groups from the Alabama-West Florida Conference and from as far away as Indiana and Oklahoma. These groups paint and do minor repairs on homes of the elderly and poor. There were eight groups totaling 178 youth who participated this past year. Another team of retired clergy, contractors, painters and their wives did extensive improvements to the sanctuary and educational building in preparation for beginning the congregational ministry.

The Mission is committed to ministry to the poor and will always have as its first concern the spiritual needs of the people served. The other programs meet extremely important needs in the life of people and also open the doors to meeting those spiritual needs. The services provided are an example of the genuine love and concern the United Methodist Church has for all people and provides an easy access to understanding the love and concern that God has for His people in their time of need.

Harry McDavid, President of Board of Directors

### Report No. 18 — MOBILE METRO MINISTRY

The Mobile Metro Ministry is governed by the same board, under a special committee, and served by the same minister as the Inner City Mission. It is, however, a separate functioning ministry in that it serves the entire metropolitan area of Mobile whereas the Inner City Mission is a community based ministry to the Oakdale neighborhood.

The Metro Ministry is the ecumenical arm of the United Methodist Church in Mobile and represents the United Methodist Church in interfaith and ecumenical endeavors in the Mobile area. This ministry has been instrumental in the formation of several vital services in Mobile such as the Bay Area Food Bank, the Community Care Exchange and the Conference of Downtown Churches. The Food Bank is directly responsible for hundreds of thousands of pounds of food that would be thrown away being channeled to agencies in the Mobile area who can use it to feed the hungry. The Mobile Metro Ministry remains an active part of this program and serves as a member of the board.

The Community Care Exchange grew out of the recovery efforts following Hurricane Frederic and is now composed of all major religious and governmental agencies serving the need of the poor in Mobile. The Exchange meets monthly to discuss problems and share ideas. Mobile Metro Ministry was directly responsible for the formation of this group and continues to be a part of its function.

The Conference of Downtown Churches was organized to strengthen the Inner City Churches in their ministry to the downtown area, and these monthly meetings are vital to the growth of ministry in the downtown section of Mobile.

This ministry remains a leader in disaster response, not only in Mobile, but throughout the South and Southeast. The minister to Metro is the active representative at the Emergency Operation Center before and during disasters in the Mobile area and coordinates the ecumenical efforts in providing vehicles for evacuation of the elderly and handicapped during a Hurricane warning. The minister is also a significant part of the response of both United Methodist Committee on Relief (UMCOR) and Church World Service (CWS) and provides leadership in training events in the South and Southeast.

Mobile Metro Ministry has a major responsibility in offering consultation and training for churches and ministers in transitional settings and serves as a liaison with the Southeastern Jurisdiction Urban Workers' Network (SEJUWN). Training events and participation in regional conferences are made available to these churches and people above.

The research regarding population trends depleting both the declining and growth areas of Mobile has been a part of this ministry. As an example the location and establishment of Christ United Methodist Church in Mobile utilized the services of Mobile Metro Ministry.

The Mobile Metro Ministry works with government agencies and provides space in the Inner City Mission for Mobile Community Action assistance programs, Adult Basic Education classes and other such services so that these groups can more effectively serve the individual neighborhood.

The newest phase to this ministry will involve selected families from churches throughout the metropolitan Mobile area joining with Inner City families in the formation of a congregational ministry utilizing the facilities of the old Oakdale United Methodist Church. This will be a bi-racial congregation that will cross economic lines and provide opportunities for the assimilation of new converts and the stability of established leadership. Target date has been moved to the Summer of 1991.

All of the ministerial responsibilities for these programs are the responsibility of Rev. J. Fred Toland, Jr. There is currently a vacancy in the position of Associate Minister.

The magnitude of this ecumenical effort and the wide geographical area served brought about the establishment of this as a separate ministry within the Mobile District, but it remains under the direct supervision of the Inner City Mission Council.

### Report No. 19 — NELLIE BURGE COMMUNITY CENTER

Since 1904 it has been our opportunity to render wholesome service to people who have particular needs. It is a blessing to respond to the extent we are able. We are always grateful to those who assist us in rendering this service in a wide variety of ways.

Our day care service for pre-schoolers stays filled to its licensed capacity of 32. We are blessed by having a dedicated staff of day care workers whose goal is to assure a happier, more fulfilling life for our children than would otherwise be possible. It is exciting to see the positive changes in attitudes which occur in many of our children and youth. We are thankful to God for the opportunity to extend the mission arm of our church into the lives of our people.

The Home Day Care Nutrition Program continues to flourish. There are now 246 homes under contract with a total enrollment of more than 1,600 children. There are four monitors who work in this program each day assuring that these children receive nutritious meals each day.

Exciting days are upon us. After some years of talking about the desperate need for additional space and more modern facilities the board of directors is in the process of solidifying expansion plans. Two lots behind the present site have been secured and the alley between is being closed by the city. It will take the cooperation of a large number of people to bring this to fruition. We are confident it can happen. This will enable us not only to serve more children and youth in our present programs, but also to introduce new activities to neighborhood seniors and others.

We remain as steadfast as ever to offer Christian service to those who come to us. This has always been our primary mission. You may be assured we will remain a beacon of hope for a better life for all.

W. Paul Woolley, Jr., Director

### Report No. 20 — NOAH'S ARK

1. The Conference Benevolence Fund is the primary "enabler" for this ministry. The UMW provides approximately \$6,000 a year. Advance Special giving provides approximately \$4,000 a year. Without these funds we would not be enabled to "generate" the additional \$129,000 needed to operate this ministry. The total contribution from all these methods and sources is approximately 18% of our budget. These sources are greatly appreciated, much needed, and efficiently used. The more support we receive, the more effective is our ministry and the more funds we generate.

2. The summer ministry provided persons with 30,000 hours of musical witness and 230,357 hours of retreats. The winter ministry provided 96,950 hours of weekly activities and 4,500 hours of worship. The total hours of service and witness to persons was 361,907. The cost per hour for all hours of our service was approximately 40 cents, of which Conference sources provided approximately 8 cents and Noah's Ark generated 32 cents. This data reveals effective stewardship and one of the most cost-effective mission projects of our Annual Conference.

3. This ministry is in a transition period. At Annual Conference 1990 the present Executive Director took retirement status with an agreement with the Board of Directors to continue (at much reduced salary) until a new executive director and a new minister could be trained. Mr. Luke Pinegar, a layman with eight years of previous experience, was brought aboard in August of 1990 and is expected to be named by the Board of Directors as the new executive director as of 1 June, 1991. His primary responsibility will be to give general oversight to all aspects of this ministry, especially program organization, administration, music and retreats.

The Board is making a request to the Bishop and Cabinet for a young minister to be appointed as Resident Pastor to perform all ministerial functions and assist the executive director in fulfilling the total ministry. This will be a minimum salary appointment.

Because of the present Executive Director's experience and knowledge of the winter ministry to the 1,000 elderly participants, his retention as an assistant director will be especially important in the training of the new Resident Pastor.

All this results in an increased salary burden necessary during the transition period, but should assure the continuation of this ministry.

4. The facilities are now over ten years old and in need of more maintenance if funds can be made available.

We believe that these reasons provide justification for increased support by the Annual Conference, the UMW, and all Advance Special giving of local churches.

## BOARD OF EVANGELISM/WORSHIP

### Report No. 1

Evangelism continues to be the primary purpose for the existence of the Body of Christ known as United Methodists.

The year of 1991 was made noteworthy by the AWF Conference Council on Ministries when that body approved an additional appropriation of \$5,000.00 for the Board of Evangelism/Worship in 1991. The additional funds were used exclusively for our Conference WE ARE HERE FOR YOU emphasis. The highlight of the 1991 year was the Lenten period from February 13, 1991, to March 31, 1991.

During Lent over 700 churches, pastors and congregations joined in a concerted WE ARE HERE FOR YOU outreach to the inactives in our churches and to the unchurched in our communities.

Special features of WE ARE HERE FOR YOU included TV and radio spots, newspaper ads, 50 billboards throughout our Conference, sample sermons, suggested worship procedures, posters for local church use, bulletin inserts and bumper stickers.

The WE ARE HERE FOR YOU program was well received and supported widely with promising results. Most Districts held their own WE ARE HERE FOR YOU Rallies. Our Conference and our churches will be reaping the benefits from this program for years to come.

The Board of Evangelism was reorganized as of June 6, 1990 when the Conference Nominations Committee also presented a new slate of members. These 42 clergy and lay members have been special in the life of our Conference and in God's kingdom. Under Conference changes, The Board of Evangelism welcomed with open arms and open hearts the organization previously known as the Commission on Worship.

Specific committees of the Board of Evangelism/Worship will be reported on by their respective Chairpersons.

The Board of Evangelism/Worship continues to be blessed with the leadership and guidance of our Conference Advisor, Rev. Don Brill.

Ongoing programs continue to highlight the importance of winning personal commitments for Jesus Christ.

The Alabama-West Florida Conference continues to grow — under the guidance of Bishop C.W. Hancock — with a Net Gain in 1990 of 1,698 new members! This was accomplished only through the love and dedication of the Pastors and Laity. And for you we are truly thankful.

Charles Holston, Chairperson

### Report No. 2 — PROGRAM COMMITTEE

Because of the spiritual impact of two programs in several churches in our Conference, the Program Committee of the Board of Evangelism/Worship has the goal of establishing these two programs in at least one church in each District in 1991: a Disciple Bible Study program, and a Key Event program. Both of these programs will facilitate meaningful spiritual growth of individuals and revitalization of a local church.

Each District Chairperson of Evangelism has been given descriptive information on these programs along with costs and ordering information for all materials and training necessary to implement the programs.

The Program Committee will provide assistance to any congregation desiring to establish either of these programs. (Note: A subsequent decision transferred primary responsibility of the Disciple Bible Study to the Board of Education. We will support the Board in any appropriate way).

Shirley H. Woodie, Chairperson

### Report No. 3 — EDUCATION AND TRAINING COMMITTEE

The Education and Training Committee has the responsibility of planning and conducting appropriate events which prepare clergy and laity to be better witnesses for our Lord and Savior.

Tentative plans call for a School of Evangelism to be held in alternate years with the Bishop's Convocation on Preaching.

This Committee is in a supportive role and is responsive to other Board committees.

John Brannon, Chairperson

### **Report No. 4 — DENMAN AWARD COMMITTEE**

The Denman Award Committee again was privileged to promote the Evangelism Award to the Conference clergy and lay members. Conference winners for 1990 were Rev. Mike Watson, and Mr. Grady Watson. All District winners were honored at an Annual Luncheon. Bishop C.W. Hancock was the key speaker.

Certificates as well as 18 kt. gold lapel pins were presented to the two Conference winners.  
Earl Bridges, Chairperson

### **Report No 5 — SPIRITUAL FORMATION COMMITTEE**

The Spiritual Formation Committee continues to encourage participation in the Two-Year Academy by interested clergy and lay members.

Plans are under way to conduct a Five-Day Spiritual Formation Academy in our Conference beginning on March 8, 1992.

The Committee and Board continue to be supportive of the Walk to Emmaus ministry, to Ashram, and to the College and Youth Chrysallis programs.

A Five-Day Academy for Spiritual Formation will be held at Blue Lake Assembly, Oakwood Lodge, March 8-13, 1992. It will start on Sunday at 6:00 p.m. and conclude on Friday at noon.

There will be two faculty members: Dr. M. Robert Mulholland, Jr., who is vice-president of Asbury Theological Seminary, will teach on the Bible in Spiritual Formation. Sister Miriam Schmitt from Bismarck, North Dakota, will teach the History of Christian Spirituality.

The Academy of Spiritual Formation is a program of the Upper Room and is sponsored by the Spiritual Formation Committee of the Conference Board of Evangelism. For more information or brochures, please contact the Rev. Charles Hale, Dean of the Academy, at (205) 626-1334; or Rev. Don Brill (205) 222-3584; or Rev. Charles Walker (904) 244-5546.

Charles Walker, Chairperson

### **Report No. 6 — REVIEW AND RECOMMENDATION COMMITTEE**

This Board of Evangelism/Worship Committee, previously known as the Research and Planning Committee was re-designated as the Review and Recommendation Committee.

Our major function is to be sensitive to and aware of local church needs and recommend and work with other Board Committees in appropriate endeavors.

Bob McKibben, Chairperson

### **Report No. 7 — LAY WITNESS MISSION BOARD**

The Lay Witness Mission Board takes referrals from the Conference Council on Ministries for inquiries about and requests for lay witness missions. These inquiries must originate in the local church with approval of the Pastor.

The purpose of the Lay Witness Mission is to bring in lay people as visitors who have had a personal encounter with Jesus Christ and who have made a commitment to follow Him as best they know how. Renewing and life-changing experiences take place when people hear first hand from the visiting lay witnesses how Jesus does His work in an ordinary life.

Countless numbers have found new life in Christ from something they saw and heard at a Lay Witness Mission. Board members conducted twenty-four missions in the AWF Conference in 1990, and many are already scheduled in 1991.

Additionally, the Lay Witness Board plans and coordinates annual Holy Spirit Conferences and Lay Witness Retreats at Blue Lake with outstanding programs. This year, 1991, the Lay Witness Mission Board is coordinating a 72-Hour Prayer Vigil during our Annual Conference, 4 p.m. Sunday through 4 p.m. Wednesday. You are invited to check the Prayer Vigil chart which is posted.

Charles L. Nelson, Chairperson

### **Report No. 8 — WORSHIP COMMITTEE**

The Committee on Worship has just completed its first program year as a part of the Board of Evangelism/Worship under the new conference structure. Thanks to the cooperation and understanding of Bishop Hancock, and Board officers Charles Holston and Ann Hinds,

the year has been a good one. More work, however, needs to be done to include the District worship chairpersons into the structure of our new conference Board. Annual conference worship this year has been planned by an ad hoc committee as the current members of the Board already had more than enough to do.

The year 1992 has been designated The Year of Worship by the Annual Conference. A training event to introduce United Methodism's new Book of Worship and special annual conference services are being planned. May our worship continue to enrich all that we do and more importantly, honor God.

Joseph H. Reams, Chairperson

### Report No. 9 — PUBLICITY COMMITTEE

The Publicity and Public Relations Committee works with the Board Executive Committee and Committee Chairpersons in making their plans and efforts more effective. We maintain liaison with *The Connectional Link* and *The Christian Advocate*.

We provide an additional service at Annual Conference by making available at the Board of Evangelism/Worship table many old and new materials, methods, ministries and programs which are proven to be effective in the local church. This is a courtesy service provided by Evangelism/Worship, and you are invited to stop by and pick up items which interest you.

Shirley Kegerreis, Chairperson

## COMMISSION ON RELIGION AND RACE

The ministry of Religion and Race is a spiritual effort in the United Methodist Church established to move us toward reconciliation. Much of the work we do is sociological in nature, but our theologically reflective processes enable us to identify the rationale for required changes.

This commission serves as a monitoring agent and not an enforcing agent.

### Commission's Goals for 1992

1. Each district will hold a Convocation on Religion and Race.
2. District members on Religion and Race will be encouraged to attend the National Convocation on Religion and Race.
3. We will use our position to report positive achievements, but also, what has not been achieved.
4. We recommend the Alabama-West Florida Conference Arts Council.
5. To encourage each local church to establish the Commission on Religion and race where there is not a commission established.
6. We challenge each church in the conference to develop an outreach program to that community not represented in their church congregation. This should involve initiatives taken by local church members to create, develop, and administer new programs.
7. We submit these ideas as "springboards" for reaching out to our neighbors to create community, helping to dispel stereotypes, and bringing down barriers:
  - a. Joint Bible Study groups
  - b. Methodist Men's and Women's Breakfasts
  - c. Music and drama group activities, other arts activities
  - d. Dr. Martin Luther King celebration
  - e. Joint Vacation Bible School (children and youth)
 Pulpit exchange should not take the place of one of the above.
8. There is not an ethnic minister appointed to a majority church.
9. Accomplishments:
  - a. The chairperson and the secretary attended the Southeastern Jurisdiction workshop for church leaders in August, 1990, Lake Junaluska, NC.
  - b. The chairperson attended a workshop on inclusiveness in the church held in Atlanta, Georgia.
  - c. There are ethnic representatives on each committee or commission in the Annual Conference.

- d. The celebration of the "old" Central Alabama Conference and the Alabama-West Florida Conference on April 6, 1991 in Marion, Alabama, at Francis Marion High School auditorium.

## COMMITTEE FOR THE COORDINATION OF ETHNIC LOCAL CHURCH CONCERNS

There shall be a committee organized in each Annual Conference on Ethnic Local Church Concerns which shall relate to all conference agencies for the implementation of the conference's Comprehensive Plan. The committee shall be comprised of one-third laywomen, one-third laymen, and one-third clergy. At least one-half of this committee shall be racial/ethnic persons, where feasible. It shall also include a Cabinet representative. The committee shall develop a comprehensive plan for implementation by the Council on Ministries, and also shall develop criteria for use in evaluating racial/ethnic projects and programs within the conference and in reporting on its work to the Council on Ministries. (Paragraph 726.5)

### Report No. 1 — GOALS AND GUIDELINES FOR THE 1988-1992 QUADRENNIUM

Philosophy: We, of the Alabama-West Florida Conference, are in a true sense of the phrase "a Rainbow Conference." We represent all the colors and talents that America has to offer. We celebrate and applaud God's creation in its many faceted diversity. And our one true aim and purpose is a continued harmonious, loving, caring and nurturing relationship among our persons. We believe that there is "unity in diversity." Our theme for the new quadrennium shall be "A Revival of the Body, Mind and Spirit."

#### GENERAL

1. As allowed by the annual conference legislation, all funds contributed by the churches for the Ethnic Local Church Concerns Committee shall be retained for use in the Alabama-West Florida Conference.
2. The Ethnic Local Church Concerns Committee shall meet once a quarter.
3. The Executive Committee shall be composed of the officers, chairpersons of standing committees, the Council Director, and the Council on Ministries staff associate related to the Committee.
4. The Ethnic Local Church Concerns Committee shall develop methods to promote and solicit payment of the Ethnic Local Church Concerns Committee apportionment by the churches of the conference.
5. The administrative expenses of the Ethnic Local Church Concerns Committee shall come from the Conference Council on Ministries budget.
6. Not more than 10% of the Ethnic Local Church Concerns Committee funds shall be used for research and Committee programming each year.
7. The Ethnic Local Church Concerns Committee shall provide information and guidance to pastors and lay persons regarding resources and programs for strengthening ethnic churches.
8. A concerted effort is made to emphasize to boards, agencies and districts that Ethnic Local Church Concerns Committee funds — according to our Ethnic Local Church Concerns Committee Operational Manual — are to be used in addition to and/or in conjunction with other agency funds. Ethnic Local Church Concerns Committee funds are not to be considered an exclusive source of funding regardless of other funds.

#### PROGRAM AREA GOALS

##### Witness:

1. Demographic research and analysis is being continued to determine the need for ethnic churches in the Alabama-West Florida Conference. This is done in consultation and coordination with the Committee on Planning and Research, the Committee on New Church Development and a representative from the Ethnic Local Church Concerns Committee Task Force. Districts are the following: (a.) Dothan District; (b.) Demopolis

- District; (c.) Marianna-Panama City District; (d.) Troy District; (e.) Montgomery District. These things shall be in addition to planning "Strategy for Growth" in the Montgomery District at the New Bell Church, which is a new church start.
2. With respect to the research and analysis and in consultation with the Committee on New Church Development; the Women's Program Division, Section of Mission and Membership Development, and the Congregational Development/New Church Development of the General Board of Global Ministries, goals for establishing new ethnic congregations during the next five years have been set.
  3. Each ethnic congregation is encouraged to set goals for membership and attendance growth, on both long-term and short-term bases, and shall report progress on the goals at each Charge Conference and to the Ethnic Local Church Concerns Committee on a yearly basis. Congregational growth seminars have been and continue to be provided both in cluster groupings as well as upon request of the individual church.

#### **Discipleship:**

1. A program for lay leadership training for ethnic churches shall be developed in cooperation with the Conference Council on Ministries Director, who serves as an expert in leadership training and congregational development; and also in conjunction with the Conference Commission on Religion and Race.
2. The Conference Council on Youth/Children/Young Adult Ministries is asked to survey the ministry needs of ethnic young persons and develop plans for responding to those needs.
3. The Ethnic Local Church Concerns Committee shall keep before the Council on Ministries Program Committees the responsibility for being intentional and specific in developing discipleship in the ethnic churches and larger white churches in their respective program areas.

#### **Liturgy:**

1. Workshops on worship shall be included in training events for all ethnic persons, laity and pastors.
2. Ethnic churches shall be encouraged to give support to such specialized ministries as street ministries, hunger programs, counseling centers, and shelters for the homeless. Particularly will we include special emphasis to be given the following:
  - Dumas Wesley Community Center, Mobile, Alabama
  - The Nellie Burge Community Center, Montgomery, Alabama
  - Noah's Ark, Panama City Beach Ministry
  - The Inner City Mission, Mobile, Alabama
  - The Johnson Hill Project, Eutaw, Alabama
  - The New Church Development Program, Dothan, Alabama
  - The Baldwin County Hispanic Ministries
 The above programs will minister to great numbers of ethnic minorities.

#### **Leadership:**

1. High priority shall be given, including the use of Ethnic Local Church Concerns Committee funds, to the recruitment and training of leaders, both lay and clergy, for service in ethnic minority churches.

#### **Our Strategy:**

1. Seminars in church administration will be given by CCOM Director and General Board of Global Ministries staff persons.
2. "Lay Speakers Training" — Due to a shortage of ethnic local church ministers, the Alabama-West Florida Conference has had to use retired clergy who sometimes have had more than three churches on a charge. Some churches are two-Sunday-a-month churches that would like to be operational each Sunday despite the lack or presence of ordained clergy. We feel that a comprehensive lay speakers' program with a special outreach to Ethnic Local Church Concerns would allow:
  - (a) those churches that wanted to be opened each Sunday the opportunity;
  - (b) for the development of a closer sense of inclusiveness in a very vital part of the church;
  - (c) the encouragement of high school students and young adults — serving as a training tool for future development;
  - (d) for exposure and pruning ground to give some who may have considered the ministry an opportunity;

(e) for eventually augmenting into a resource of articulate laity who could be a part of other boards and agencies.

3. The Board of Ordained Ministry and the Board of Diaconal Ministry is continuously requested to give special attention to the enlistment of ethnic minority youth and young adults for ordained and diaconal ministry. Ethnic local churches are encouraged to become nurturing bases for candidates for the ministry. At least one convocation on the ministry, especially for ethnic minority youth and young adults, should be held during the quadrennium — if not annually.
4. The Ethnic Local Church Concerns Committee shall sponsor, in cooperation with the Conference Committee on Religion and Race, practical skills-building workshops for ethnic minority ministers and others. Emphasis will be placed on both proposal writing and articulation.

#### Structures:

1. Training shall be provided for lay and clergy persons on United Methodist Church Structure and Polity.
2. Both representation and participation of ethnic minorities in annual conference and district boards, committees, agencies and programs shall be encouraged and promoted.

#### Facilities:

1. The Committee on New Church Development and Revitalization has surveyed ethnic minority churches and parsonages for needs in the Alabama-West Florida Conference. On the basis of this survey, the Ethnic Local Church Concerns Committee has developed a comprehensive plan for responding to these needs. (Monies for said needs allocated from Ethnic Local Church Concerns Committee Funds shall be used in conjunction with other funds...i.e., district, national and local churches.)
2. Multiple use of church building (by two ethnic minority congregations or by an ethnic majority congregation) is encouraged.

#### CURRENT PROJECTS

- Development of the Larger Parish Concept
  - a. Work has been enacted in the Demopolis area for realignment of Charges
  - b. Plans are conceptualized in the Montgomery District for said project
- Establish New Minority Local Churches
- Promotion of the Ethnic Local Church Concerns Committee is underway through local District Council on Ministries; sensitizing sessions; Church and District Rallies and other local church affairs. Pulpit exchanges have been encouraged. Literature has been sent to all local churches.
- Instrument(s) to gather proposals, evaluate, set priorities and measure results have been developed.
- The application for funding has now been revised and is available through local District Superintendents.

## COMMISSION ON THE STATUS AND ROLE OF WOMEN

The theme chosen by the Commission on the Status and Role of Women for the Conference year 1990-1991 was **The Role of Women in God's Plan**.

The Commission chose several avenues to use as they developed the theme. At the Conference Breakfast Chaplain Kathrine A. Shindel's sermon described how women were used in the Bible to carry out God's mission.

Members of Annual Conference were invited to a "Brown Bag Luncheon." During this time together COSROW members explained the work of the commission in carrying out God's plan. Visitors to the group met and talked with Clergywomen.

COSROW knows that one of its roles in God's plan is to call to the attention of others the plight of poor women. A majority of the people living below the poverty line in the United States today are women and children. The Commission introduced a resolution at Annual Conference calling attention to the inequity of health care in the United States because of

the local of health care insurance. Although the resolution was sent to the Church and Society Commission for further study, COSROW believes that people are more aware of the problem and that they will express their concern.

The focus of Retreat '91 — "Looking Outward-Healing Inward" helped to empower women for their ministry and mission in the world through providing spiritual and educational support.

The Commission continued to challenge the church at all levels to be fully inclusive of women in all decision-making arenas of the local church.

## THE COMMISSION ON NEW CHURCH DEVELOPMENT AND REVITALIZATION

### Report No. 1

The Commission on New Church Development and Revitalization met three times during the last report period. These times were: September 29, 1990, January 11th and 31st of 1991. The purpose was to take a new look at the work and direction of the Commission, set plans for future work and receive grants request from the various districts of our Conference.

There are proper grant request forms for both New Church Development and forms for Revitalization. These forms were sent to each District Superintendent for review and are available from the Chairperson of the Commission. All forms that were properly before us this year were acted on and all requests receive some assistance from the Commission on N.C.D. and R. It has been our policy that checks not be written by the Foundation until the church requesting the funds is ready to disburse them and that the District to which the grant is given be given six months to use the funds. A District may request a six month extension on the use of grants made. It is the policy of the Commission to prioritize new requests and give weight to the top priority. However, this year the requests were all for help to get first unit buildings started on properties which has already received some help in establishment. These will be itemized later in this report.

The funds received from the Capital Funds Drive and from the Endowment II interest were originally intended to be seed money to assist in the beginning of new churches. In no case has it totally funded a project. We are proud of the work that this Commission has accomplished and pray that funds come in so that the work of this Commission can see more new congregations develop from your generous response to a desperate need in our conference.

The requests received and our response to them during this conference year are as follows:

Revitalization:	District:	Asked:	Granted:
1. Westview Heights	Dothan	\$15,000	\$ 7,000
2. Grace U.M.C.	Mobile	\$ 5,000	\$ 4,000
3. Benson Circuit	Montgomery	\$10,000	\$ 3,000
New Church Development:	District:	Asked:	Granted:
1. Woodbine	Pensacola	\$24,000	\$20,000
2. Bayou George	Marianna/P.C.	\$12,000	\$12,000

These grants were approved from funds available from the Methodist Foundation funds [1] Development Grant funds of \$26,502.10 and [2] Endowment Fund II interest of \$20,117.00.

## Report No. 3

Our continued efforts for education and expansion of our new congregational development will be seen this year through the efforts of the Task Force related to this commission. This will bring about some new approaches and reorganization that would help in the continued work of the commission. We thank the members of the Task Force, Bishop C.W. Hancock, and the members of the Commission who have worked to guide and assist new churches to get their start. Some most gratifying results are visible in Perdido Bay, Bayou George, Emmaus and others.

On January 31-February 1 of 1992 we will host a special Conference-wide seminar to enlist our knowledge of and effort in the development of New Congregations. It will be led by David Brazelton of the General Board. We always need your support and efforts in the work of this Commission.

Respectfully submitted,  
Norman S. Carr, Chairperson

## COMMISSION ON ARCHIVES AND HISTORY

## Report No. 1

The Commission on Archives and History provided a variety of accomplishments and achieved many objectives during the year. This Commission is responsible for the historical collection and maintenance of our conference materials and local church records, as well as many other items as can be read in the report within this report of the Franklin S. Moseley Depository and Conference Archivist.

Many of our conference churches and charges celebrated anniversaries this past year. And the Local Heritage Committee of this Commission presented the First Historical Church Award for the year 1989 to the Eufaula UMC, Eufaula, Alabama. Certificates of Recognition were also presented to churches for their milestone celebrations during the year. Dexter Avenue UMC, Montgomery; Dauphin Way UMC, Mobile; and Salem UMC, Graceville, Florida. This year this committee will present an award for the Historical Church for the year 1990, and also Certificates to others.

Again, the A&H Commission pleads with local churches and charges to make their histories available to us and to coordinate with their District Historical representatives and Superintendents their records and plans for celebrations. All information necessary can be obtained from the Depository at Huntingdon or through the Commission Chairperson. Please contact us.

The 1990 Memorial Service and Holy Communion was conducted during the first day of the Conference with the Reverend Doctor John Vickers, a retired minister of our conference

as the Memorial Sermon preacher. His outstanding message was inspiring and timely for all of our families and others who attended. The families of our deceased ministers and widows or spouses were also again guests of the Conference and Commission for the noon meal in the dining facility with the Bishop and others. We continue to provide GraveMarkers for our deceased ministers to be placed on their Graves at no cost. Several churches and districts have located resting places of members of our conference that do not have these markers and have obtained them and placed them on their Graves. We do request that when doing this that those doing it pay the cost of the marker, which is \$25.00. These can also be obtained from the District Superintendents or the Commission.

Several Conference Churches reported celebrating Heritage Sunday in their respective places this past year. We encourage every church and/or charge to be aware of this date and to plan a celebration for it. This year the theme was "CELEBRATING OUR HERITAGE OF . . . ASSURANCE," held on April 28, 1991. For April 26, 1992 it is " . . . ITINERACY." The General Commission provides and issues this statement that, "Heritage Sunday shall be observed in April of each year." Please make every effort to share this event with our people.

The Second Historical Convocation of the General Commission and Conference Commissions will be held in Detroit, Michigan the last of June and first of July 1991. The SEJ Historical Society will meet in June at Wilmore, Kentucky and interested persons may contact the Conference Commission on A&H for more details and registration. Following this report are the reports of the Local Heritage, Records, and Archivist (Depository) committees and a special Tribute to the BIG CREEK UNITED METHODIST CHURCH of the Dothan District that observed their 200th Anniversary of formation with a celebration on March 25, 1990. Bishop Hancock preached at this celebration service and a 200 page pictorial history was shared. Also a dedication of their new parsonage was made during this event. Other churches have reported great celebrations for various numbers of years in ministry and many have reported outstanding year long events to celebrate. We encourage these to submit their histories and activities to the commission and to the Heritage committee for consideration for our Heritage Award.

The Archives and History Commission has as its center the Franklin S. Moseley Depository, in the library of Huntingdon College, our Conference Archivist is Mary Ann Pickard, and she or some of our volunteer workers are there most every day during the week. If you or your church would like to bring vital historical material by for safe keeping, or to obtain information concerning proper storing and saving of this material please contact them or the Commission.

Our past will never be available or read by the future if we simply allow it to be destroyed or discarded. Many dedicated church secretaries and charge conference recording persons, pastors too, simply say "that's not necessary to keep!!" and thus it is lost. Please help us provide a file for every church and charge in every district for our future.

Also, a kind reminder to PASTORS, active, retired we need vital information on you and your families. Many of your records are incomplete and this creates problems for the commission when it is necessary to do many things especially Memorials or family documentations. Of course all information is treated with respect and privacy but if you do not know what we have or have not updated your information please contact the Depository.

Please help us to present the glory of the ages to the future families of the Alabama-West Florida people called United Methodists by sharing the history you and others have created.

Leonard Shults, Chairperson

#### Report No. 3 — FRANKLIN S. MOSELEY DEPOSITORY

My report for the calendar year 1990 is organized around the job description of an Archivist to show how I have fulfilled my responsibilities.

A. I have acknowledged receipt of fourteen sets of materials (Accessions MC168:90-MC181:90) transferred to the depository, have noted the quantity, type, and condition of the material, and have made an inventory of each set of records. In addition to processing these accessions, I have done a lot of supervisory work on the Rare Book Collection of Huntingdon College. Fortunately, the student aid office assigned Miss Donna McGee to the Special Collections Department, and she has done most of the work.

B. I appraise records according to retention schedules which determine which records shall be preserved, held for a period of time, or destroyed. A goal for 1990 was to publish a general retention schedule for records created by most agencies. This retention schedule has been created, circulated for suggestions, and is included below as part of this report and as part of the consent agenda to be approved at this session of the conference. Agencies can appraise their records using this retention schedule before transferring them to the Depository, sending only those records that are archival.

C. I have prepared and arranged records for permanent storage, removing harmful materials such as rusting paperclips and staples and placing the records in acid free file folders and document cases. I have cataloged the folders and document cases to enable quick and easy access to the records.

D. I have described each record series and will include these descriptions in the subject indexed Accession Register, the primary finding aid for locating records in the Depository.

E. I have provided reference service by phone, letter and personal visits. During 1990 over sixty inquiries (55 in 1989) have been received by letter and telephone wanting information on churches and individuals. Eighty persons (fifty in 1989) have visited the depository to do research.

F. I have helped local churches learn how to preserve records and compile their histories. The most help this year was to the Saint Francis Street Church. Miss Helen Depuy visited the depository for a week and bought acid free document cases and file folders to store the

church's records in its heritage room. I have sent the syllabus I prepared for the 1989 Mobile District officer training to several people requesting help.

G. As administrative officer of the depository I have recommended budgets and disbursed funds within the budget; have supervised a student assistant and three faithful volunteers, Ida Grace Gastinger, Adele Warner and Glenn Massengale (I am the only paid employee, the "Lone Arranger" for the depository), and have managed the day to day operations, acting as my own secretary and computer operator.

H. I participate in other activities of the Commission on Archives and History such as the memorial service luncheon for families of the deceased, the Wesley Heirs breakfast, and the annual historical awards program.

Let me again express appreciation for the opportunity to serve our Lord in this particular ministry.

Respectfully submitted,  
Mary Ann Pickard, Archivist

#### GENERAL RETENTION SCHEDULES FOR RECORDS, JUNE 1991

The purpose of a General Retention Schedule for Records is to provide general guidance in appraising archival records by indicating whether certain records should be destroyed, kept for a period of time before being destroyed, or preserved permanently, and also whether they should be restricted for a period of time or restricted to particular persons. Boards, agencies, committees, offices, and officers of all organizations create and generate similar records: (1) Financial and Accounting Records; (2) Administrative and Office Records; (3) Property Records; and (4) Personnel Records and Personal Papers. Each agency may appraise its records as to their archival value with these general guidelines. Many will need to add records which are not mentioned in this schedule.

#### EXPLANATION OF HEADINGS IN SCHEDULE

**RECORDS TITLE/DESCRIPTION:** Identifies the records by title and type with a brief description of records.

**RETENTION REQUIREMENTS:** Gives period of time that records should be retained.

*Total Years:* Gives total number of years record is to be kept. "Permanent" indicates archival records. A number indicates the number of years records should be kept before destroying. "Annual Review" indicates that records may be kept or destroyed at the end of the year at the discretion of the local office or officer.

*Years in Current Files:* Suggests the number of years an officer or agency should keep records in current files. In general, they should keep records for the quadrennium that they were elected for. Records passed on by the previous administration should be reviewed and evaluated using this retention schedule and disposed of accordingly. Some records, particularly financial records, need to be kept for longer periods of time before being destroyed. Such short term inactive records should be placed in a box that holds either legal or letter size files called "Banker's Box" or "R-Kive Box" or "Records Storage Box" with date of destruction clearly marked on front.

*Transfer to Archives:* Answered by Yes or No. If yes, send records to Depository. If no, records may be destroyed after being retained number of years indicated in retention schedule. There are some records that need to be kept permanently locally, for example property records, with copies sent to the depository.

#### PROCEDURE FOR DESTRUCTION OF RECORDS

Records to be destroyed should be placed aside and not thrown away until all records are appraised. Occasionally a record which seemed unimportant at first is later reconsidered. The Archivist or person appraising the records should notify the owners of the records of the intent to destroy records. The owner may wish to survey the records to be certain that no valuable records are inadvertently destroyed. Or the owner of the records may give the appraiser authority to make this decision. Such agreements should be in writing.

The Archivist or appraiser shall have authority to:

1. Separate out records that are part of other agencies than the one being processed.

These records may be accumulated in a holding area to see if they would be a valuable addition to the other agency's records before destroying them.

2. Destroy without consultation covers, binders, duplicate copies and any type of non-archival material (paper clips, staples, rings, scotch tape, etc.) that would be harmful to the records.

## BOARD OF LAITY

### Report No. 1

On January 2nd, 3rd and 4th of this year, your Conference Lay Leader met with the S.E.J. Association of Annual Conference Lay Leaders at Camp Simpsonwood in Norcross, Georgia. One of the highlights of our meeting was a time of dialogue and sharing with the S.E.J. College of Bishops. Our time together was not cluttered with a huge agenda, but rather one of utmost importance to the life of our Church. The implementation of the Bishops' Pastoral Letter, "Vital Congregations — Faithful Disciples," calling for our Church to deepen commitment to strengthen congregational life, and to seek God's vision for our Church.

The Board of Laity affirms the Bishops' concerns that Clergy and Laity work together in efforts for congregational vitality. It further supports our Bishops' call for partnerships in ministry between Pastors and Lay Leaders.

Therefore, be it resolved that the Alabama-West Florida Conference affirmatively responds and strongly encourages each local church to engage in a study of U.M.M., U.M.W., District Directors of Lay Speaking and District Youth Leaders.

The conference Laity Banquet will be held on Tuesday night, June 4th. The Keynote Speaker will be Mr. Bo Johnson. Bo is a State Representative from District 4, Milton, Florida, and is a member of First United Methodist in Milton.

Your Conference Lay Leader will be leading a District Lay Leader workshop at Lake Junaluska during the S.E.J. Laity Conference, July 25-28, 1991. Our theme for this year is "God's People Disciplined and Vital." It is a great conference and two of this year's speakers are our own. Bishop Hancock will be our platform speaker, and Dr. Karl Stegall will be our "Evangelistic Hour" speaker. For brochure and reservation information contact your District Lay Leader.

I have greatly enjoyed my first year as the Conference Lay Leader. It has been a tremendous challenge as well as a wonderful opportunity, and indeed an honor. With God's Grace, I will continue to seek his vision for the Church and pray for guidance and responsible action by His People.

Duane J. Keck, Conference Lay Leader

### Report No. 2 — UNITED METHODIST MEN

This has been a very good year for United Methodist Men in our conference. Our Chartered Fellowships now number 170, up from 85 just three years ago. We are the leading conference over the last five years in increase of Chartered Fellowships. Only three annual conferences have more E.M.S. members than does our conference.

United Methodist Men sponsored in 1990 a year of "READ THRU THE BIBLE IN 1990." We mailed out a large number of these forms to local churches and received many letters back from lay people who took part in the Bible reading. A certificate has been mailed to everyone who sent us their name as completing the reading.

Our Retreat in January 1991 was once again a great meeting. Dr. Ed Robb and Dr. Dick Sigler blessed us time and again as they preached to us during the Retreat. Joe Pat Cox and Larry Hanna blessed us as they led us in music. Pledges of over \$3,000.00 for support of UMM work were made by the men in attendance.

The United Methodist Men of the Alabama-West Florida Conference are undertaking the task of raising money and furnishing labor to build new churches in our Conference. We hope to raise \$100,000 per year and to build one new Church every year for the next ten years.

Our Conference Council of United Methodist Men and all our District Presidents have worked hard this year to get our work with men to go forward. I would like to thank especially our Bishop C.W. Hancock for what he has meant to our work in the time he has been here. He has been in attendance at every retreat we have had and has given much leadership to us. He also rode the bus with us two years ago to Purdue. I cannot tell you what it means to men to have their Bishop so involved in the work of United Methodist Men.

**WE GIVE GLORY TO GOD FOR THE PROGRESS THAT HAS BEEN MADE IN THE WORK OF UNITED METHODIST MEN!**

Robert L. Powell, Conference President

### Report No. 3 — UNITED METHODIST WOMEN

**FAITHFULNESS IN MISSION — REQUIREMENTS FOR A NEW CREATION.** This provocative theme for the Eighteenth Annual Meeting at Blue Lake has continued as the theme for 1991. The 11,000 plus United Methodist Women of the Alabama-West Florida Conference want to be faithful to the mission of the United Methodist Church and through that faithfulness, seek to initiate the new creation through personal growth and through opportunities for giving.

The Spiritual Enrichment Retreat, led by Gwen White, offered opportunities for personal growth using the theme "Blessed are the Merciful." With prayer and silence, the participants found inner peace and time to develop strength.

The Pledge to Mission offers the primary opportunity for giving. United Methodist Women is the largest single contributor to the budget of the General Board of Global Ministries. Through giving, United Methodist Women participate in the global ministries of the church. The Alabama-West Florida United Methodist Women pledged \$179,000.00 for 1990. The total undesignated giving sent amounted to \$181,818.13. The total sent to the Women's Division was \$226,521.52.

There continues to be growth through five new units organized in 1990. There were also 33 new subgroups formed in 1990. Our units held 403 mission studies during 1990. Statistics can be cold, but they reflect growth through these opportunities for service.

United Methodist Women continue to develop the creative, supportive fellowship and look to our Purpose to guide them.

Ruth Ann Powers, President

### Report No. 4 — COMMITTEE ON LAY SPEAKING

The Lay Speaker Program of the Alabama-West Florida Conference continues to grow. To grow in the Support and Assistance provided to our pastors, local churches, Districts and Conference. To grow in the number of individuals who have responded to God's call to serve through the Lay Speaker Program. Currently this involves approximately three hundred (300) members of the United Methodist Laity within the Conference.

We are also growing in the number and quality of services offered. Even the old stand-by Service Areas of Training, Speakers Bureau, Special Programs, Church Expansion, Seminars, Workshops and Pulpit Supply are changing through growth.

Two (2) typical examples are indicative of this growth. First, in the Training Service Area, there were ten (10) training sessions which included eight (8) Basic Courses and six (6) Advanced Courses. This total of fourteen (14) Lay Speaker Courses is four (4) more than last year. Also added were two (2) Instructor Training Courses and one (1) Instructor Technics Course. There were eleven (11) Lay Speaker Information Programs designed to inform pastors and laity on what the Lay Speaker Program is and does.

Second, in the Service area of Seminars and Workshops, Lay Speakers can develop a wide variety of programs to meet local church and local district needs. Visioning, Planning (to include short range plans, long range plans and Master Plans), Budget Development and Zero Based Budgeting have become more popular over the past two (2) years.

Two (2) new Service Areas are receiving an excellent reception. A Lay Speaker Revival Team created by one district has conducted twelve (12) revivals consisting of fifty-five (55) worship services. This Team can provide Greeters, Ushers, Worship Leader, Lay Reader, Message Presenter, Special Music, Music Director and pianist or any combination including the involvement of laity from the local church. Each Revival is planned with the guidance and support of the local church pastor.

The second new Service Area is that of Musical Programs. This includes gospel, spiritual, seasonal, Methodist Hymn, Musical Witness, single presenter or multiple presenter programs. Each of these options may include or exclude local church congregation participation.

The Third Annual Lay Speaker Training Weekend was conducted at Blue Lake Methodist Assembly on 5, 6 and 7 April this year. As in the past one (1) Basic Course and two (2) Advanced Courses were presented. The Advanced Courses this year were "Lay Speakers Grow Spiritually Through Daily Discipline" and "Lay Speakers Lead Small Groups." Our Lay Speaker Training Weekends are conducted in a Retreat Atmosphere. All worship services except the Service of Communion and Sending Forth are conducted by Lay Speakers. The

Annual Lay Speaker Training Weekend has become extremely popular and is firmly established as an annual event of the Alabama-West Florida Conference.

Lay Speakers served a number of churches on a short term basis. This provided support during periods when pastors were not able to serve their local church due to illness, surgery or some other cause. This capability provides an excellent resource for District Superintendents faced with a problem of this type.

Unfortunately, in spite of our efforts, all Districts have not fully implemented the Lay Speaker Program of the United Methodist Church. Changes to the Program approved by the General Conference of 1984 and reflected in *The Book of Discipline* editions for 1984 and 1988 as well as the "Guide For Conference And District Committees" have not been adopted. This revitalized and expanded Lay Speaker Program replaced the old concept in January 1985. Since that time this has been the only Lay Speaker Program of the United Methodist Church.

Those Districts which have not established Committees on Lay Speaking are denying themselves of the ability to certify, train or utilize Local Church Lay Speakers (LCLS) or Certified Lay Speakers (CLS). This precludes the establishment of Service Areas or the tremendous advantages available through the Lay Speaker Program.

The Alabama-West Florida Conference Lay Speaker Program continues to offer a comprehensive program of Support and Assistance to all of our Districts. This includes assessment of current status, assistance in program development, on site planning, training of Committee on Lay Speaking, conduct of Basic and Advanced Courses, interview requirements, record keeping, certification and guidance in special program development among the assistance provided.

The Lay Speaker Program continues to be an effective means of recruiting individuals to Christian Vocations. We have provided eighteen (18) pastors over the past five (5) years. Yet, our purpose remains twofold. First, to provide Support and Assistance to pastors, local churches, Districts and the Conference. Second, to encourage members of the laity to answer God's call to serve and take a more active part in the works of the church.

The Committee on Lay Speaking is pleased to report to the Alabama-West Florida Conference it is continuing to grow both in numbers of Lay Speakers and in the services they offer. The Program is a positive and dynamic force for the Alabama-West Florida Conference.

Respectfully submitted,  
Wm. Collier Martin, Sr., CLS  
Director for Lay Speaking

### **Report No. 5 — STEWARDSHIP REPORT**

The 1990 Annual Conference asked us to organize and sponsor workshops. To carry this out, I did research on what materials were available. We put together a 32 page study and resource book. This book was edited by Rev. Don Brill of the conference Program staff and was printed at Conference Headquarters.

One thousand copies were distributed to all nine districts in January 1991. In Pensacola and Andalusia, I led training sessions using the booklet.

This book will be very helpful to each local church. Every minister is urged to work with his or her Stewardship and Finance Committees using this book. To be effective, A Stewardship plan needs to be made early in the year and worked on all year.

After serving in this capacity for three years, I have resigned effective June 1, 1991. I am working as a VISTA Volunteer for Pensacola Habitat for Humanity as the Construction Coordinator building houses for low income families.

James E. Salter, Stewardship Chairperson

### **Report No. 6 — TRIBUTE TO A FRIEND**

On January 24, 1990, we laid to rest the body of Alberta Boggan. She was a faithful member of First United Methodist Church, Greenville, Alabama. Her spirit lives on in its eternal reward. She will linger long in our memories, hopefully helping us to have a more positive attitude and action. She loved her church and enjoyed its fellowship.

As I think back over them, few months of our friendship, several truths surface. All of them are positive and helpful to me. Perhaps they will be to you.

She was an upbeat person who faced life and death with a calm, deliberate, unshakeable faith. With God's help she was in control and very decisive in getting things in correct order. In a matter of fact way, she acknowledged the possibility of death. She expressed no fear of that experience. This would be impossible without a firm, unalterable relationship with Jesus Christ.

There was always a joyful countenance evident in her. When Sarah and I took her for a ride in the new van she was almost childlike in her expressions and so very proud of her involvement of \$17,000. in that project. Even on her lips, in death, there was an evident smile.

John Wesley, the founder of Methodism, lived by a motto which Alberta evidently adopted as her guide in life. He said, "Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can." Alberta was a person-serving person. She trained as a nurse and later studied in New Orleans Charity Hospital to become an anesthetist. Later, she opened the School of Anesthesia at the University Hospital in Birmingham. She was recognized nationally in her program. Untold hundreds of people entrusted their lives to her skill and care.

Mr. Wesley had another principle of life: "Make all you can, give all you can." Alberta willingly gave of her resources, mainly from investments, generously in her lifetime, to multitudes of causes through her church. She was especially concerned for persons in crisis situations who were helped through emergency funds, handled by the United Methodist Church. Her generosity will live on in the use of our new van and in the use of her home which was left to the Alabama-West Florida Conference, to be used for retired preachers.

The bulk (90%) of her \$1,304,717. estate was given to charity. Of this 90%, 75% was given to United Methodist churches, institutions and conference:

A. Churches

Cameron Chapel, Brantley, Alabama

Lovely Lane, Baltimore, Maryland

First United Methodist, Greenville, Alabama

B. The United Methodist Children's Home, Selma, Alabama

Blue Lake Assembly, Andalusia, Alabama

C. Retirement Homes of Alabama

1. Epworth, Selma

2. Wesley Acres, Decatur

3. Fair Haven, Birmingham

4. Wesley Terrace, Auburn

5. Wesley Manor, Dothan

D. Red Bird Missionary Conference, Beverly, Kentucky

We all will miss this quiet, generous, loving sister in Christ. We thank God for her life and example. We also thank God for Alberta Grant, her dearest friend. She introduced Alberta Boggan to United Methodist Church work far and wide in their travels. Her encouragement is beyond estimate.

Thomas J. Sheppard, Pastor  
First United Methodist Church  
Greenville, Alabama

## ALABAMA-WEST FLORIDA UNITED METHODIST FOUNDATION, INC.

The calendar year 1990 proved to be an exciting and pivotal year for our conference Foundation. By closing the year with \$10,730,000 in total assets we exceeded our ten million dollar goal by one full year. The year showed an increase of \$2,482,520 over our year end total for 1989 which demonstrated a 29.8% increase in total assets in trust or under management. While the total number of new trusts created was not as great as in some past years there were some large accounts which were placed with the Foundation by churches, individuals and some conference agencies. We now rank in the top 20% of all United Methodist Foundations in terms of total assets under management.

1990 may best be described as a year of transition for the Foundation as many significant events took place:

... the employment of the investment firm of Montag and Caldwell of Atlanta, Ga. to act as the investment managers for the bulk of the Foundation's trust portfolio.

... the election of a new leader as Mr. C.H. (Babe) McGehee took the office of President of the Foundation's board of directors.

... and an additional change in leadership as the Reverend Daniel A. Bailey submitted his resignation as Executive Director of the Foundation. After an exhaustive search the Foundation has employed Mrs. Terri H. Turner of Dothan, Al. as the new Executive Director to begin April 1, 1991. Terri brings an extensive background in investments and personal financial planning and has demonstrated the people skills that our Board feels are so vitally important to the continued growth of this stewardship ministry.

Dan Bailey will continue to work with the Foundation and the conference Development Fund in an associate/consultant capacity. The Board chose to recognize Rev. Bailey's contribution to our conference through his work with the Foundation by the following resolution which the Board requests be printed as part of this report and then made part of the 1991 Journal report.

As always you the members and delegates of the annual conference remain our most valued ambassadors and we implore you to continue supporting the Foundation's work and ministry. We as a Board, would also commend Bishop Hancock for his active participation and keen interest in the success of our work.

#### **RESOLUTION OF THE BOARD OF DIRECTORS OF THE ALABAMA-WEST FLORIDA UNITED METHODIST FOUNDATION**

WHEREAS, DANIEL A. BAILEY has been employed as Executive Director of the Alabama-West Florida United Methodist Foundation under Appointment of the Bishop since 1985, and

WHEREAS, he has brought to the Office of Executive Director his uncommon talents, energy and devotion resulting in the achievement of the goals of the Annual Conference at least one year ahead of schedule, and

WHEREAS, under his leadership and direction, the Foundation has grown to total assets in excess of Ten Million Dollars, serving the Ministry of the Church and the Annual Conference to the Glory of God, and

WHEREAS, Daniel A. Bailey has tendered his resignation as Executive Director to pursue and continue his ministry to others in another area, which resignation has been accepted by this Board with deep and profound regret;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE UNITED METHODIST FOUNDATION OF THE ALABAMA-WEST FLORIDA CONFERENCE OF THE UNITED METHODIST CHURCH, that said Board by the adoption hereof does express to Daniel A. Bailey its thanks for a job WELL DONE and does hereby commend him to all to whom these presents may come. May his ministry continue to grow and touch the lives of those with whom he works and may his love of God and His Church continue to shine in his life.

ADOPTED IN CHRIST'S NAME, THIS THE 12TH DAY OF DECEMBER, 1990.

C.H. McGehee, President

**ALABAMA-WEST FLORIDA**  
**UNITED METHODIST DEVELOPMENT FUND**

1990 was an excellent year of growth for our Conference Development Fund. Deposits increased by 193% to a total of \$2,492,000. This is a tremendous increase and shows that as the conference has gained knowledge of the purpose of the Fund, interest and participation has steadily increased.

With approximately \$1.4 million dollars invested in first mortgage loans across the Conference, we are now able to have a greater impact in the growth of our churches and the establishment of new congregations.

We continue to encourage every congregation to find a means by which their people can be educated about this exacting ministry. We continue to offer people an opportunity to "make a contribution without making a donation."

The Board's continuing agenda is to monitor both our deposit and loan rates to keep the best possible balance in attracting deposits and providing fair interest rates to churches needing to borrow money.

## BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

### Report No. 1 — PENSIONS, ANNUITY RATES, APPORTIONMENTS

For the year 1992 we recommend that the total annuity rate for service years prior to 1982 be two hundred eighty dollars (\$280.00) per service year as a minister or approved local pastor with pension credit; the total rate for surviving spouses be one hundred ninety-six dollars (\$196.00) provided that for those living in homes provided by the Annual Conference, the annual pension amounts be adjusted by a reduction of \$50.00 per month for ministers and \$35.00 per month for surviving spouse.

We recommend that the apportionment to the local churches for the pensions and benefit program of the Annual Conference be \$1,800,000 for 1992.

We call attention to paragraph 736.4 of the 1988 *Discipline* relative to the requirement that the apportionment for the pension and benefit programs be paid in proportion to payment of a minister's salary, and to the policy of the Board of Pensions charging defaults to ministers which constitutes a lien upon pension claims if not otherwise paid. Interest is added to other unpaid obligations at the rate of 7 per cent (7%) annually.

In determining the base salary for pension purposes, it is recommended that a maximum of \$3,600 be set for travel and \$3,600 for utilities. All other compensation to the minister shall be placed under "base salary."

We recommend that the present policy for eligibility, enrollment and participation in the DBP-Plus program be continued. Those who do not wish to be enrolled should contact the Pensions Office in Andalusia prior to November of each year.

(MPP Sections 4.1 (a) and 4.2 (g); CPP 4.1 (b) and 4.2 (h)).

The Alabama-West Florida Conference Board of Pensions is hereby authorized, at its discretion, to arrange with the General Board of Pensions for active participation in MPP by persons who are eligible under special rules but not automatically included as Active Participants. (MPP 3.2)

Any full or associate member appointed to a sabbatical leave may continue to participate in MPP, provided the Conference makes the required church church contribution based on the participant's annualized Plan Compensation immediately prior to such leave. (Disciplinary Paragraph 446; MPP 3.2 (b)).

Any full member appointed to attend school after having served under appointment for six consecutive years other than to attend school may continue to participate in MPP. The Conference shall make the required church contribution based on the participant's annualized plan compensation immediately prior to such leave. (Disciplinary paragraph 1606.3 (a) (4); MPP 3.2 (b))

The Alabama-West Florida Annual Conference Board of Pensions is hereby authorized, at its discretion, to arrange with the General Board of Pensions for active participation in CPP by persons who are eligible under special rules but not automatically included as active participants. (CPP Section 3.2)

All full and associate members appointed to Sabbatical Leave shall continue to participate in CPP, provided the Conference makes the required contribution based on 3.4% of the DAC. (Disciplinary Paragraph 446; CPP 3.2 (b))

All full and associate members appointed to Educational Leave shall continue in CPP with the Church contribution based on 3.4% of the DAC. (Disciplinary Paragraph 449; CPP 3.2 (b))

All full, associate, and probationary members appointed to maternity/paternity leave shall continue in CPP with the church contribution based on 3.4% of the DAC. (Disciplinary paragraph 449; CPP 3.2 (b)).

On January 1, 1992, the ministerial pension rate shall be \$280.00, and full time local pastors pension rate shall be \$280.00. Should the pension rate, as a percentage of the 1992 Conference Average Compensation (CAC), be below .9 of 1%, then the Annual Conference Board of Pensions shall be authorized, after consultation with the General Board of Pensions, to arrange to have the Past Service Pension Rate be the minimum dollar amount which would permit a 12% MPP church contribution rate. If this occurs, the required funding amounts may be different from the amounts listed below, and the Conference would be required to make the revised annual past service deposit. (Disciplinary paragraphs 1606.2 (b), 1606.7, and 1606.21 (a); MPP Supplement Section (f)).

In accordance with paragraph (e)(5) of Supplement One, the surviving spouse benefit shall be 70% of the participant's formula benefit.

In accordance with paragraph (f) of Supplement One, the unfunded liability as of January 1, 1992, has been actuarially projected to be \$3,735,811, based on the most current valuation and interest assumptions. Past service funding deposits are required to fund the unfunded liability and shall be in the amount and for the period shown below:

Amount	Period of Deposit
\$216,656	22 years
\$298,527	30 years

This annual deposit shall be made at the end of each calendar year as required by the General Board of Pensions. The past service deposits shall be transferred from the Alabama-West Florida Annual Conference deposit account to the past service funding account on December 31. If the annual cash flow requirement as determined by the General Board of Pensions exceeds the combined past service funding deposit amount, then the cash flow requirement shall become the required past service funding deposit. (MPP Supplement One (f)).

**Report No. 4 — CLAIMANTS MEMORIAL FUND**

We recommend the continuation of the Claimant's Memorial Fund, such funds being invested by this Board with the interest being used for the benefits of the Conference Claimants. Individuals and groups are invited to make voluntary contributions in any amount to the fund as memorials to deceased ministers, members of minister families, or lay persons. Checks should be made payable to the Alabama-West Florida Conference and sent to the Conference treasurer, Andalusia, with the name or names of persons being memorialized. Families of those so memorialized will be notified of such memorial gifts.

**Report No. 5 — SPECIAL APPOINTMENT PENSION RESPONSIBILITY**

In keeping with paragraph 1606.3a (3), 4g, 4h, of the 1988 *Discipline*, we recommend that those clergy appointed beyond the local church be approved for pension responsibility on this Annual Conference in the following full time appointments: the director of the Assembly Grounds Commission, the director of Noah's Ark, the director and associate of the Mobile Inner City Mission, the director of Hispanic ministries, and the Director of United Methodist Pastoral Care and Counseling, provided such appointments are made as members of this Annual Conference or under Para. 426.1 of the 1988 *Discipline*. The district superintendents,

ministers appointed to the Conference Council on Ministries and the Fiscal Office are approved with pension responsibility on the Annual Conference.

We recommend that special appointments to the United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the Armed Forces be listed with pension responsibility on the chaplaincy of the military service.

We recommend that ministers under appointment as approved evangelists, area appointments and other special ministries shall be listed with pension responsibility on this Annual Conference only upon payment to the Conference Claimant's Fund an amount equal to 16.4% of the DAC as determined by the General Board of Pensions. See paragraph 1606.3a of the 1988 *Discipline*.

By special arrangement those ministers on leave of absence or probationary members appointed to attend school may qualify for the Comprehensive Protection Plan (CPP) by a personal payment of 3.4% of the DAC to the Conference Claimants Fund. (See Addendum A.)

We recommend that special appointments to non-Methodist institutions shall be listed without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed with pension responsibility on the Board of Global Ministries of The United Methodist Church.

### **Report No. 6 — DEPOSITORIES**

We recommend that the official depository for pension funds shall be the same as that designated by the Conference for other Conference funds and the General Board of Pensions of the United Methodist Church.

### **Report No. 7 — PENSIONS FOR LAY EMPLOYEES**

We strongly endorse the Cumulative Pension and Benefit Plan (CPBP) and the Basic Protection Plan (BPP) administered by the General Board of Pensions for lay employees of United Methodist local churches and agencies. We recommend and urge our churches to use these plans provided by the Church to provide pension and death and disability coverage for our lay people who serve our churches.

Churches and agencies should contact the General Board of Pensions, 1200 Davis St., Evanston, IL 60201.

### **Report No. 8**

#### **FULL TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT**

We call attention to the following provisions relative to full time service, rendered prior to January 1, 1982, as a normal condition for pension credit which appear in paragraph 1606:4a of the 1988 *Discipline*:

A. Full time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part time service by a three-fourths vote of those present and voting in the Annual Conference, on recommendation of the Conference Board of Pensions.

B. Full time service shall mean that full time is devoted to the work of a pastor by one who has not attained the mandatory age of retirement for a Conference member, who is not attending school as a regular student, who is not substantially employed in non-pastoral work; and whose cash support per annum from all church sources is not less than the schedule of equitable salaries adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full time service as defined, except in cases of approved part time service.

### **Report No. 9**

#### **RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE**

WHEREAS, the religious denomination known as The United Methodist Church has and functions through ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Alabama-West Florida Conference is the appropriate organization to designate a housing/rental allowance for retired or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister, and thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference:

**NOW THEREFORE BE IT RESOLVED:**

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1992 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained minister of The United Methodist Church who is or was a member of the Alabama-West Florida Conference at the time of his or her disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency or institution of The United Methodist Church or any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

**NOTE:**

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

It should be noted that the above resolution applies only to the minister and not the surviving spouse.

### **Report No. 10 — SPECIAL GRANTS**

The Board recommends that the following grants be continued for the year 1992:

<b>Name</b>	<b>Monthly Amount</b>
Donald E. Montgomery	\$100.00
Mrs. Theo Rhodes	\$150.00

### **Report No. 11 — HOMES FOR CLAIMANTS**

We recommend that \$60,000 be apportioned for the Homes for Claimants program.

The Board asks for an additional year to study proposals for detailed plans for ending the Homes program. In cooperation with each district superintendent, persons from the Homes Committee will meet in each district with the ministers to discuss the overall proposal and to receive their input to it.

The Board of Pensions and Homes for Claimants now owns 48 living units for retired ministers and their spouses and surviving spouses of ministers. Seven units are located in Florida and 41 are located in Alabama. All but one of the units are now assigned to claimants. In addition to the living units assigned to claimants, the Board owns nine lots in Pensacola and a house in Ft. Walton Beach with a life occupancy trust. The proceeds from the Homes portion of the Capital Funds Campaign is pledged to pay the note on the property in Pensacola as well as other homes which were purchased in 1989 and 1991.

After considering the cost of developing the land and getting it ready to build on (installing water, electricity, sewer lines and paving streets to the specifications of the city), the Board voted to sell it and reduce the indebtedness. The land was purchased for \$152,000 and sold for \$180,000. Closing costs which the Board paid, such as recording fees, attorney's fees, realtor fees, and interest on the money borrowed to purchase the land was about \$2000 more than the difference between the purchase price and the selling price.

During 1990, repairs and improvements have been made on 30 of the homes. In all \$39,300 was expended on maintenance and repairs. Repairs, general maintenance as well as upgrading of the houses are done as needs arise and funds are available.

The indebtedness on property owned by the Board is \$300,000. This includes mortgages on five homes and on the vacant property in Pensacola. There is one annuity to which \$3,500 per year is pledged as well as a home in Ft. Walton Beach which the Board maintains as a Life Estate while the grantor lives there. The Board holds mortgages on property totaling \$15,000 as of December 31, 1990.

Invested funds which come from the Capital Funds Campaign, gifts, interest, etc. are as follows:

\$ 40,078 in a CD

\$398,090 from Capital Funds Campaign deposited with Methodist Foundation  
(As of December 31, 1990)

\$ 12,570 Funds from loan payments and miscellaneous income.

## GUIDELINES AND POLICIES FOR OCCUPANCY OF CLAIMANTS HOMES

- Priority for homes of the Board of Pensions and Homes for Claimants shall be for claimants of the Alabama-West Florida Conference. A claimant is to be defined as:
  - A minister who retires with a minimum of 20 years full-time service with pension credit on the Alabama-West Florida Conference and is receiving his/her pension.
  - A surviving spouse of an active minister with a minimum of ten (10) years of full-time service in the Alabama-West Florida Conference. He/she must have been married to the minister during the years of qualifying service. Exceptions may be considered in the case of death prior to 10 years of service.
  - The surviving spouse of a retired minister who was married to that minister at the time of his/her retirement.
  - Ministers who are placed on disability may be permitted to live in a Conference home, depending upon the availability of a home and subject to the prevailing financial charge for said home.
- Applicants who meet the above qualifications shall furnish evidence of need by completing the Financial Assessment form provided by the Board. Then the following priorities will be followed:
  - Years of continuous full-time service with pension responsibility on the Alabama-West Florida Conference.
  - Years of service in the Alabama-West Florida Conference under special appointment NOT under pension credit on said Conference, and as an active minister with pension credit on said Conference.

- C. Years of service as a spouse of a minister who has served a minimum of ten (10) years full-time service.
- D. Ministers placed on disability subject to 1.D above.
3. APPLICATIONS FOR CLAIMANT'S HOMES SHALL BE MADE NO LATER THAN DECEMBER 31 PRECEDING THE ANNUAL CONFERENCE OF RETIREMENT. In the event of death of an active minister prior to the date for home assignments being made, assistance shall be granted in providing temporary housing until all home assignments are made. If a home is vacant and available at the time of the death of the minister, the Board, at its discretion, may assign that home to the surviving spouse rather than providing temporary housing. Home assignments will be made by the Board at its Spring meeting from an evaluation of the total needs and the homes available. Requests for homes after the December 31 deadline will be considered on availability of homes after other home assignments have been made.
4. Claimants shall provide the following information to the Director of Homes:
- A. Name of claimant and immediate family members.
  - B. Number of persons to be housed.
  - C. Name(s) and address(es) of person(s) who will be responsible for the personal affairs in the event of disability or death.
- The Director of Homes will meet with the Claimant following assignment of the homes to discuss conditions of occupancy. A signed agreement between the Claimant and the Board is required prior to acceptance of the home.
5. The Board will furnish each home with a stove, heating equipment, refrigerator, and water heater.
6. NO repairs, alterations, or extensive painting can be done to any of the homes at any time except those specifically authorized by the Director of Homes. NO ONE can obligate the Board for expenditures without permission of said Board. Payments for repairs, alterations, or painting, not so authorized, will be the responsibility of the person contracting for such repairs, alterations or painting. A lien will be placed upon the pension of those who fail to assume responsibility for unauthorized repairs and alterations. MINOR MAINTENANCE AND REPAIRS UP TO \$50.00 WILL BE THE RESPONSIBILITY OF THE OCCUPANT.
7. Care must be exercised by the occupant in the erection of TV antenna so that existing property is not damaged.
8. No claimant who serves a church, under appointment, which has a liveable parsonage, will be provided a claimant's home unless said church pays to the AWFC Board of Pensions and Homes for Claimants a monthly amount deemed by the Claimants Homes Committee to be equitable rent for said claimants home as long as the claimant serves that church under appointment.
9. When a claimant vacates a home, he/she should release the home in writing to the Director of Homes, and remove all personal belongings by the end of the month in which the home is vacated.
10. Upon the death of a claimant, the heirs or responsible person(s) shall remove all personal property belonging to the claimant within thirty (30) days. All property left beyond 30 days will be disposed of by the Board.
11. When a home is not utilized by a claimant, it may be rented. However, when there is a claim for a rented house by a claimant, a minimum of 30 days notice will be given for the home to be vacated at which time the occupant must release the home. Homes are for the express use of claimants of the Alabama-West Florida Conference.
12. Claimants occupying a home for claimants will have their pension adjusted by a reduction of six hundred (\$600.00) dollars annually or fifty (\$50.00) dollars per month for MINISTERS; four hundred (\$400.00) dollars annually or thirty-five (\$35.00) dollars per month for SURVIVING SPOUSES.
13. Information and questions concerning the homes and related matters should be directed to: Rev. Gerald H. Maddox, Director of Homes, P.O. Box 700, Andalusia, AL 36420.

### Report No. 12 — HEALTH INSURANCE

The partial self-funded health insurance plan has been in operation just over 12 months. The first year's experience has been good. Of course, one year's good experience is but a beginning. The program needs several good years to allow the trust fund to build up a reasonable reserve which will enable the Board to do some creative things with the apportionment, the premiums, and the benefits.

On recommendation of the Insurance Committee, the Board of Pensions approved increasing the benefits by changing the co-pay from 75-25 on the first \$20,000 to 80-20 on the first \$25,000, the lifetime maximum from \$500,000 to \$1,000,000 per person, the yearly deductible from a maximum of three per family at \$250 each to a maximum of two per family at \$250 each, an increase from \$25 maximum per visit to \$30 per visit for mental/nervous coverage and contracted with Express Scripts to provide a prescription drug card that eliminates filing for prescription drugs if a participating pharmacy is used and if the covered person so desires. JRH Risk Services has been contracted with to serve as the third party administrator again this year. Family premiums have been reduced from \$209 per month to \$195 per month.

Due to Medicare regulations, coverage for the Medicare Supplement participants could not be increased this year. We are in consultation with attorneys who specialize in the area of Medicare rules and regulations as they relate to private insurance. The Insurance Committee is still working on providing partial prescription drug coverage.

The Board of Pensions and Homes for Claimants recommends that the appropriation for Health Insurance for 1992 be \$1,200,000.00 which represents no increase over 1991. In 1990, only 94% of the apportionment was received.

## BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

### Report No. 1 — COLLEGES

The Alabama-West Florida Conference offers support to two Church-related colleges — Birmingham-Southern and Huntingdon College. The Church works hand in hand with the colleges in enriching the moral, spiritual, and intellectual resources of the students. The following are the reports of our Church related colleges.

John Ed Mathison, Chairperson

#### BIRMINGHAM-SOUTHERN COLLEGE

Enrollment at Birmingham-Southern College for 1990-91 was 1902, which is within our enrollment goal of 1900-1950 students in spite of the heavy drag of a demographic downturn of 10% in college-age persons in Alabama. This total includes 1369 traditional-age day students, 431 in the evening Adult Studies program, and 102 pursuing the Masters in Public and Private Management degree. The average ACT (25.5) is the highest ever for Birmingham-Southern and remains the highest for any school in Alabama.

Almost 40% of our students are United Methodists. There are 100 Methodist Bicentennial Scholars whose \$3,000 per year scholarships are sponsored jointly by the College and the local churches of the students. There are four McGowan Scholars in pre-ministry studies whose \$13,000 per year scholarships are sponsored jointly by the College and the Highlands Methodist Foundation. Additionally, almost 200 United Methodists receive grants of \$500 to \$1500 from the Church Scholarship Fund.

Birmingham-Southern continues to emphasize moral and spiritual development by offering students four worship services per week in the chapel, Bible Study and discussion groups, choir programs, and service learning opportunities participated in by almost half of our student body, our faculty, and our staff. The Interim Term service learning group in 1991 went to Brazil to work with a Methodist missionary there for three weeks. Next year the project will return to Zimbabwe in Africa. Another travel group took students to Rome and Greece to follow the steps of Paul and Peter in their missionary journeys — although the Greece portion of the trip had to be cancelled because of the war in the Persian Gulf.

The facilities on campus have been greatly improved by the addition of two new buildings. The Bruno Residence Hall houses 200 women in state-of-the-art dormitory suites. The Stephens

Science Laboratories provide excellent facilities for Physics and Chemistry to complement the Olin Computer Science and Mathematics building that is now four years old. A new intramural athletic field and 306 new on-campus parking spaces have brought great relief to severe problems in student life.

The finances of the College remain strong with a balanced budget of \$25 million and an endowment of \$49 million, compared to \$5 million and \$15 million 10 years ago. The 21st Century Campaign to raise \$40 million in gifts, pledges, trust funds and will commitments has reached \$30 million and is continuing. \$800,000 of that has come from the church, and another \$7 million of it has come from individual United Methodist donors.

The assistance and cooperation of the church is needed more than ever in the task of recruitment of students and provision for student financial aid. In return, the church can expect the College to continue to develop leadership, character, and effectiveness in students who attend Birmingham-Southern.

### HUNTINGDON COLLEGE

As Huntingdon College began its 137th academic year the specter of war moved across the nation with thousands of young men and women being called up to serve in Saudi Arabia in OPERATION DESERT SHIELD. By October several students were called to active duty in the armed forces forcing them to withdraw from the college. Students returning for the spring semester 1991 found the United States deeply involved in DESERT STORM, the War in the Persian Gulf. It is anticipated more students attending Huntingdon will be called up for military service in the war with Iraq. A DESERT STORM support group for students with friends and family serving in the Gulf War has been established on campus by the Director of the Counseling and Career Development Center.

Last fall's entering freshman class, slightly smaller than the previous year, had the highest ACT average in recent years. The quality of the student body, the calibre of the faculty and the record of achievement of graduates continue to bring regional and national attention to Huntingdon. *Barron's 300: Best Buys in College Education* for 1990-91 lists Huntingdon among those colleges having the highest quality academic program at a price well below the national average. Of the total college enrollment 30 percent or 237 are United Methodist students which is above the average percentage on United Methodist-related campuses. Of those United Methodist students 73.4% are receiving financial aid totaling \$619,017.00. It is anticipated that the 1991-1992 institutionally funded needs for student aid will be 1,700,000 dollars. The 1,700,000 dollars is projected to be required above both state and federal appropriations which presently amount to another 625,440 dollars.

Of special interest to United Methodists in the Alabama-West Florida Conference is the recently established Marie Chapman Benson Chair of Religion and Philosophy. We are indeed deeply grateful to Mrs. Benson, an alumna of the Class of 1930, for her very substantial gift to endow this chair. Mrs. Benson's husband, the late Wilfred Benson, was a member of the college board of trustees. In addition to this endowment, Mrs. Benson, a member of the college Alumni Board, has contributed to her alma mater in many other ways as well. She had been active in the recruitment of students for the college and provided funds to purchase the pianos for Sybil Smith Hall housing Huntingdon's music department. Mrs. Benson is a life long member of the Geneva United Methodist Church.

Religious life on the campus continues as active as ever. The attendance at Wednesday Morning Chapel services is growing. Certainly a factor in its growth is the increasing number of faculty participating in the weekly services. This past year 15 of the 26 chapel speakers were members of the Huntingdon College faculty. Student response to this participation is both very enthusiastic and appreciative. Dr. Roger D. Johns, who chairs the Department of Religion and Philosophy at Huntingdon, has initiated a program of devotional study and spiritual growth for college students that expands upon the theme and guidelines of the Chrysolis program for high school students. The first college Chrysolis retreat was held at Noah's Ark in October with support and participation of a dozen different institutions. Through his involvement with the Chrysolis Community for high school students, Dr. Johns has encouraged the enrollment of six new students this year. Several of these new students are seriously considering full time church vocations.

The College continues to reach out to serve the Alabama-West Florida Conference through such activities as hosting the Annual Fall Rally for United Methodist Youth with more than

1500 in attendance. Community outreach is provided through concerts, lectures and other special events open to the public. One program which has been given little publicity in the past has been the campus Elderhostels held annually and attended by dozens of senior citizens from across the nation and involving classes taught by our college faculty.

Two items of special significance of the past year have been the approval for re-accreditation of the college by the Southern Association of Colleges and Universities and the visit to the campus by United Methodist Bishop Arthur F. Kulah of Liberia. In December the College Commission of the Southern Association of Colleges and Schools reaffirmed the accreditation of Huntingdon based on the report of a two year Self-Study and the positive findings of a team of visitors from peer institutions. Bishop Kulah, whose son Bartum is a Huntingdon student, spoke on the serious political problems in his native country at a special fall convocation held on the campus.

Encouragement of capable students by ministers and lay persons of the Conference and strong financial support from the Conference are necessary to the maintenance of academic excellence and sustained growth at Huntingdon College. We solicit the continued assistance of the United Methodist and local congregations in financial support and recruitment of students along with your prayers and good will. We deeply appreciate the support and encouragement of our presiding bishop, Bishop Charles W. Hancock, and his cabinet. It is through the connectional partnership of Church and College, that Huntingdon can continue its distinguished service to Christian higher education where students “enter to grow in wisdom” and will “go forth to apply wisdom in service” to both God and humankind.

**Report No. 2 — CAMPUS MINISTRY**

Campus Ministry is the church's presence on college and university campuses. Our Campus Ministries provide spiritual enrichment, encouragement and evangelism opportunities. Each Campus Ministry is unique to its own campus life. The following are the report from our Campus Ministries.

**LIVINGSTON WESLEY FOUNDATION**

Much is being said about the impending shortage of ordained Ministers in the United Methodist Church. One of the most exciting and satisfying programs we are involved in with other Wesley Foundations in our state is “Future United Methodist Leaders.” This program involves a commitment by the students to 1) three quarters (two semesters) of study about the United Methodist Church: its history, doctrines and polity; 2) participation in personal spiritual disciplines: prayer, Bible study, worship, etc.; 3) participation in some form of service ministry during the summer. Though the Livingston group is small (6 students), we already have three students who are seriously investigating summer service in churches or mission projects and one who is planning to enter the ordained ministry. We have just returned from a “Future United Methodist Leaders” retreat where 50 students from Wesley Foundations in north and south Alabama gathered to explore their gifts and graces and to think about where God is wanting to use them.

I am writing this report in January. With the onslaught of war in the Persian Gulf, our Wesley Foundation has become a place for increased counseling, a forum for issues revolving around the war, and a place of prayer. These students have never experienced war before. In many ways, Wesley Foundation directors have become chaplains for those who have family members involved in the conflict and those who still may have to go to the war.

This year for the first time we have an organized student council taking responsibility for the life of our program on campus.

Highlights of current year include:

**Major Fellowship Events:**

- Dinner on the Town..... (65 students)
- 50's & 60's Party..... (25 students)
- Christmas in November ..... (50 students)
- Valentine Dinner ..... (75 people)

**Spiritual Growth & Group Building:**

- Prime Time Revival..... (50 students)
- Monday Night Supper Club ..... \*(20 students)

Prayer & Meditation Time .....	*( 6 students)
4 Retreats and Conferences .....	(18 students)
Bible Study .....	(18 students)
Future United Methodist Leaders .....	( 6 students)
(*repeated events — average number is given)	
<b>Recreational Opportunities:</b>	
Intramural Men's Team .....	(19 students)
<b>Missional Outreach:</b>	
Habitat for Humanity .....	( 8 students)
Foster Children's Easter Party .....	( 6 students)
Special Olympics .....	( 5 students)

Our goals for the coming year include increasing our active participation by 25%, involving at least 10 students in events dealing with hearing God's call in their lives and developing some activity or event aimed at the commuter student.

**WESLEY FOUNDATION  
UNIVERSITY OF WEST FLORIDA  
PENSACOLA JUNIOR COLLEGE**

December, 1990, will mark our first official 14 months of operation, and we are excited with the results we have had and yet anxious to have it go even better. We began operating on a wing and a prayer with just four members, no facilities, no financial support, very little experience, a great deal of commitment and vision to see a need fulfilled. We have grown to a core group of seven reaching up to thirty and a desire to grow to a hundred or more.

The ministry during the Spring semester of 1990 did quite well but we experienced some difficulty in the Fall of 1990 in timing. We made adjustments to the schedule and things began to pick up. Participation and program is as follows:

EVENT	Spring 1990	Fall 1990
Worship	N/A	2
Bible Study	2 to 8	2 to 6
Fellowship night	N/A	2 to 7
Retreats	9	7
Concerts	2	3
Missions	3	3

The Wesley Foundation, with the assistance of the Pensacola District Lay Speaker Training Cadre, sponsored the first Lay Speaker program for High School and College age young adults. We had six, four college age and two high school age, young people attend both weekend training events for a total of twelve hours of instruction and 'graduate.' The Pensacola District now has six LCLS (local church lay speakers) who plan to attend the follow up training to become Certified Lay Speakers.

Our goals for 1990 were successfully completed and will continue with some additions. Goal one for 1990 will remain goal one for 1991: Develop a core group of active members. Goal two for 1990 will also be kept for 1991: Reach out to the student population to gain larger numbers. Goal three, due to the ever increasing funding problems for all campus ministries will continue to be a primary goal for years to come: Develop a financial base of support. Our fourth goal for 1990 was to add opportunities of worship, fellowship and missions. We did just that and plan to add to those opportunities for worship, study and service in 1991. Two other goals for 1991 were planned and as of this writing show exceptional promise for success. Develop a newsletter and other promotional materials was goal five for 1991. After the first issue of the newsletter in January, 1991, we have added eight new people to our Bible study which has more than doubled the Bible study. This also created some excitement among our established core group and new people and an enthusiasm for reaching more new people. Our sixth goal for 1991 of developing a music program by and for the students has drawn a lot of excitement and enthusiasm.

We look forward to each new moment for growth, study, worship and service and what those moments do for the overall discipleship of people to the Lord.

Bob Bailey, Director

## WESLEY FOUNDATION UNIVERSITY OF SOUTH ALABAMA

### Mission Statement

In response to the grace and call of God in Jesus Christ, the University of South Alabama Wesley Foundation is committed to faithfully serving this campus as an outreach of the United Methodist Church. In pursuit of this mission, the Wesley Foundation aims:

- at becoming a community which is devoted to addressing the developmental needs of the whole person for college students.
- within the context of higher education, to challenge students to reflect seriously about their faith, their lives, their priorities, and their commitments.
- as an agent of learning and service, to equip students with knowledge, skills, and opportunities that will foster the development of both personal and spiritual growth.
- as a community of witness and celebration, to proclaim the Lordship of Jesus Christ in all areas of life, in calling students to a personal commitment to Him, and in challenging students to a life of discipleship.
- as a community of care and support, to nurture students toward a balanced life of wholeness as they experience the meaning and value of a life that matters.

We take seriously our connection with both the local United Methodist churches and with the United Methodist Church as a whole. We also aim to work in cooperation with other denominational campus ministries. We affirm our United Methodist heritage, while at the same time are open and accepting of students from other areas of the community of the Christian faith.

These aims guide the spirit and content of the Wesley Foundation programs, studies, activities, and community endeavors.

At U.S.A. we have identified 220 United Methodist students. For a campus of over 11,000 there should be about 20% U.M. students. That would be 10 times the number we have identified. Discovering our constituency is a major problem, and we ask for help from all of our local churches in sending us the names of their students who attend U.S.A.

Over 100 students have registered with us indicating an interest in Wesley Foundation. This includes 22 Hispanic International. On a weekly basis, we average between 25 and 35 in our office, (not including Hispanics). We are working with a strong core group of about 30 who are dedicated and committed to the program.

We are proud of the new outreach to the Hispanic community on campus. Rev. Aida Walker is coordinating this fine program which will aim toward both personal and spiritual growth of these students. Special emphasis will be placed on leadership and citizenship development as well as fellowship.

Highlights of this year's program are listed below. An item in parenthesis means it is planned, but has not been accomplished at the submission of this report.

### WEEKLY MEETINGS

- Bible Study — average 12
- Lunch Bunch — average 10
- Prayer & Share — average 6
- Hispanic Ministry — average 12
- Future U.M. Leaders — 5 participants

### SPECIAL EVENTS

- Mission Projects have involved up to 20 participants
- Leadership Opportunities have involved 15 students

## TUSKEGEE WESLEY FOUNDATION

TUSKEGEE WESLEY FOUNDATION is a campus ministry which endeavors to bring together Methodist, as well as other students, on the campus of Tuskegee University. Our

presence is expanding on the campus with an office in the student union. We are available in that office 8-10 hours a week. After office hours on campus students are able to come to Bowen UMC or visit with the director at home. TWF is a local-church based campus ministry. This unique relationship has tremendous value for both the university and the local church. At the present, Bowen UMC averages between 8-10 students at its regular worship service on Sundays.

In the fall of each year TWF and Bowen UMC dedicate a Sunday to the Tuskegee University football team. In our "Blessing of the Team" worship service, various players assist in worship and one of them brings the message for the morning.

An outgrowth of a young adult Bible study is the establishment of "Career College Bible Study Class." At this study, career professionals interact with college students in short term Bible study. Another ministry of TWF is financial planning. Through our relationship with the office of financial aid we have been able to provide tremendous assistance to our students. At present we have 15 students enrolled in the ministries of TWF. Our future is bright, the challenge now becomes raising adequate funds to support our ministry.

We are extremely grateful for the support given by the Montgomery District United Methodist Women and the Alabama-West Florida Conference and solicit your prayers and continued blessing.

Frederick G. Outlaw, Director

ALABAMA STATE UNIVERSITY WESLEY FOUNDATION

Alabama State University Wesley Foundation has entered its fourth year of ministry. Ministry and service opportunities include worship, Bible study, and leadership training. The nuclear student group remains small and yet the total outreach serves a cross section of students.

Alabama State University has undergone several changes in administration in recent months, and as a consequence access to the campus was interrupted during the Fall while the present administrative staff in Student Affairs re-examined policy related to the newly formed and resourced Religious Development Center. All on-campus activities were postponed for several weeks this Fall. It was determined in November that ASU Wesley Foundation and one other ministry would be allowed to have limited access to facilities. As a consequence of administrative decisions, the program focus was redirected to serving the needs of students in the dorms (several new dorms were added), and second career/commuter students whose presence on campus is generally at night. With the approach of Spring semester and the reconfirmation of the Religious Development Center as our base of ministry, meaningful service will be provided to meet the needs of the faculty, staff and student body. The University environment is eager for ASU Wesley Foundation to resume its leadership role in providing an atmosphere of religious enhancement to its community.

The Board of Directors of the AU Wesley Foundation made the difficult decision to discontinue the assistant director position. Funding for the position did not develop as hoped. Ms. Stacy Alverson has done an outstanding job and will be greatly missed. A long term commitment to campus ministry is needed in our conference to claim our young adults for Christ and for our United Methodist churches. With only 62% of the apportionment paid in 1990 many of our churches have not joined the effort to reach these young adults. For those supporting churches, we thank you and pledge out best!

**TROY STATE UNIVERSITY WESLEY FOUNDATION**

The 1990-91 school year has been a year full of changes. The students have had to adjust to the idea of a new Director and the loss of an outstanding Director and friend. Ted Spencer, the new Wesley Director came to this position mid-August with high expectations and anticipation.

**Goals For 1991**

1. Have a campus wide service or program.
2. Visit District Churches and take some part in the service.
3. Make an effort to introduce Wesley Foundation to sororities and fraternities.
4. Increase participation in all aspects, but mainly in spiritual areas.

Finding myself as the new Wesley Director I am looking forward to an inspirational year, through spiritual growth and understanding. I know that with faith in my Savior Jesus Christ we will grow.

**Report No. 3 — SERVICE OF TALENTS**

The "Service of Talents" is a conference program established for the purpose of informing, motivating, and challenging each church in the Conference for support of campus ministry. The "Service of Talents" is based upon Matthew 25:14-15. A second phase of the "Service of Talents" was adopted during the 1990 Annual Conference for each District to receive funds from BHECM to be distributed during District Conferences to the local charges.

Each charge, not church, received \$5.00 to invest through various programs throughout the year until the 1991 District Conference. Local church HECM work area Chairperson is to be responsible for the "Service of Talents" in the individual church. This includes interpreting and promoting the Conference Campus Ministry program.

Prior to the District Conference, District Higher Education and Campus Ministry representatives will inform the Charges of the procedure for collecting the "Talents." It is recommended that a special program of the 1991 District Conferences be planned for the recognition of the churches which were faithful in the use of the talents. The BHECM suggests the use of a campus minister or a group from a Wesley Foundation in the celebration.

**Report No. 4 — AFRICA UNIVERSITY**

The Africa University is a higher education mission of the church. The Annual Conference Board of Higher Education and Campus Ministries is its representative in the Annual Conference.

The general church must raise twenty million dollars to fund the building of the University. To achieve this goal, we must be faithful in paying the line item in our budget marked "Africa University" and also we can go a second mile in giving through advance specials designated to this cause.

Because of the importance of this mission, we are asking that each church designate one Sunday each year to lift up "Africa University." We are suggesting that this be done the fourth Sunday in July of each year throughout the quadrennium. Bulletin inserts will be made available to all who would like them.

**Report No. 5 — CAREER/LIFE PLANNING SUB-COMMITTEE**

The Career/Life Planning sub-committee of the Board of Higher Education and Campus Ministry has the responsibility of planning and carrying out activities that focus on the 1991 emphasis on the Call to Christian Vocations. The following activities are currently underway or planned:

1) **LifeQuest '91** — Scheduled for June 21-22, 1990 at Huntingdon College, and designed primarily for rising 9th-high school senior-age youth, this event, through the use of testing and outstanding leaders from a variety of vocational areas, will guide participants through the maze of choosing a vocational path. The goal is to help them discover God's call in all vocational areas.

2) **Devotional Booklet** — This inspirational booklet will feature life stories from a variety of clergy and diaconal members of our Conference. The theme of this booklet is the special call God places on some of us to be ordained and consecrated ministers. The booklet will be available at Annual Conference.

3) **"Anticipate the Call"** — A 12-minute video presentation, featuring a variety of persons interviewed about what it means to minister, coupled with a leader's guide for use in UMYFs, Sunday School classes, and other study settings, will be premiered at Annual Conference. "Anticipate the Call" will be available through the Conference office in Andalusia.

4) **Convocation on the Call to Ministry** — scheduled for January of 1992 at Blue Lake, this event will provide a weekend experience for those persons considering the call to full-time ministry within the church structure. Featuring outstanding leadership and the warm and inspirational Blue Lake setting, this event will be a superb opportunity for persons to learn more about God's call on their life.

The sub-committee, though small in number, has worked hard to prepare meaningful opportunities for all of us to consider God's call to minister in whatever vocation we are involved in. We particularly urge every local congregation and pastor to devote more time to seeking out those persons that God may call to minister within the structure of the Church. The sub-committee encourages us all to become involved.

Jerald T. Lipscomb, Chairperson

## REPORT OF THE TASK FORCE TO STUDY THE MOST DESIRABLE NUMBER OF DISTRICTS

The Task Force as elected by the Annual Conference of 1990, Mrs. Betty Baldwin, Ms. Jane Gullatt, Mr. Hardy Kimbrough, Mr. Will McRae, Mrs. Vera Moore, Judge Dale Segrest, Mr. John F. Sherrer, Dr. Vivian DeShields, Dr. Clifford M. Abbott, Dr. Stephen Dill, Dr. John Walter Ellisor, Dr. Rex M. Mixson, Rev. Lynn S. Nesbitt, Dr. Karl Stegall, and Dr. Roy Sublette, was called to an organizational meeting on October 8, 1990. Election of leadership resulted in Mrs. Vera Moore, Chairperson, Dr. Walter Ellisor, Vice Chairperson, and Mrs. Betty Baldwin, Secretary.

Two additional meetings were held to study the quantities of information gathered from district profiles, maps, census figures, General Council Statistics, district percentile factors, district administration fund figures, comparative figures from 1955-1990 as to number of charges relating to district administration figures, as well as membership growth trends annually from 1985-1990. Contacts were made and reports given from the Conferences of South Georgia, Memphis, Louisville and Mississippi.

At the final meeting, on February 18, 1991, the members brought back to the group results of assignments to the three areas of possibility: Fewer Districts, Nine Districts, More Districts. After deliberation the group reached consensus to the following recommendations:

### RECOMMENDATIONS

- A. The Task Force to Study Desirable Number of Districts recommends that we continue with nine (9) districts for the present.
- B. The Task Force further recommends that:
  - (1) In anticipation of continued growth in the Alabama-West Florida Conference a task force be created to study district lines and location of offices and residences, and that this task force report to the 1993 Annual Conference.
  - (2) The district re-alignment take into consideration both the projected growth in our Conference and *more* adequate ministry to and with the small membership churches.
  - (3) As the Conference experiences growth, consideration be given to the possibility of adding a tenth district within the next decade.

Part B. of our Recommendations is recognized and presented only as a recommendation. We understand that the Bishop's Cabinet has the disciplinary responsibility to name and establish district boundaries. (Para. 515.3).

The Task Force members express grateful thanks to all persons, within and without the Alabama-West Florida Conference, who provided facts, figures and expertise which enabled the group to fulfill the task as assigned by the Annual Conference. The Conference is in debt to a Task Force of members who enthusiastically dedicated themselves not only to meetings, but to many hours of home work gathering information, submitting reports and keeping an open mind until the facts were assembled and presented.

## COMMISSION ON EQUITABLE SALARIES

It is the purpose of the Commission on Equitable Salaries to support ministry in the charges of the Annual Conference by (1) recommending conference standards of ministerial compensation; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory materials on ministerial compensation to district superintendents and Pastor-Parish Relations Committees.

— *The Book of Discipline*, 1988 (722.2)

In keeping with the purpose stated above; the Commission on Equitable Salaries has established the following guidelines for its work of supporting ministry in the local churches of our Annual Conference. In extraordinary or special situations, exceptions to these guidelines may be made by the Executive Committee of the Commission.

1. Only full time pastors, retired pastors (as specified in paragraph 2), and student pastors are eligible for equitable salary support. These pastors must be certified by the Board of Ordained Ministry, approved by the Annual Conference, and appointed to a church or charge. Each pastor who is in good standing and who is appointed by the bishop to less than full-time service is eligible for Equitable Salary Fund in one-quarter increments. No associate or supply pastor shall receive salary support from this fund.

2. If the combined total of all income received from The United Methodist Church by a retired minister (plus his/her Social Security) is not equal to the equitable salary schedule, then the Commission on Equitable Salaries shall pay the difference up to \$2,400.00. To qualify the retired minister must be serving full time.

3. The *Discipline* requires that a fully scheduled equitable salary be paid before pension credit can be granted by the Board of Pensions. To participate in the Insurance and Death Benefit Programs the minister must have pension credit. Beginning January 1, 1989, to receive fully scheduled equitable salary for the minister's category, the church must pay 80% of the equitable salary schedule for 1990, except as defined in paragraphs 8-12 of this report.

4. The amount of equitable salary a minister is eligible to receive is based upon the total of his/her salary, travel allowance and utilities and other approved church related allowances.

5. No minister of any classification shall receive aid from the fund if he/she receives income from any other church source, if the income, plus salary from the charge he/she serves, is more than the equitable salary for his/her classification, except as provided in paragraphs 8 and 10 of this report.

6. No person qualifying for equitable salary which amounts to \$100 or less will receive any equitable salary. The Commission expects the local churches to take care of this amount.

7. We recommend that no minister serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable salary unless there is no appointment available for him/her in the Conference and he/she is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the minister shall not be considered sufficient reason to receive equitable salary aid.

8. The Commission on Equitable Salaries recognizes there may exist from time to time certain situations within our Conference where special funding consideration beyond the stipulated requirements may assist a church to become self-sustaining more quickly. In such situations, a supplement, determined by the Commission on Equitable Salaries, above the regular equitable salary, may be given the minister; provided the money is available for the purpose. Normally no situation will receive this special consideration for more than three years. Such cases will be called Growth Potential Situations. In order to be considered every case will be evaluated by certain criteria, such as: growth potential, leadership requirements, age of church, and indebtedness. The final determination will be made in consultation with the Board of Missions.

9. Ministers of newly organized congregations can for four years receive up to 3/5 of the equitable salary schedule from this fund. The Commission suggests to the cabinet that consideration be given to ministers with background in church growth development.

10. In case of cooperative parish ministries or specialized ministries, the District Superintendent may recommend that the Commission on Equitable Salaries, in consultation with the District Board of Missions, give consideration to supplementing the salary of a minister/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary support.

11. The Commission on Equitable Salaries recognizes that there may exist from time to time hardship cases, which should be considered for financial assistance. Sensing a need for such assistance for a charge, the District Superintendent should assess the situation, hold the Charge Conference before the November meeting of the Commission on Equitable Salaries, and present the findings to the Commission upon whom rests the final decision.

12. To motivate churches toward the goal of total pastoral support, the Commission proposes to give the minister 60% of any salary increase above the amount currently paid by the church after the minimum support required for his/her category has been reached. This would apply to the charge which he/she is serving at the beginning of the payment period, January 1. This supplement will be based on the yearly increase of the minister's salary. The Commission recommends that the cabinet consider this cumulative amount as part of the salary when appointment is made to another charge.

13. The Commission recommends that all charges receiving equitable salary assistance develop and continue a program with a goal to eliminate dependency on salary supplements for their pastors. An annual report of this program shall be submitted through the District Superintendent to this Commission.

14. The District Superintendents are required to review all equitable salary situations in their districts to ascertain the necessity for such funds and whenever possible seek to reduce the need for this supplement. No charge shall receive equitable salary assistance when divided unless the Town and Country Commission has surveyed and recommended, and the Commission on Equitable Salaries has approved the division. The Commission recommends that churches or charges, to be eligible for equitable salary aid, should consist of a minimum of 100 members per charge, except in the case of a new church.

15. It is the responsibility of the District Superintendents to follow the guidelines set forth by the Commission when recommending pastors for equitable salary funds. Also, the District Superintendents shall be responsible for the accurate completion and submission to the Secretary of the Commission the forms provided by the Commission for this purpose. The secretary shall not issue check orders for equitable salary funds until all criteria have been met. When the status of a pastor receiving these funds changes, the District Superintendents should immediately file with the Commission the changed status.

16. The Commission requests that the Council on Finance and Administration recommend to the conference the estimated amount required to support the schedule of minimum salaries and salary supplements for the pastors, as adopted by the Conference.

17. The Secretary of the Commission on Equitable Salaries shall file with the Assistant Secretary of the Journal for publication in the Conference *Journal* each year a report listing the payments from the equitable salary fund during the year, giving names of the pastors and charges, and amounts paid to each. This report is to be made by June 30, following annual conference for the past calendar year.

18. The Commission recommends the following Equitable Salary Schedule for 1992:

Category	Minimum Salary 1992	Minimum from Churches - 80%
Members in Full Connection	\$20,500.00	\$16,400.00

## ASSEMBLY GROUNDS COMMISSION (Blue Lake Camp)

Your Assembly Grounds is one of the most beautiful and best equipped in the Southeast. It is in constant demand not only by our own people but by those of other denominations and groups. This ministry is an ever expanding one and we are grateful for the support that we get from our people. The facilities at Blue Lake continue to be used widely by conference boards and agencies, committees, districts and local church groups. Non-Methodist groups make use of the facilities when they are not reserved by Methodist groups.

The policy of Blue Lake concerning reservations is as it has been for several years. Conference boards and agencies and district and local church groups are urged to plan and schedule their retreats early. When groups are small an effort is made to schedule more than one in Oakwood in order to accommodate more groups. Conference groups have until October first to schedule their activities for the three months of June, July and August. After the first of October, non-conference groups will be scheduled if dates in the summer are available.

Each year we have groups that cancel their dates at the last minute. This poses a real problem for your assembly grounds. If a group cancels two months or less before their scheduled event, it is too late for another group to use it. Cancellations also result in the loss of revenue for the camp. The everyday expenses continue and the loss of one week's revenue makes it difficult to meet its financial obligations. All groups are urged to give the Lake two months notice of cancellation if possible.

The Blue Lake Fund is the life line of the Blue Lake ministry and without the continued support of the local churches through their budgets we cannot make it. Therefore, we urge each of you to accept and pay "in full" the Blue Lake apportionment.

The financial support of the United Methodist Women of the Alabama-West Florida Conference has made many of our facilities at Blue Lake possible. Their continued support in helping to further develop our Methodist assembly is greatly appreciated.

Blue Lake is your church camp and your church should use it as often as possible. Large, small, or in-between, your church group is welcome and at home in this beautiful setting. Bring groups for retreats and send every person you can to the camping opportunities.

The Blue Lake ministry is a great one and it is a rare privilege to have a part in it. Your cooperation, support and understanding is greatly appreciated.

## SOUTHEASTERN JURISDICTIONAL ADMINISTRATIVE COUNCIL

The report of the Southeastern Jurisdictional Administrative Council is one of gratitude to the United Methodist women and men of the nine southeastern states. You are the key to our ministry and our reason for being. Our gratitude goes out to you for your attendance at the program events sponsored by the agencies, associations, fellowships and organizations related to the Council. Our gratitude is extended to you for your support of the Jurisdictional Administration Fund and the Missional Fund. Although the percentage of payments have decreased slightly, we recognize that without these contributions from you we could not be in ministry. The leadership of the Council continues to be concerned about the decrease in percentage paid on apportionments at all levels of the denomination and encourages each local church to consider prayerfully these commitments. Thank you for all that you do to support our ministry.

The remainder of this report will detail our stewardship of the resources you have entrusted to us. One of the primary responsibilities you have given to us is the task of developing creative and helpful programs to strengthen and enhance the ministry of the United Methodists in local congregations, districts, and annual conferences in the jurisdiction. This has become more difficult as many annual conferences and districts are developing their own programs of leader development causing a decrease in attendance at jurisdictional events. However, some of the programs continue to draw significant numbers of conferees. Among the more popular events are the youth events, UMVIM Rally, Music Week, Ministers Conference and Leader Development Center, Prayer and Bible Conference, Camp Meeting, and Older Adult Conference. Many other events are planned during the summer and throughout the year. The purpose of all of these events is to equip our United Methodist people for their ministry wherever they are. Dr. Israel Rucker will retire in June as the Associate Executive Director for Program. A successor will be chosen in the Spring.

Most of our jurisdictional events are designed to be held at Lake Junaluska, our Assembly grounds. We continue to upgrade the facilities at Lake Junaluska. During the past 12 months, a laundry has been installed in the basement of the Jones Cafeteria, vinyl siding has been installed on the Colonial Inn, and rebuilt windows have been installed in Shackford Hall. Plans are being developed for the renovation of Stuart Auditorium during the fall/winter of 1991-92. At the meeting of the Administrative Council in November of 1990, a decision was made to install television sets in the rooms of Lambuth Inn, Terrace Hotel, and Lakeside Lodge. Those units will be in place by the end of 1991. In February of this year, we contracted with Marriott Food Services to provide the management of the Food Service for Lake Junaluska. They have served us quite well, and we are pleased with this decision. We continue to work on the dredging of the lake with our own dredging system. The hydroelectric project is now ours. It was awarded to us in the settlement of the bankruptcy of the contractor who had leased the project. The project should be completed so as to begin generation by the end of June.

The six agencies owned and operated by the jurisdiction continue to provide exceptional ministry to persons in the name of Jesus Christ. Hinton Rural Life Center has completed a very successful capital funds drive and has completed the first phase of an extensive building/renovation project. Phase Two of this project will begin in the Fall of 1991. The Commission on Archives and History (Heritage Center) is involved in many projects of preserving the heritage of the United Methodists in our region. The Commission on Communication (Protestant Hour) has had a very successful year and is advertising for the 1993 speaker who will be from the Southeastern Jurisdiction. The Intentional Growth Center continues to develop creative and innovative programs for personal and professional development. The IGC will sponsor sixteen (16) Elderhostel programs in 1991-92 in addition to their regular program. A special relationship has been developed with the "Born Free/Stay Free" drug prevention program. SEMAR, the Southeastern Methodist Agency for Rehabilitation, is working with a number of the annual conferences in developing residential care facilities for mentally retarded adults. Exploration is presently being done on the feasibility of a similar facility for persons suffering from AIDS. The United Methodist Volunteers in Mission (UMVIM) continues to be a very popular program. Thousands of persons from the southeast participate in UMVIM projects each year both overseas and in the United States. We are pleased to share in the ministry of Gulfside Assembly, too. Although we share Gulfside with the South Central Jurisdiction, we are excited about its rebirth as a place of United Methodist meeting and conferencing.

Our financial picture continues to be stable as we work to strengthen our endowments and our maintenance reserve funds. Both of these funds showed significant growth in 1991. The Maintenance Reserve Fund is \$287,409 and the Endowment Fund grew by \$1,125,197 to \$2,969,370. The financial picture for 1991 does not look too encouraging and our management team is committed to careful operations. We are doing our best to be responsible stewards of the resources you have entrusted to us.

Several staff changes have been made during 1990-91. The Reverend M. Glenn Martin has assumed the position of Associate Executive Director for the Lake Junaluska Division. Ms. Marie Grasty resigned as Director of Public Relations and Development. Ms. Joetta Rinehart has been promoted from Director of Food Service to the office of Director of Public Relations, Marketing, and Development. Ms. Jeanne Page retired after 40 years of faithful service to the Council at the Atlanta office.

As I have reported on our stewardship of that which you have entrusted to us, let me suggest ways in which you can help us be even better stewards.

1. We need you to attend the program events offered by our Program Division and our agencies.
2. We need you to pay your Jurisdictional Administration Fund apportionment.
3. We need you to pay your Missional Fund asking.
4. We need you to contribute to the Junaluska Associates.
5. We need you to contribute to the Endowment Tree program for maintenance endowments and to other endowments for our agencies and divisions.
6. We need you to remember the Council, Lake Junaluska, or one or more of the agencies in your will.

7. We would like for you to bring a group to Lake Junaluska during the winter or early spring. Let us work with you to plan a program. Special rates are available during this off-season period.

8. We need your suggestions as to ways in which we can make our ministry more effective and more helpful.

9. We need you to pray for us and our ministry.

Thank you for your support of the ministry of the Southeastern Jurisdictional Administrative Council.

Reginald W. Ponder, Executive Director

## COUNCIL ON FINANCE AND ADMINISTRATION

### Report No. 1 — ORGANIZATIONAL STRUCTURE

We recommend that:

1. The Fiscal Office tabulate church by church, fund by fund, the information given on the remittance blanks for the conference depository.

2. The First Alabama Bank of Covington County be designated to serve as the conference depository to receive funds and keep specified records.

3. The Fiscal Office prepare reports as required by the Council on Finance and Administration and mail copies to persons who may need such reports.

4. The Fiscal Office disburse all checks pertaining to every fund and keep the proper files of the copies of the check orders from the secretaries authorizing the issue of such checks. We further recommend that the copies of the checks issued be filed after having been charged against the account upon which they have been drawn. It shall be the duty of the fiscal officer to keep the records, make the reports, and handle all financial transactions of all the conference agencies.

5. ALL DISTRICT AND CONFERENCE FUNDS be channeled through The First Alabama Bank of Covington County, and records be kept by the Fiscal Office of the conference.

6. The duties of the fiscal officer be combined with those of the executive secretary of the Board of Pensions and Homes for Claimants, and other responsibilities assigned by the Council on Finance and Administration.

7. Beginning with the 1992 quadrennium we recommend that the office of the statistician be combined with the Fiscal Office and that the Fiscal Office provide all functions now provided by the Statistician.

### Report No. 2 — RULES OF PROCEDURE

1. The Council on Finance and Administration shall meet prior to Annual Conference and during the conference session as needed. A mid-year meeting and a spring meeting of the Council shall be held. Other meetings shall be on call of the president of the Council.

2. All persons interested in presenting a request to the Council are invited to do so or to attend any of the Council meetings. All Council meetings shall be open to all interested persons, except when by majority vote the Council elects to meet in executive session.

3. Each agency, whose records are not kept by the Fiscal Office, is required to bond its treasurer, which may be done through the Council at no cost to the agency. Such agency shall provide a copy of its audit and other reports to the Council as deemed necessary by the Council. (Para. 713.2; 714.2 1988 *Discipline*). Reports to the Council shall be in such detail and provided at such times as the Council may direct.

4. The Council may withhold conference funds from any agency or board which fails or refuses to present proper bonds or audits. Such withholding shall continue until proper requests are met.

5. An audit of the complete financial status of the Annual Conference shall be published in the Conference *Journal*.

6. All boards and agencies are required to cooperate with the conference treasurer in the development of detailed financial reports of the income, expenditures and remaining balances, with these reports to be published in the Conference *Journal*.

7. The Conference Council on Ministries and all boards and agencies receiving funds from conference benevolences with budget amounts approved by the Annual Conference shall be allowed to withdraw funds or make expenditures on a monthly basis as needed. Funds available monthly will be equivalent of 91.66% (11/12s) of the allocation to the agency prorated on the basis of benevolence receipts of the prior year. Receipts for the first eleven months of the fiscal year will apply to the allocation with no check order honored in December of each year until solvency is determined by the financial office. Any expenditure more than the current balance in that account shall be cleared with the chairman of the Council and the executive director of the CCOM.

8. The Council shall make emergency program allocations from the Conference Benevolences Contingency Fund by a majority vote of the Council and the executive committee of the CCOM. The Council shall make expenditures derived from interest on investments of the current balances. Procedures for expenditures from the Conference Council Program Reserve account are contained in that report.

9. Before a financial appeal of any type is conducted by any institution, board, agency, commission, church or individual, complete plans must be presented to the Councils on Finance and Administration of each conference within the two Areas for an area appeal affecting both Areas, or to the Council for a Conference-wide appeal. (Para. 710.5, 1988 *Discipline*.)

10. The adoption of reports and recommendations of the Council by the Annual Conference shall become the final action of the Conference, and shall be accepted regardless of the adoption of any and all reports and recommendations of boards, commissions and agencies. An exception is made when there is a difference between the report of the Council and the request of the Board of Pensions and Homes for Claimants, in which case the latter shall take precedence.

11. In order to avoid the depositing of conference funds in any one bank in excess of the insured limits, the Council shall serve as clearing house for all agencies in the Annual Conference making deposits in any bank, either savings or checking accounts, and no such deposits shall be made by any agency without approval by the Council.

12. A Committee on Investments and Audits within the Council will be responsible for reviewing, approving, and supervising all banking relationships of the Council with special attention given to investments including conference agencies. This committee will also have responsibility for reviewing audits of all church agencies receiving funds from the Annual Conference. (Note rule 3 & 4 above).

13. We recommend that Thursday, June 13, 1991, be set as the official moving date for this Conference year. In the case of moving ministers, all June salary shall be paid to the newly appointed minister by the receiving church.

### **Report No. 3 — DISTRICT SUPERINTENDENTS**

We recommend that:

1. The salary of the district superintendents be set at \$52,075.00 for 1992 with travel expense paid on voucher from a travel pool not to exceed \$50,000. The rate per mile shall be adjusted by the executive committee of the Council as needed within the above total limit.

6. JOURNALS will be sold for \$10.00 each including cost of mailing. Those desiring spiral bound copies will be charged \$15.00. Order blank will be included in the BROCHURE OF REPORTS. All orders must be accompanied with check. The deadline to order shall be Noon on the last day of Conference.

### **Report No. 5 — POLICIES AND GUIDELINES FOR ANNUAL CONFERENCE REGISTRAR**

Standing Rule 8 of the Annual Conference makes the Council on Finance and Administration the Committee on Arrangements for the Annual Conference Session. In keeping with this, the Council on Finance and Administration has selected one person as conference registrar to supervise registration of and assignment of rooms to Annual Conference delegates; handle calls for persons attending sessions; supervise displays and allocations of rooms for such; handle reservations for meeting rooms and for dining areas.

In order to implement and prevent overlapping of authority, the Council on Finance and Administration adopts the following guidelines:

1. The Conference Registrar shall have full responsibility for interpreting the eligibility of those covered under Standing Rule 8 for entertainment at the Annual Conference Session. This may be appealed to the Council on Finance and Administration.

2. Chairpersons of boards and agencies who are not elected delegates and attend the Annual Conference in order to give reports shall have their expenses paid by their own board or agency.

3. Space and/or rooms to be used for displays shall be assigned by the registrar and no other. Space shall be assigned on a first come basis.

4. Use of dining halls, rooms or areas shall be determined by the registrar. Fees for dining rooms shall be paid by the group using such rooms.

5. No materials will be allowed on the registration table other than those necessary for registration. Other arrangements should be made to distribute materials through the registrar.

6. Commercial displays will be allowed only in a room assigned and publicized for this purpose with the exception of Cokesbury which will continue to have a room assigned only to it.

7. Special needs, such as hymnals, altar furnishings, projectors, etc. shall be arranged through the registrar at least two weeks before conference. Needs arising during conference which could not be anticipated will also be arranged through the registrar and not through the Huntingdon College.

8. There will be a charge of \$15.00 per person for all members who use Conference provided housing on the Huntingdon College Campus.

### **Report No. 6 — SPECIAL FUNDS AND COLLECTIONS**

We make the following recommendations for those causes for which no funds are allocated:

1. That our conference continue to give its hearty support to Advance Specials at both General and Conference levels.

2. That the White Christmas and fifth Sunday church school offerings for the Children's Home be given full support throughout the Conference.

3. That each local church observe World Communion Sunday, Human Relations Day, One Great Hour of Sharing, United Methodist Student Day, Peace with Justice Sunday, Native

American Awareness Sunday and that special offerings be received or budgeted for these special days.

4. That support for Golden Cross Ministries be given through a special offering on Mother's Day, and support for Homes for the Aging be given through a special offering on Father's Day each year. We further recommend that these be given promotion by the Board of Health and Welfare Ministries and supported by the entire conference.

5. That the Committee on Camping of the Board of Education be granted permission to make a selective appeal for funds to help underwrite the camps for underprivileged and special youth.

6. That the conference give full support to the Youth Service Fund.

7. That permission be given to the United Methodist Women to continue their efforts to secure funds for Blue Lake.

8. That the Jurisdiction Missional Growth Fund continue to receive the support of our conference. (Formerly, Junaluska Development Fund).

9. That permission be granted Huntingdon College to continue to solicit funds in its major funds campaign provided that there be no conference goals or quotas on any church nor solicitation of funds through the churches.

10. The Assembly Ground Commission be granted permission to solicit funds through its Blue Lake Partner program provided that there be no conference goals or quotas on any church nor solicitation of funds through the churches.

11. That permission be granted the Mobile Inner City Mission to establish "The Mobile Inner City Endowment Fund" to receive donations, gifts, subscriptions, and bequests provided that there be no conference goals or quotas on any church nor solicitation of funds through the churches.

12. We recommend that a Sunday in November be designated for receiving an offering for the Southeast Jurisdiction T.V. Ministry, 25% of which is to be retained within our Conference.

13. That the second Sunday in September be designated as "Camping Sunday" for Blue Lake Camp and an offering received be designated for debt retirement of the Camp. Special recognition shall be given volunteers in the camping program of Blue Lake.

14. That the United Methodist Children's Home be given permission to promote a Capital Funds Campaign in 1992, but that no quotas or goals be set for any local church. Funds shall be solicited on an individual, business and foundation basis.

The following funds are excluded from this service charge: General and Jurisdictional apportionments; special day offerings, including Mother's Day, Father's Day and Golden Cross Ministries; all Advance specials; Conference Claimants Funds; health insurance account, the Children's Home offering, and interests on Investments.

### Report No. 8 — STEWARDSHIP RESPONSIBILITIES AND LOCAL CHURCH CONCERNS

1. The Council believes that all apportionments are needed in the amounts apportioned. Further, the Council believes that it is within the capacity of the churches to pay the appor-

tionments in full. Effort has been made to hold the apportionments for which the Council has responsibility to level funding. There are instances of increases where absolutely necessary but the 1992 budget seeks to maintain level funding in most items.

2. We recommend that in setting apportionments for new churches, the following be the policy:

1st full year	no apportionments
2nd year	50% apportioned
3rd year	75% apportioned
4th year & following	100% apportioned

3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and the Council may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.

4. We recommend that local churches provide for the audits of local church records as provided in paragraph 267.3c of the 1988 *Discipline*. It is our suggestion that audits of local church financial records should be done by someone other than church staff and should involve others, though members of the Committee on Finance may be included.

### **Report No. 9 — DISCIPLINARY REQUIREMENT**

Paragraph 714.1 of the 1988 *Discipline* requires the Council to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which treasurers are bonded. The Council recommends that the present policy of bonding be continued through the General Council on Finance and Administration.

### **Report No. 10 — FORMULA AND ALLOCATIONS**

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% non-building budget (see Standing Rule 27), and that apportionments be determined by local church decimals applied to the amount of each budget item at the Conference level.

2. It is recommended that the spring meeting of the Council be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requested information required by the Council on Ministries.

3. We recommend that apportionments be developed and distributed to each church in order that they may be used for development of local church budgets for the calendar year. Apportionments shall be developed by the office of the treasurer using the data submitted on the local church report to the Annual Conference. Errors and corrections may be made in reports prior to Annual Conference. A tentative apportionment schedule will be mailed following Annual Conference to be reviewed for errors and corrections. A final schedule will be mailed August 19, 1991 after which no changes will be permitted.

4. Attention is called to the closing of the books of the Conference treasurer January 7, 1992. All remittances to be applied to 1991 receipts must be in the bank by its closing time of 2:00 p.m. No remittances for 1992 should be sent until after January 7, 1992.

5. Preparation of the statistical tables for 1991 shall be handled in the conference Fiscal Office. Report forms will be mailed in December to each local church from the conference office for reporting local church expenses. These forms are to be returned to the district superintendent so as to reach the conference office by January 17, 1992. A computer print-out of the annual report will be mailed to each church for review and correction.

### **Report No. 11 — MINISTERS MOVING EXPENSE**

We recommend that upon retirement, disability or death of a minister, the conference pay up to \$800.00 for documented moving expense to the first place of retirement or disability. Likewise, the conference shall assist the surviving spouse of a minister to the first place of dwelling following death of the minister.

### Report No. 12 — ZERO BASED BUDGETING

The following proposal for zero based budgeting is presented by the Council.

1. All program area budgets of Annual Conference boards and agencies will begin the year with a zero balance.

2. The annual budgets for boards and agencies shall be prepared on a "zero-base." It is intended that all programs, projects and functions, old and new, be analyzed and re-evaluated on a year-to-year basis; that groups requesting budgeted funds be required to justify those requests in detail to explain why money is needed, specifically what it will be used for, the resulting benefits, and what would result if the request were denied.

3. At the end of the fiscal year, the unused balances for each board and agency shall be transferred to a reserve account, which shall be designated as the "Conference Program Reserve Account."

4. The Conference Program Reserve Account shall consist of:

- a. unused balances of boards and agencies
- b. funds which may be budgeted for the reserve account
- c. funds received from terminated activities which remain unused for those activities when transferred by the Council on Ministries
- d. interest earned from sources as may be provided by the Council on Finance and Administration
- e. Funds from other sources that may be deposited by any board or agency or group within the Conference

5. During the first quarter of the fiscal year, in order to provide funding for programs anticipated during the quarter, boards and agencies will have available to them out of the CPR account, 25% of their prior year's receipts on their agency's apportionment. All expenditures above this percentage will also be drawn from the CPR account, when necessary, but only upon approval of the CCOM director and the Conference treasurer, with all such expenditures being charged to the board or agency's allocation for the year.

6. During the second through the fourth quarter of the year, the use of the CPR account by the boards and agencies will follow the same procedures now governing the Conference Benevolence Contingency Fund, that is, prior joint approval by the CCOM executive committee and the CFA executive committee.

7. The Conference Program Reserve Account funds may be disbursed for program purposes of the Conference Council on Ministries as directed by the executive committee of the Conference Council on Ministries on recommendation of the CCOM director.

### Report No. 13 — MOVING EXPENSE GUIDELINES

The following guidelines for the moving expenses of ministers first appears in the 1984 Journal, page 330. It is printed here for the information of pastors and churches:

1. Before moving to a new appointment, an incoming pastor should communicate with the PPRC chairperson to ascertain the church's policy on paying moving expenses and to discuss moving plans.
2. If the incoming pastor plans to use a commercial mover, two estimates should be secured from the movers.
3. The receiving church is responsible for the moving expenses of an incoming pastor up to a maximum of 7,500 pounds.
4. The cost of packing by the movers, if done, is not the responsibility of the receiving church.

### Report No. 14 — REPORT ON COST OF ANNUAL CONFERENCE

In response to the motion presented at the 1990 session of the Annual Conference, the Council makes the following recommendations, which, in some cases, may require changes in the Standing Rules:

1. In order to have a more accurate accounting for meals served, the Conference will provide meal tickets for all Conference members, guests and other official visitors beginning with the 1991 session.

2. Beginning with the conference session of 1992 a charge of \$15.00 per person will be made for all members who use Conference provided housing on the Campus. (Standing Rule\*)

- 3. The Council will be responsible for studying and investigating possible locations for future sessions of the Annual Conference.
- 4. Beginning with the 1992 Brochure of Reports the Brochure will contain an order blank requiring orders to be placed for the Conference Journal at \$10.00 including cost of mailing. Those desiring spiral bound copies will be charged \$15.00. Order forms will be available in other places as well. (Standing Rule\*)

**BOARD OF TRUSTEES**  
**ALABAMA-WEST FLORIDA CONFERENCE**

The Board of Trustees of the Alabama-West Florida Annual Conference of The United Methodist Church fulfills its responsibilities of holding in trust all properties of the Annual Conference. The real properties held in trust are the following:

- 1. The Conference headquarters building in Andalusia
- 2. The following parsonages in Andalusia:
  - a. 116 Maple Street
  - b. 1403 Prestwood Bridge Road
  - c. 100 Redbud Drive
- 3. The Wesley Foundation Building and parsonage in Auburn
- 4. The Episcopal residence and its furnishings,  
3291 Lancaster Lane, Montgomery

The Board of Trustees also holds title to the following bequests:

1. Norris Allen Fund .....	\$162,110
2. Hattie B. Norred Fund. ....	54,467
3. C.B. Gilmore Fund .....	72,623
4. Mary Lloyd Reynolds Fund .....	35,019
5. J.B. Skinner Estate .....	541,296
6. Lida Malone Missions Account .....	4,627

Mrs. Malone, a devoted laywoman in the Pensacola District, left the Board 275 shares of Chemical Banking Corporation and 50 shares of Barnett Bank of Florida, Inc. Since her death, these shares of stock have been sold for the above amount and invested with the United Methodist Development Fund for mission projects in keeping with her wishes.

The above funds are held in trust by the Board of Trustees with the revenues being used as requested by the donors.

The parsonage located at 116 Maple St., Andalusia, is a new home recently built to replace the parsonage at 1201 Valley View Drive. The need for the new parsonage was to provide more adequate housing for the Conference Staff. The sale of the Valley View Drive parsonage partially financed the new home.

The parsonage for the Wesley Foundation, Auburn, has been repainted inside and out, and a new roof has been added. It will be sold in the near future with the proceeds applied to the indebtedness of the Wesley Foundation.

We encourage local churches to be aware of the new United Methodist Insurance program. You may contact the Fiscal Office in Andalusia for materials that will provide quotes on the new insurance with currently held insurance. This plan works through a church's local agent.

We call attention to the resolution adopted at the Annual Conference of 1988, which designates the United Methodist Foundation in Dothan as the official depository for discretionary endowment funds owned by the Annual Conference and its related Boards and Agencies. Local churches are encouraged to use the Foundation for endowment funds in order to insure proper management and fiduciary accountability.

Funds for the work of amortizing indebtedness and maintaining our property come from the Maintenance & Amortization Fund in the Conference budget. It is most important that local churches accept their portion of the asking of \$85,000, and pay their acceptance in full. This amount is necessary for the amortizing of the loans for the Wesley Foundation, the partial funding of the Episcopal residence, and for the maintenance of all other property, including insurance.

We are grateful for the response of our people to these needs which makes possible proper care and development of our Conference properties.

## CRIMINAL JUSTICE AND MERCY TASK FORCE

The Criminal Justice and Mercy Task Force (hereafter CJAM TF) is grateful to the Committee on Resolutions and Petitions, and the delegates of the 1990 Annual Conference in its approval of an inter-agency task force to "study criminal justice and mercy ministries [for victims and offenders] presently operating in Alabama-West Florida" as well as the Conference Council on Ministries for support, administrative work, and financial sponsorship.

A total of three meetings were held: one brief organizational meeting in August, and two longer meetings from four to five hours each.

The November meeting began with study of passages of reconciliation: Romans 5:6-10; II Corinthians 5:16-20; Ephesians 2:13-16. A composite paraphrase of the passages from the TF's work together set the tone for the meeting:

In the shadow of the cross there can be no divisions. Though the grace and love of God are undeserved, God is at work in the world and in us: we are no longer in our old nature, because of Christ's taking of our sins. Instead we become new persons. That breaks down obstacles and brings us together in peace and love so we may be one. The reconciling work begun by Christ we are to continue, forgiving sins and entrusting others with the same good news God has accomplished in us.

Whether victim, offender, or both, the TF acknowledges the crying need for restoration and reconciliation in many lives.

The meeting continued with videos and review of ministry to victims and offenders, and the state of the criminal justice system. The need for mature, reliable volunteers in jails and persons was discussed. Assignments were made for reports of ministries which would be shared at the next meeting.

The February meeting was convened on Ash Wednesday and was opened with a brief service that helped members focus on the beginning of Lent as well as our own culpability in being outside God's will.

Reports ranging from VOCAL (Victims of Crime and Leniency) to Kairos Prison Ministry to the Sentencing Project were given. A two-page listing of "What Can Local Churches Do" was presented and amended. It is to be part of a conference coordinated mailing in the Spring of 1991. The categories in the two pages of Crime Prevention, Getting Informed, Ministry to Victims, and Jail and Prison Ministry included contact people for each category.

On the basis of the TF's work the following resolution is presented:

WHEREAS, the trend in the United States to incarcerate has created the staggering situation of the United States being the nation with the highest per capita incarceration of any industrialized country in the world — recently outdistancing the U.S.S.R. and South Africa; and

WHEREAS, ministry to victims is still in a nascent state, despite significant efforts to improve treatment of victims in the criminal justice system; and

WHEREAS, the tragedy of criminality from victimization to dehumanization, and the escalating cost from enforcement to imprisonment have become intolerable and unbearable in a nation of such vast resources; and

WHEREAS, the 1988 General Conference issued a mandate for conferences to begin addressing issues of prison ministries and reform; and

WHEREAS, the CJAM TF is committed to using its knowledge, experience, talents and faith to address issues of prevention and ministry to offenders and victims;

BE IT, THEREFORE, RESOLVED that the Alabama-West Florida Conference in session June 2-5, 1991 expresses its appreciation to the Criminal Justice and Mercy Task Force for its conscientious work on the special task assigned to it, with particular appreciation to its chairperson Rev. Louise Stowe Johns for her leadership and ministry in the area of criminal justice.

BE IT FURTHER RESOLVED that the report of the Task Force be referred to the Conference Board of Church and Society and that said Board be instructed to continue the study begun by the Task Force and submit its recommendations to the 1992 session of the Conference regarding the implementing of the recommendations contained in the original report of the Task Force.

BE IT FURTHER RESOLVED, that all United Methodists in the Alabama-West Florida Conference take an active and prophetic role in reconciliation and justice ministries from praying to intentional ministry.

Louise Stowe Johns, Chairperson

PREACHERS AID SOCIETY

During 1990, the Alabama-West Florida Conference Preachers Aid Society was able to serve as a "Helping Hand" for several of our ministerial brothers and sisters. In addition to donations ranging from \$50.00 to \$150.00 to those struggling with overwhelming medical expenses, several loans were made (up to a maximum of \$600.00) at the low rate of 6% per annum.

The money available for the low-interest loans comes from the \$1.00 annual dues which every minister under appointment is asked to pay. This includes Ministers in Full Connection, Probationary Members, Associate Members, Student Pastors, and Local Pastors. The money which we are able to give as donations comes from the interest on the loans. To be eligible for a loan or donation, a person must have paid his/her dues. There is a designated Collector of Preachers Aid Society Dues in each district.

Those borrowing money from the Preachers Aid Society may have up to two years to repay the principal (interest should be paid yearly), but are urged to repay promptly and systematically.

We urge continued and increased support of the Preacher's Aid Society, so that our ministerial families may know that "We Are Here for You" during times of need.

**THE CONSTITUTION AND BY-LAWS OF THE PREACHERS' AID SOCIETY  
OF THE ALABAMA-WEST FLORIDA CONFERENCE  
THE UNITED METHODIST CHURCH  
(Revised and Up-dated, 1991)**

**ARTICLE I:** This Society shall be known and designated as **The Preachers' Aid Society of the Alabama-West Florida Conference of the United Methodist Church** (formerly the Methodist Episcopal Church, South; and the Methodist Church).

**ARTICLE II:** Every Ordained Elder in Full Connection, Probationary Member, Associate Member, and Local Pastor under Episcopal appointment in the Alabama-West Florida Conference, paying one dollar (\$1.00) annually, shall be a member of this Society. ## CANDLER SCHOOL OF THEOLOGY

### Dean's 1991 Annual Report

The beginning of the 1990-91 academic year at Candler School of Theology, Emory University, was marked by two special events. The Program in Black Church Studies was inaugurated, and Dr. Robert M. Franklin was installed as its first director. The D. Abbott Turner Village and Conference Center was dedicated a few days later, providing a reasonably priced residential facility for students, housing for the Mission Resource Center of the United Methodist Church, and space for many of the school's continuing education and outreach programs. These additions have enhanced program and facilities and advanced Candler's mission to train students "not merely as thinkers, but as practical workers in the Kingdom of God."

Candler is the largest of the United Methodist seminaries, with a typical enrollment of over 600 students in the school's five degree programs. Candler welcomed 119 students into the Master of Divinity program in 1990-91; the total enrollment in this program is 407 students. In addition to the M.Div., Candler also offers the Master of Theological Studies, the Master of Theology, the Doctor of Ministry, and the Doctor of Sacred Theology degrees. Many of the approximately fifty full time faculty teach in the Ph.D. program of Emory's Graduate Division of Religion.

Candler's resources include the William R. Cannon Chapel, a distinctive and celebrated modern building designed by Paul Rudolph, serving as a center for worship, instruction, fellowship, and performance. The Pitts Theology Library is a repository for the second largest theological collection in North America. Among Candler's resources for outreach and research are the World Methodist Evangelism Institute, the Center for Research in Faith and Moral Development, and the Rollins Center for Church Ministries.

Candler's scholarship and financial aid resources were greatly enhanced by a two million dollar gift from Mr. and Mrs. Frank Sherman in December 1990. This gift brings the total endowment of the Sherman program to over four million dollars. An innovative matching program of support for Candler students, the Sherman Scholarship program supports United Methodist men and women who are preparing for the pastoral ministry of the Church.

Perhaps Candler's greatest resource is a distinguished faculty. Dr. Sally Purvis, Assistant Professor of Christian Ethics, joined the faculty in fall 1990. Ms. Kris Kvam also joined the faculty in fall 1990 as the Director of a new program in Women's Studies. Charles V. Gerkin was named Franklin N. Parker Professor of Pastoral Theology and delivered the spring convocation address.

Ministers' Week, Candler's conference for alumni/ae and area pastors, focused on the topic of "The Art of Preaching: Proclaiming the Gospel Today." With over 400 alumni/ae and other ministers registered, and with participants from as far away as San Marino, California, the event was the best attended in recent years.

After almost fourteen years as Dean of Candler School of Theology, I announced my resignation effective August 31, 1991. This summer I will take up new responsibilities as Executive Director of the Association of Theological Schools in the United States and Canada. Throughout my tenure as Dean, I have appreciated the support Candler has enjoyed from its graduates and friends. I have also been the personal beneficiary of the friendship and support of many — lay and clergy — throughout the Church. For that and for our common ministry in the United Methodist Church over these years I shall always remain grateful.

Jim L. Waits, Dean

### PASTORAL CARE AND COUNSELING

Upon the call of Bishop C.W. Hancock, the AWF Delegation of the Area Board of Pastoral Care and Counseling met on August 29, 1991 at 1st Church Montgomery. Your delegation voted unanimously to seek creation of an autonomous program of PC & C within the AWF Conference. A Task Force was elected to begin addressing key issues necessary for developing a new program: Mary Stephens, Chairperson, Curtis Henderson; Collier Martin; Jon Couey; John Trobough; and Norma Mitchell. John Galloway was designated as Staff Representative to the Task Force.

The Area Board's unanimous adoption on Sept. 22 of a Resolution calling for the two Annual Conferences to create two autonomous programs of PC & C at the 1991 sessions was historic. Another resolution passed unanimously confirming the AWF Task Force; and yet another unanimously confirmed a 1992 Projected Budget for AWF. Later, a joint Task Force unanimously agreed upon a proposed division of the Area Board's assets; and a Professional Consultation committee for CPE in AWF was unanimously confirmed. Mary Stephens resigned as Task Force Chairperson and Curtis Henderson was unanimously elected and confirmed.

Momentum continued to build in AWF as a new Concept of Operation was developed in consultation with Bishop Hancock, the AWF Cabinet, The Board of Laity, and numerous PC & C professionals. The Concept essentially calls for expansion of the quantity and the geographic availability of direct services of pastoral counseling to clergy, their families, and laity. It re-introduces the availability of pastoral care (at no cost) to clergy, retired clergy and widows, and to laity. It expands six-fold our ability to contribute training and consultation resources to Conference and District Boards and agencies, to the Board of Ordained Ministry, and to local churches. The quality of ministries offered on this expanded

scale will be accredited and evaluated by a national organization — the Association of Clinical Pastoral Education.

The Task Force met with numerous committees (Joint Concerns, Budget and Coordinating, CCOM, and CF & A) to explain the needed finances for this new concept. The \$70,000 in non-prorated funds which we are requesting for four (4) years is essential to our new concept, because the AWF Conference *must* demonstrate its commitment to a fully-salaried position (Director of Pastoral Care and Counseling plus secretarial support) in order to have a quality, accredited program. The AWF Conference has never before committed to a full salary or to a full program of PC & C on its own. In order to have an “autonomous, independent program,” certain costs are inherent and necessary.

The question is thus before you: do you, the AWF Conference *want* your own program of PC & C? Or do you want to continue to be a part of an “Area Board”? Or do you have some other option?

This will be a key decision to be debated and voted upon at Huntington College during Annual Conference in June. If you have questions or desire more information, do not hesitate to call Dr. John Galloway at (904) 479-9522; Mr. Curtis Henderson at (904) 484-9450; or contact one of your members of the Board of Pastoral Care and Counseling.

Mary Stephens, Vice Chairperson  
John Galloway, Clinic Director  
Curtis Henderson, Chairperson:  
Special Task Force

## PASTORS' ASSEMBLY

The 1990 Pastors' Assembly was held at Blue Lake on October 22-23, 1990. There were 170 pastors from the Alabama-West Florida Conference in attendance. The theme of 1990 Pastors' Assembly was "Evangelism," and we were ably led by Dr. George E. Morris of Candler School of Theology, Emory University, and Dr. Lovett H., Weems, Jr., President of Saint Paul School of Theology in Kansas City, Missouri. Angie Lewis, a contemporary Christian singer, presented an evening concert.

The 1991 Pastors' Assembly will be held at Blue Lake on October 21-23, 1991. The theme will be "Pastoral Care." Dr. Will Willimon, Dean of the Chapel and Professor of Christian Ministry at Duke Divinity School in Durham, North Carolina, and Dr. Ronald H. Sunderland, Director of the Foundation of Inter-Faith Research and Ministry in Houston, Texas, will be our leaders. Kathryn Tucker Windham, a storyteller who is a member of the Church Street United Methodist Church in Selma, will present the Monday evening entertainment.

We are greatly indebted to the Reverend R. Prim who has served faithfully as Dean of Pastors' Assembly the past three years and to the Reverend John H. Weeks who has served faithfully as Registrar for the past five years.

## JOINT BOARD OF COMMUNICATION/ADVOCATE

It has been a year of solid growth and development for the Office of Communication/Advocate — a year in which the work of the office has been joined in cooperation with the two council offices in helping to tell the story of United Methodism in Alabama and the Florida Panhandle.

Of most significance has been development of the 110-year-old *United Methodist Christian Advocate* which has won widespread acclaim for its new look, new features, expanded coverage, and enhanced readability — including more effective use of photos, artwork and graphs. The "new look" was introduced just before the 1990 conference sessions and came following several months of planning. A new printing arrangement with *The Tuscaloosa News* permitted a savings of nearly 50 percent in comparison with the previous printer. Addition of spot color and process color has enhanced the paper's attractiveness.

Appreciation is expressed to our district superintendents who have distributed *Advocate* promotional posters to more than 1,500 congregations throughout the region. We are grateful to the superintendents and others who have actively worked with us in subscription promotion.

Our newspaper and its editor already have been the recipient of several awards from the United Methodist Association of Communicators and the Religious Public Relations Council. In short, we have developed a substantial product which can be a source of pride to all United Methodists within these two episcopal areas. But the number of church families getting the *Advocate* still is an embarrassingly small percentage of overall membership. Additional promotional materials have been developed; we encourage laity and clergy to

join us in promoting one of the denomination's outstanding newspapers. Especially we hope to see group subscriptions in which a church subscribes for every family or for groups such as the council on ministries, administrative board, or administrative council (save \$1 over the regular annual rate). History records that at one time (in the 1950s) our *Advocate* went to more than 35,000 households. Let it happen again!

Early in 1991, the Alabama-West Florida Conference joined to make its quarterly 'Connectional Link' publication part of the *Advocate* and we thank AWF council leadership for making possible this shared effort to promote program and outreach.

Another example of shared outreach was a series of AWF newsletter-communication workshops held at three locations early in April under joint sponsorship of the AWF Council on Ministries and the Office of Communication/Advocate. Other communication training events have taken place in district and local church settings; additional presentations will be part of our continuing work.

Much behind-the-scenes effort has taken place to streamline business and administrative procedures and to expand effectiveness in use of computers. Persons visiting at the North Alabama headquarters in Birmingham are encouraged to visit our refurbished offices on the second floor.

We have continued to relate to the public media to better tell the work of United Methodism within the two-state region. The addition of a newspaper clipping service has helped us evaluate our efforts and has brought about the side benefit of providing a number of local church features/photos for reprinting in the *Advocate*. Additional work remains to bring our public media effort to full speed; eventually additional staff will be needed if we're to realize both our objectives of a good newspaper and a full-fledged program in public media, communication training, video, interpretation and brokering of services for local churches.

We honored two departing staff members in the fall of 1990. Robert Walston retired after more than 20 devoted years of work as business manager (part-time). Also stepping down was Beth Perry who had been secretary and circulation manager approximately 5 years; she has taken a job with AmSouth Bank in Birmingham. Special appreciation is due both Bob and Beth for their efforts to "hold things together" during the dark days of 1989 when both the previous editor and assistant editor were no longer with us.

Filling the newly-created post of business manager and circulation director is Martha Council, former administrative assistant to the president of Birmingham-Southern College. Already she has made significant contributions to smooth functioning and reorganization of the office.

Continuing on staff is Al Thomas whose byline and work frequently can be seen in the *Advocate*.

In addition to communication awards, our director has been named a Distinguished Alumnus of Central Methodist College, Fayette, Mo. He continues several national leadership roles. These include: heading the committee planning the 1991 pre-General Conference News Briefing; national Board of Governors of the Religious Public Relations Council (RPRC); one of four UMs on the Board of Directors of the NCC Communications Department; and a member of the executive committee of the Southeastern Jurisdiction Association of Communicators, UMC. Within the region, he has spoken often in various settings to promote the *Advocate* and to enhance local efforts in telling the church's story.

Our board continues under the leadership of chairman Charles Rountree, a member of Homewood Trinity Church; and vice-chairman Walter Albritton, senior pastor of Opelika Trinity UMC. We saluted Annie Grady who stepped down last October as board secretary (she is a member of Birmingham's St. Paul UMC). New board secretary is Joyce Nesmith who is employed as secretary to the Florence District Office. We are a "working board" with four newly-reorganized program sub-committees. In addition, we have appreciated the active interest and participation of Bishops Hancock and Knox and Council Directors Calhoun and Hayes.

We look forward to continued service and outreach to all of United Methodism within this region.

Charles Rountree, Chairperson

## ALABAMA-WEST FLORIDA METHODIST FEDERAL CREDIT UNION

The Alabama-West Florida Methodist Federal Credit Union was organized in 1967 to serve the ministers and their families in the Conference. Employees of local Churches and employees of Conference owned institutions may also become members. Membership is established by paying a membership fee of \$1.00 and making a minimum deposit of \$25.00.

The Credit Union makes secured loans to members for cars, home improvement, boats, appliances, computers, etc. The Credit Union also is a good and safe place for investing your money, with your savings insured up to the limit of \$100,000.00 with NCUA, the safest of all the Deposit Insurance Funds.

When you deposit your money with the Credit Union you have Life Insurance equal to the amount of your deposit up to \$3,000.00, if the deposit is made before you reach age 55. Deposits made after age 55 carry life insurance on a descending scale. The Insurance is free and is good as long as your deposit stays in the Credit Union.

We also furnish free Credit Life Insurance on the loans you make with the Credit Union. This makes the cost of your loans even lower.

When you need a loan, you have to complete an application which is available from the Manager or the Treasurer.

At the end of 1990 the Credit Union had 563 members and assets of \$1,398,757.68. Since organization we have made a total of 1,250 loans in the amount of \$4,556,509.13.

In the year 1990 we paid dividends in the amount of \$74,890.75 to our members. The Credit Union is administered by a Board of nine Directors elected by the membership at the Annual Meeting held in January or February each year. The Directors meet once a month to review operations and make plans or adopt policies and procedures.

For further information you may contact the Manager, John Carmichael, Rt. 2, Box 171-B, Brantley, AL 36009, phone 205-335-3823 or the Treasurer, Billy Joe Bass, P.O. Box 88, Georgiana, AL 36033, phone 205-376-2415. Your Credit Union is here to serve you. Why not give us a call today?

## BOARD OF CHURCH AND SOCIETY

The search for a Biblical foundation for what one is about to say is normal for a preacher. When one teaches Sunday School, they begin with a passage from the Scripture and usually proceed to apply that to a life situation. One of the difficulties lies in the fact that the application of the underlying principle of the Bible passage may not be very clear. Mark Twain is supposed to have said that he would accept your excuse for doing or not doing something about which the Bible is not clear only if you are careful to follow Bible teaching that is very clear.

Very few people want someone else to be their conscience, but all of us should want our consciences to be instructed by the highest and best. The Alabama-West Florida Conference Board of Church and Society believes *that* instruction should come from the Bible. We also subscribe to the instruction of tradition, reason and experience.

Along with the board of education, evangelism and missions we call on you to be instructed by Matthew 28:19, but we want you to notice that the verse ends with a colon. The next verse goes on to say, "Teach them to do what I've told you to do." It is not enough just to be taught and baptized in the faith; you have to *do* as Jesus commanded.

As we confront issues in our society, we call on our people to be instructed by the principles Jesus taught in both word and deed.

In our work for peace we need to exhaust every effort to keep from killing people. We really should be dealing with our sexuality according to a set of values and with a level of responsibility that makes the consideration of abortion unnecessary. If everyone could just learn the value of life and give to everyone else the respect they should for life and for their own person, we wouldn't be having to deal with heinous crimes.

You're probably thinking: "Not until the Kingdom comes!"

You may be right, too. The thing is, we should be working as hard on that kingdom as we possibly can. That has always been at the heart of what this board has tried to do.

Our capacity to reason tells us that we must balance our idealism about the kingdom with our practicality about the world. If the kingdom were supposed to be forced upon people, God would have done it before now. People can no more be forced to be citizens of the kingdom than they can be forced to be committed to the Church. Both require an act of the will. Christians cannot drag the world, kicking and screaming, into the kingdom.

Our call is to live the kingdom before the world in such a way that those who are of the world will seek it for themselves. It is for that reason that we are continually trying to clarify the principles that govern the way we treat people and deal with issues.

The work we are called to do will continue until the world confesses faith in Christ — and acts like it.

Edward M. Cotten, Chairperson

### COMMITTEE ON EPISCOPACY

We have enjoyed another good year in the Alabama-West Florida Episcopal Area under the dedicated and energetic leadership of our episcopal leader, Bishop Charles W. Hancock. Another healthy gain in membership of 1698 was recorded during the last year; and prospects are bright for future growth and progress. This is due, in large measure, to Bishop Hancock's leadership in the area of evangelism. His working relationship with the conference boards, agencies and institutions as well as the joint committees with the North Alabama Conference has produced good results. He continues to speak out with a strong voice on such issues as temperance, gambling, drugs and homosexuality.

It is regrettable that unexpected surgery last fall forced the cancellation of Study Leave plans made by the bishop; however the surgery was successful and Bishop Hancock recuperated quickly and returned to his work with the same vigor he has displayed previously. We are happy to report that he has made plans to visit churches in Northern Europe this fall to fulfill his Quadrennial International Visitation responsibility. This visitation will involve some three weeks in the September-October time period. We regret that the bishop has sustained the loss of several family members through death this year including his mother.

The enlargement of the episcopal office now provides space almost doubling the previous square footage. This gives more working room and needed storage area; and provides a conference room for cabinet and committee meetings. (This was done at no expense to the conference.) The episcopal residence is well-maintained. During the year a video tape inventory was made of all furnishings to supplement the written inventory already on file. A report of the Area Residence Account may be found on page 129 of the Brochure of Reports.

With all the good things that have happened, we still have some disturbing problems with which we must deal if we are to continue to grow and to be faithful to all areas of accountability. Among these are our declining support and payment of our apportionments; the declining number of persons answering God's call to enter the Christian ministry; the low number of subscribers to the United Methodist Christian Advocate; and the need for a home for our aging citizens in the growing area of the upper Gulf Coast area of northwest Florida and south Alabama.

The United Methodists of this area continue to be grateful for the wise and trustworthy leadership of Bishop Charles W. Hancock; and we also give thanks to his gracious wife, Mariam, for the many things she does to enhance and enlarge the work of her husband. As the leaders of Methodism in this area, their vision of what we may do and be is a challenge that is always before us; and their wholehearted commitment is a constant reminder to us that we can do more for our Lord and His Church. With such excellent leadership and with so many committed lay and clergy persons, even greater victories await us; if we simply follow Him who said, "I am the Way."

## COMMITTEE ON COURTESIES AND INTRODUCTIONS

The 163rd session of the Alabama-West Florida Annual Conference began Sunday, June 2, 1991, following a gigantic GATHERING at the Frazer Memorial United Methodist Church in Montgomery. United Methodists from across the Conference gathered to celebrate God's grace and our oneness amidst diversity. Bishop C.W. Hancock gave the challenge to be faithful disciples in vital congregations. Gratitude is expressed to Dr. John Ed Mathison and the staff and members of the Frazer Memorial Church, as well as the Planning Committee, for all they did in making the GATHERING a success.

On Monday morning the sessions of Annual Conference began at the Delchamps Center of Huntingdon College. This year's theme was ANSWERING GOD'S CALL. The college served as a gracious host to the Conference for which gratitude is expressed to Dr. Allen Jackson and his staff.

Dr. Kenneth Kinghorn gave able leadership during the morning Bible studies on the theme, "Biblical Doctrines of Creation." Rev. Lamar Brown stimulated our memories of deceased brothers and sisters, as well as calling us to remember our Lord and Savior Jesus Christ in the Sacrament of Holy Communion. Bishop Monk Bryan sounded anew the call to ministry to ministers new and old as he described the "Wonder of Ministry" at the Ordination service. Bishop Ernest Fitzgerald inspired and entertained as our Conference preacher. His unforgettable stories will be retold in congregations across the Conference. The Honorable Bo Johnson proved to be an effective lay witness as speaker for the Laity Banquet. We are grateful to these persons for their shared gifts.

When expressing gratitude we cannot forget those who gave so much during Annual Conference:

- Dr. Karl Stegall and the staff of the First United Methodist Church for hosting the Service of Ordination.
- Rev. Paul Wolfe and his secretarial staff.
- Rev. Thomas Sheppard, Registrar, and those who assisted him.
- Mrs. Mary Ellen Bullard for the auditorium and platform arrangements; Mr. Dennis Woodall and his staff of maintenance personnel at Huntingdon College; and to Mr. Ed Robbins for his artwork on the theme sign and banners.
- The youth delegates who served as pages.
- Professor Harold Rolig who served as Conference organist for his 35th year. To all who shared their musical talents.
- To those who led the Communion services each morning.
- Mr. Jim Steele, editor of the Christian Advocate, for his coverage of Conference proceedings.
- To the tellers, especially to Dr. Marvin Grunzke, who introduced the Conference to the works and wonders of electronic ballot counting.

Special appreciation goes to our bishop C.W. Hancock for his leadership throughout the Conference. Also to our friends and brothers, Bishops Joel McDavid and Paul Duffey, for their presence and support.

Now under God unto whom we are indebted for all things we are sent forth to witness for Jesus Christ until we assemble again singing "And Are We Yet Alive."

Langdon Garrison

## A STATEMENT OF REMEMBRANCE

### Lib Claridy

Elizabeth (Lib) Claridy, a life-long Methodist, was a faithful member of the Trinity congregation in Phenix City, Alabama.

Lib Claridy served the Church at large in many ways, particularly in the Alabama-West Florida Conference and the Southeastern Jurisdiction. Specifically, she served her Annual Conference through the Board of Missions, the School of Missions, the Older Adult Assemblies and by assisting the Conference registrar.

Lib Claridy departed this earthly life on December 27, 1990.

We recommend that the Alabama-West Florida Conference, in session in Montgomery, Alabama, on June 2-5, 1991, take note of Lib Claridy's death and acknowledge indebtedness for her involvement and fellowship in the life and work of said Conference; that the Conference direct the editor to print this statement in the 1991 Conference Journal; and that a copy of this statement be sent to Lib Claridy's family.

Respectfully submitted,  
Trinity United Methodist Church  
Phenix City, Alabama  
Charles M. Langford, pastor

Approved by the Conference and the Rev. Charles Langford had a Prayer of Remembrance.

Council on Finance and Administration  
Alabama-West Florida Conference of  
The United Methodist Church  
Andalusia, Alabama

We have audited the accompanying statements of cash receipts, disbursements and transfers and statement of certificates of deposit and money market account of the Council on Finance and Administration of the Alabama-West Florida Conference of The United Methodist Church, for the conference year 1990. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statements of recorded cash receipts, disbursements and transfers are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The Council's policy is to prepare its financial statements on the basis of cash received and cash disbursed. Consequently, certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation was incurred. Accordingly, the financial statements are not intended to be presented in conformity with generally accepted accounting principles.

In our opinion, the statements referred to above present fairly, in all material respects, the cash receipts, disbursements and transfers and statement of certificates of deposit and money market account of the Council on Finance and Administration of the Alabama-West Florida Conference of The United Methodist Church, for the conference year 1990, on the basis of accounting described above.

## WILLIAM BRUNSON ATKINSON, SR. (1903-1991)

William Brunson Atkinson, Sr., better known as 'Mister A', and called this affectionately for years, was born December 12, 1903 in Graceville, Florida to Charles Thomas and Eva Mae Williams Atkinson. Growing up he attended Simpson High School in Birmingham, Alabama and after graduation attended Birmingham Southern University, receiving a B.A. degree. He continued studies with post graduate work at Princeton University Seminary and Duke University Seminary and was admitted into the Methodist ministry by the Alabama-West Florida Annual Conference in 1931. During the year 1935 he took a study tour of Palestine, Egypt and Italy. While in college he was the editor of the Birmingham Southern yearbook and later owned a chain of weekly newspapers in the Birmingham area. He served pastorates in the A-WF conference with his first wife, Grace Frances Day, who he married in September 1927. She preceded him in death in 1946. He was the father of four children: William Jr., Eva Lee, Billie Maye, and Grace Manon.

In March 1948 he married Grace Nixon Ross and for the following forty-three years she served faithfully alongside in ministry and with family. In 1957 Birmingham Southern College confirmed upon 'Mister A' an honorary Doctor Divinity Degree. He served his Lord in such a way that others were challenged to change their lives and did so through his leadership. He served five years as District Superintendent of the Marianna District in which time he organized nine new churches in that district. For 19 years he served our conference on the Commission of World Service and Finance and was president of this commission the last four years of his tenure. During his ministry at First Church Crestview, Florida (1953-1957) he led the people in organizing a second Methodist Church which became known as Friendship Methodist Church and is now called St. Mark UMC.

'Mister A' and Grace retired from the active ministry in 1969. They moved to Crestview, Florida but he did not stop. He established and taught Bible History at Crestview, Choctawhatchee and Niceville High Schools for four years until mandatory retirement for teachers forced him to retire again. Since retirement, he served the Friendship Church as a retired supply minister for three years and also the First Presbyterian Church of Crestview. During his retired years he enjoyed working in his shop building creches and planters as well.

'Mister A' had a great passion for organizing and helping build new churches, he had a great love for God's people and this endeared him throughout Alabama and West Florida. He died April 21, 1991 in the Crestview, Florida hospital and funeral services were held April 23, 1991 from First United Methodist Church, Crestview with the Reverend Dr. Al Harbour Jr. and Rev. Luke Bell officiating. He was placed in rest in the Liveoak Park Memorial Cemetery. Members of the AWF United Methodist Ministers served as honorary pallbearers. The family requested Memorial contributions be made to the St. Mark UMC in tribute to his ministry to this church. Brother Atkinson and Grace resided in Crestview and Okaloosa County the past 22 years of their lives. Besides Grace, his wife, he is survived by two sons and daughters-in-law: Rev. William B. Jr and wife Jackie, Donald and Valerie Ross; three daughters and their spouses: Eva and John Fountain, Billye Maye and Jack Rainey, and Grace Grills; one sister, 13 grandchildren, and seven great-grandchildren.

Reverend Luke Bell in eulogy said, "We gather today to give thanks to the Lord because 60 years ago God raised up a man to be a Shepherd of his flock, to preach the word, offer encouragement, to sound a certain note to many across the years who needed hope and assurance that only the Gospel of Jesus Christ can give. Dr. Atkinson was widely known, respected and loved as a minister of this Gospel." And, "Though on the bed of affliction, Dr. 'A' continued to give witness to his living out the call God had placed on his life. It was on the first day of the week, the day of Resurrection, that Dr. 'A's' membership was transferred from the church militant here to the Church Triumphant in the heavenly hereafter. Thanks be to God for his marvelous and amazing grace."

## IN MEMORIAM

DR. WILLIAM BRUNSON ATKINSON, SR.

First United Methodist Church, bulletin, April 28, 1991

For over sixty years the United Methodist Church in the Alabama-West Florida Conference was blessed by the commitment to Christian ministry in the person of Dr. Atkinson. He is one now whose name is added to the 'history' rolls in our archives. He is part of the "endless line of splendor" that started with John Wesley and the circuit riders and is lived out today in the itinerant ministry and our connectional system. For his influence on churches, church members, fellow preachers, and family I am grateful to God."

At the age of 87, 'Mister A', Dr. 'A', Brother Atkinson, would still repeat his favorite 23rd Psalm, especially verse 3a. "He restoreth my soul."

If we watch the sheep in a pasture, we will see them do an interesting thing. Some time during the day, each sheep, entirely on its own, leaves the flock and trots over to the shepherd, one at a time. The shepherd tenderly caresses the nose and ears, rubs the neck and head, and whispers in its ear. Calmed, encouraged, and reassured the sheep goes back to graze with the rest. We also need such daily affirmation and reassurance from God.

The Reverend Dr. William Brunson Atkinson Sr. was raised up by God to be a Shepherd of His Flock, to offer encouragement, to sound the note of hope and encouragement and assurance from the Gospel to many people. Though the Shepherd, at times he too was one of the sheep, rejoicing in the blessings of the Lord's promise. He is enjoying a perfect peace and presence of our Lord Jesus Christ, no pain, no suffering, perfect joy.

## GLENN PHILLIP CANTRELL (1901-1990)

Glenn Phillip Cantrell was born September 14, 1901 in Whitfield County, Georgia. He was the third of nine children born to James Woody and Ellen Wood Cantrell. His early years were lived in Whitfield County. He attended Reinhardt Methodist College, Waleska, Georgia where he finished High School and Junior College. He graduated from Asbury College in Wilmore, Kentucky with a Bachelor of Arts degree in 1928. For several years during the summer months he attended Candler School of Theology, Emory University, Atlanta, Georgia.

Glenn was licensed to preach by the Marietta District Conference of the North Georgia Annual Conference of the Methodist Church July 16, 1926. He married Alice Babb on March 4, 1923 in Whitfield County, Georgia and to this union was born a son, Glenn Phillip Jr. After the death of his first wife Alice, Glenn married Katherine Harrell on May 7, 1935. They were blessed with fifty-five years together until his death. Together they served many churches in North Georgia and the Alabama-West Florida Annual Conferences. In 1967 Glenn and Katherine retired and they bought a home at Rocky Face, Georgia near his birth place, and lived there in a happy, fulfilling retirement.

Glenn died July 17, 1990 in Hamilton Medical Center, Dalton, Georgia. He is survived by his wife Katherine; a son, Glenn; daughter-in-law Aretha; a granddaughter Annette Epstein; grandsons, Elton Phillip and Paul Alan Cantrell; three great-grandchildren, Michelle, Kirsten, and Adam Epstein; a sister Ernesteen Zeigler; and a brother James Cantrell.

He loved his Lord, his Church, and people. The years of ministry and the messages of salvation and hope will long be remembered and he is missed by the many friends and family. God called and Glenn responded in a total commitment and dedication that for a total of 36 plus years was a witness of the power and love of Christ to many, many people. "Well done my good and faithful servant... Enter into the Joy of the Lord."

## HENRY TATE GRAYSON (1906-1990)

Henry Tate Grayson was born October 26, 1906 in McWilliams, Alabama, to John Henry and Susan Elizabeth Hughes Grayson. His childhood was lived in and around Uriah, Alabama and he graduated from J.V. Blackshear High School in 1925. After graduation he was the sole support to his family, being the son of a tenant farmer. Henry attended Asbury College in Wilmore, Kentucky and Troy State Teachers College in Troy, Alabama.

In 1934 he met Ethel Sageser while she was teaching in the Tate High School in Escambia County, Florida. They were married on September 12, 1934. To this union two sons were born, Henry Tate, Jr., and Arthur Morrison who died at birth. Ethel was a teacher and avid supporter of the ministry of her husband. She preceded him in death on March 5, 1979, while enjoying their retirement. Throughout their 31 years together she was involved in children and youth work and in music, many times being the pianist in the churches he served.

In 1942 Henry entered the ministry of the Methodist Church, he was received on trial that year and began the Conference Course of Study. He was ordained a Deacon in 1942 and an Elder in 1946. He completed his studies in 1947 and was received into Full Connection in 1946. A hard working and dedicated person, Henry Tate Grayson was also a spirit filled person who generated the vivid, living word of the Gospel. His ministry of 30 plus years was a very rich and fulfilling ministry that touched and enriched lives of many people.

The Graysons retired in 1973 to the Panama City, Florida area to enjoy life and to share in the blessings of a rich and glorious ministry. Henry Tate Grayson died June 26, 1990 and funeral services were conducted by the Reverends Mike Roberts, James Sanders, and Johnny McCurdy. He is survived by a son and daughter-in-law, Henry Tate and Pamela Grayson; and three grandchildren, Pegine, Douglas, and Christopher Grayson. His life and ministry influenced a nephew who became a Methodist preacher and offers this lasting, living tribute.

### A TRIBUTE TO "UNCLE HENRY"

Henry Tate Grayson lived a life that was marked by service to others. The son of a tenant farmer, he was the main support of his family following his graduation from high school.

In the early years of his ministry — which are not recorded in his conference record — he preached in several locations around Atmore in which there was no Methodist church, sometimes using a tent as a meeting place. During this time he preached at Walnut Hill, Lottie and built the Bethel Methodist Church north of Atmore. He served each of these churches without salary.

Under his influence and ministry, there were a number of persons who responded to the call to the ministry and mission field. He responded to them by helping them in their education and training.

His contributions to scholarship funds at Asbury College helped a number of students receive their education.

His love for missions sent him to Cuba three times on preaching missions.

He was involved in the leadership of Bethlehem Camp Meeting in Bonifay, Florida, for a number of years.

Henry Grayson's love for his Lord and his ministry spilled over into his love for life. Because of this he was popular with those much younger than him wherever he went. He learned to water ski after he was fifty years old and taught over 200 people to ski. He skied up until the last year of his life. After he retired he requested that his charge conference be changed so that he could pitch for the softball team at Parker United Methodist Church.

While "Uncle Henry" never served any of the "big" churches in this conference — his last appointment was a three-point charge — there are those today, in places all over this conference where he served, who would rise up and call him blessed.

## BOBBY WAYNE GRICE (1936-1991)

Bobby Wayne Grice was born April 5, 1936 in Coffee County, Enterprise, Alabama to Louie and Mary Agnes Anderson Grice. His childhood years and education were lived in the Enterprise, Alabama area and he graduated from Enterprise High School and then attended Enterprise Junior College.

Bobby married Betty Jean Bradley January 10, 1955 and they had three sons, Ronnie Wayne, Steve, and Johnny Earl. He served four years in the U.S. Army and worked for 29 years at Ft. Rucker receiving many civilian/military awards for outstanding faithful service. He was a local pastor beginning ministry in 1970 and after completing the conference course of study was accepted by the conference as a part-time pastor in 1971 and ordained a Deacon at the conference of 1973.

A dedicated family man, and concerned Christian he never felt the need to belong to or join outside organizations because there was just not enough time to serve them; the church and its work were sufficient and necessary elements in his life.

Brother Grice was never a name in the news for great service or ministry, because he was too busy about his Master's business. He will be remembered for being the pastor to the smaller churches in an area that needed the visiting of the sick, lonely and people in need. His love for the church and its families was a sincere, dedication that will be lifted up by a lot of people he touched. For 21 years he served in the part-time pastoral ministry of the United Methodist Church.

On January 25, 1991 Brother Grice suffered a serious heart attack and began his new ministry with his Lord. His devoted wife and family and many friends will always cherish the dedication and spiritual leadership he gave to this earthly work and service. His funeral was held in Enterprise, Alabama on January 28, 1991 with Reverends Jon Couey, Bill Westbrook, and Lucy Hathway officiating. He is survived by his wife, Betty Jean, three sons, a grandson, Jeremy Wayne Grice and a brother Kenneth.

God in Christ blessed Bobby with the sincere desire to help and lead others to the saving grace and he did all he could to minister to this calling. His concern to be helpful, and his friends were very important to him as he was always there when a need was present. An untimely loss to the pastorate but a gift in his love and ministry prevail.

## HARRY VANBUREN RICHARDSON (1901-1990)

Harry V. Richardson was born in Jacksonville, Florida, January 27, 1901 to Martin and Bertha Witsill Richardson. Growing up in the Jacksonville area he received his early education there. He received his A.B. degree from Western Reserve University, his S.T.B. from Harvard Divinity School, receiving their two highest honors at graduation. He received his Ph.D. from Drew University in 1945 in the field of rural sociology and religion. His dissertation, regarded as a classic, was published as his first book in 1947 entitled: *DARK GLORY*.

Upon graduation from Divinity School he went to Tuskegee Institute, now Tuskegee University, in Tuskegee, Alabama, where he became the Chaplain in 1933. It was under his preaching there that the Chapel became one of the leading pulpits in the South. He developed a statewide interracial ministers' alliance as a step toward better race relations. His work with the students was most effective and he was nationally recognized as a most effective religious leader and counselor. He also developed a program of religious extension work which sought to make the Black rural church more effective in improving the life of its people. This became a Southwide movement and at its height employed eighteen full-time workers in nine Southern states with an enrollment over two thousand. Harvard University Divinity School presented him an award for this work and leadership in this program.

For twelve years he was a main speaker in the University and National Christian Missions across America by the Federal and National Councils of Churches. Twice he was appointed a delegate to the World Council of Churches from the Methodist Church. He served as President of the Association of Methodist Theological Schools in 1955 and in 1962 as a member of a seminar on theology at Oxford University, England. Harry Richardson will be long remembered for his serving as President of Gammon Theological Seminary in Atlanta, Georgia, where he assumed this position in 1948. The school was in such poor condition it was near closing at that time. In three years he developed it into the leading seminary of its kind in the nation.

In 1955 he undertook the lead in founding the Interdenominational Theological Center — now a federation of several denominations and regarded as the finest example of cooperative theological education in Protestantism. He served as its first President in 1959 and became President Emeritus in 1968. In 1975 he returned to serve as interim President until January 1976, when he took official retired status.

During all of this he was constantly supported and undergirded by the love and encouragement of his wife, Selma Theodora White, who he married June 22, 1927. Her devotion and dedication to his causes and concerns assisted his ministry in so many ways. Her love and consideration for what he believed in and stood for made his work and life meaningful and fruitful.

Harry belonged to many organizations and civic groups. He supported many causes and charities. He loved his AARP and 'retired' fellowships. At the time of his death he and Selma

were living in the retirement home in Atlanta, Georgia. Harry died of heart failure December 13, 1990 and his life was celebrated on December 17, 1990 at the Interdenominational Theological Center with Dr. James Casten officiating, and many, many friends and the world joining in. He is resting in the West View Cemetery, Atlanta. In a tribute to him in retirement 1969, Benjamin E. Mays writes, "You have done a magnificent job, few men could have done as well and most men could not have done it at all."

F.D. Patterson wrote, "I have known you for so long, so favorably, and in such a variety of relationships that I find it difficult to express anything like an adequate estimate of your rich life of useful service on a single page."

Harry V. Richardson accomplished many things in his ministry, and wrote several books, his last was published in 1981, entitled: *WALK TOGETHER CHILDREN*, the story of the birth and growth of the Interdenominational Theological Center. Well done faithful servant.

Louie Francis Wilson, Jr. was born August 22, 1914 in Mobile, Alabama, to Louie Francis Sr. and Nora Lindsey Wilson. He grew up and was educated in the Mobile area, graduating from Murphy High School in 1933 and attending Spring Hill College there from 1933 to 1936. In 1940 he married Claire Davis in the Government Street Methodist Church in Mobile. They had a son Louie Francis III.

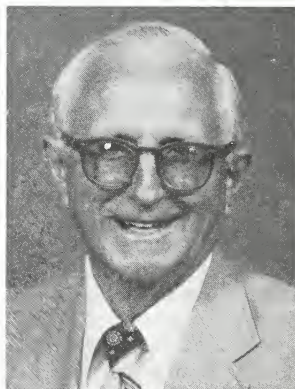

Brother Wilson began work in the postal service in 1936 and was called to military service in 1943, spending almost two years in England and Germany with the Military Postal Service. After discharge he returned to the civilian postal service and became Supervisor over the Mobile, Alabama main post office. He completed 20 years in the postal service.

In 1948 Louie began the Methodist Conference Course of Study for the ministry. He completed this in 1957 and was licensed to preach in 1948. He had been a lay preacher for a number of years prior to this and was even appointed to the Zirlott Road and Forest Hill Churches in 1947 and 1948. Louie continued his ministry there for another ten years without his devoted partner in spiritual witnessing, and retired in 1982. Retirement did not curtail his evangelism or witness.

Brother Louie continued to share and preach and serve around the Mobile area and the conference in many ways. Louie was totally committed to his ministry. He worked very hard at increasing church memberships, which resulted in new building programs in almost every church he served. He believed in getting out and visiting and being the pastor to everyone. His prime obligations were the shut-ins, hospitals and nursing homes, which he regularly visited. Because of his dedication throughout the years, he brightened many lives and through a personal friendship led hundreds to Christ.

Louie was an avid sports person, playing baseball for Spring Hill College and encouraging sports throughout his life. His illness in the last few days of his life gave great encouragement to a lot of people in his life. He witnessed even in those moments to the great power, grace, love and presence of his Lord and Savior. Truly this man met all the requirements for the title, "Faithful Servant."

Brother Louie died July 26, 1990 in Mobile, Alabama. The Reverend Ben Sawada officiated at his funeral on August 28, 1990 and he was placed in peace with the Master at Pine Crest Cemetery. Throughout the Alabama-West Florida Annual Conference, the name of Louie

Nettie Bailey died July 19, 1990 and is survived by a daughter Ann Culpepper and two grandchildren.

Although a part for only a brief time in the life of her minister husband she was a faithful and glorious example and witness for her spiritual grace.

(The Memoirs committee regrets that after every possible search and inquiry no other information is available, nor was it ever provided for this dedicated, faithful, partner in her life with her husband and their ministry of the Lord and our church.)

Jesse and Rosa began their ministry in 1968 and with their children served the Alabama-West Florida Conference with a vital witness and presence that touched many lives. Her quiet and spiritual ways were the strong elements of her life in the parsonages and churches she shared with her preacher husband. Rosa became extremely ill and through her faith and the faith and prayers of many people, the care of concerned medical people and the love of Christ, she was able to endure.

Under the watchful and loving support of her husband she continued to live a witnessing and uplifting Christian life in the communities and churches he served. Rosa was unable to continue, and on August 23, 1990 she died, in the Monroe County Hospital. Through all of the years of suffering she was now without pain and was in peace and rest. #### CONCERNING THE REPORT OF THE BOARD OF CHURCH AND SOCIETY

“I move that we delete the words: “... enemy soldiers...” and “... or those who commit heinous crimes...”

Submitted by Ruth L. Fuller

(Not approved by the Conference.)

The following was a part of the original report, but was removed from the report by a motion by the Rev. Howard Bozeman, Jr. and approved by the Annual Conference (the report in this JOURNAL does not contain the paragraph):

The Old Testament law says that we should not kill; Jesus says that we shouldn’t even think about it. The principle and the teaching are quite clear. One cannot kill with impunity either enemy soldiers, unborn babies or those who commit heinous crimes. The teaching is not ameliorated by tradition, reason or experience. Quite the contrary, the scriptural principle deteriorates under the influence of our tradition, but we are not lost! God, through

Isaiah, has called us to reason together: Even though our traditions are "scarlet," they shall be white as snow. (1:18)

This motion was approved by the Conference and the substitute is now a part of the report in the JOURNAL.

The following was a part of the original report, but was removed from the report before the report was accepted by the Conference:

BE IT, THEREFORE, RESOLVED that the CJAM TF become the CJAM Commission continuing its work until there is no longer a need (present members remaining in place — except those who do not have the time or desire to continue — recommendation of replacements, in consultation with the commission, board, or organization being represented, be submitted to the Bishop for action); and

## SECTION C

### Committee on Resolutions and Petitions

#### Resolution No. 1 — A PETITION TO THE GENERAL CONFERENCE

The Committee on Resolutions votes: Concurrence

The Conference Supports the Committee

WHEREAS, the 1988 General Conference spoke clearly and decisively the conviction of the vast majority of United Methodists on the issue of the homosexual lifestyle, and

WHEREAS, it would invite division and chaos in our denomination to permit any agency to use the proceeds of the funds of United Methodism to be involved in promoting a lifestyle the church has deemed to be “incompatible with Christian teaching,” and

WHEREAS, it appears that a specific prohibition is required in the light of recent experience in our denomination of agencies being involved in such promotions, though not using church funds, and

WHEREAS, without such a prohibition it is likely that such promotions would continue, but use church funds for their purposes;

THEREFORE, BE IT RESOLVED that the Alabama-West Florida Annual Conference of The United Methodist Church, in session in Montgomery, Alabama, June 2-5, 1991, petition the 1992 General Conference to retain the present wording of Paragraph 906.12 (1988 *Discipline*) to wit:

No board, agency, committee, commission, or council shall give United Methodist funds to any “gay” caucus or group, or otherwise use such funds to promote the acceptance of homosexuality.

#### Resolution No. 2 — A PETITION TO THE GENERAL CONFERENCE

The Committee on Resolutions votes: Concurrence

The Conference Supports the Committee

WHEREAS, the call to holiness of life is incumbent upon all Christians, most especially those whom the church ordains to preach, teach, and exemplify the life of Christ in the church’s representative ministry, and

WHEREAS, the Social Principles of The United Methodist Church (Paragraph 71F, 1988 *Book of Discipline*) state the church’s position: “...we do not condone the practice of homosexuality and consider this practice incompatible with Christian teaching,” and

WHEREAS, Paragraph 402.2 of the 1988 *Book of Discipline* of The United Methodist Church prohibits the acceptance as candidates, ordination, and appointment of self-avowed practicing homosexuals, and

WHEREAS, today’s social order seems to be in a period of revolution in the area of sexual morality and it is therefore important and appropriate that the church demand “fidelity in marriage and celibacy in singleness” of those whom we ordain, and

WHEREAS, the issue of the acceptance of the homosexual lifestyle is before the church at this time in various reports and petitions to the 1992 General Conference;

THEREFORE, BE IT RESOLVED that the Alabama-West Florida Annual Conference of The United Methodist Church, in session in Montgomery, Alabama, June 2-5, 1991, petition the 1992 General Conference to retain the present wording of Paragraph 402.2 (1988 *Discipline*) to wit:

We declare, therefore, that "self-avowed, practicing homosexuals are not to be accepted as candidates, ordained as ministers, or appointed to serve in The United Methodist Church."

#### **Resolution No. C.S.-4 — A PETITION TO GENERAL CONFERENCE**

The Committee on Resolutions votes: Concurrence

The Conference Supports the Committee

We affirm and call upon the 1992 General Conference to retain the wording of Paragraph 2621 (1988) to wit:

A bishop, clergy member of an annual conference, local pastor, or diaconal minister may be tried for "practices declared by The United Methodist Church to be incompatible with Christian teachings."

#### **Resolution No. 4 — CONFERENCE HOSPITALIZATION INSURANCE**

The Committee on Resolutions votes: Referral to: The Committee on Health Insurance of the Conference Board of Pensions in consultation with the Commission on Equitable Salary study and devise a plan to be presented to the Annual Conference.

The Conference Supports the Committee

WHEREAS, the cost of family coverage for hospital insurance is a tremendous burden for many ministers in our Annual Conference, especially those in the lower salaried charges; and

WHEREAS, several families have been without proper coverage because of the cost.

THEREFORE, BE IT RESOLVED that the Committee on Health Insurance of the Board of Pensions study and devise a plan to be presented to the annual conference whereby the spouses and minor children of ministers may be covered in the Conference Hospitalization Insurance program in such a manner that the cost of such would be prorated on the same basis as all other apportionments. This would be equitable to all churches.

#### **Resolution No. 5 — FORMATION OF TASK FORCE TO STUDY NEED FOR ABORTION ALTERNATIVES**

The Committee on Resolutions votes: Concurrence — As Amended

The Conference Supports the Committee

WHEREAS, The Official United Methodist position on Abortion (Par. 71.G 1988 *Book of Discipline*) confirms our respect for the "sacredness of life," the "well-being of the mother" and the "sanctity of unborn human life," giving "reluctant" approval of abortion only in "tragic conflicts of life with life" and emphasizing that abortion should never be used as a "means of birth control" or "gender selection"; and

WHEREAS, Persons with crisis pregnancies who turn to United Methodist laity, clergy, and programs for help may choose an abortion or birth control or gender selection reasons because of a lack of church-based information about alternatives, lack of emotional and spiritual support that encourages a lifesaving choice, lack of shelter, and lack of adoption services; and

WHEREAS, A ministry providing alternatives to abortion would be a valid expression of Christian compassion and in harmony with our stand as United Methodists.

**THEREFORE, BE IT RESOLVED:**

1. That the Conference Board of Church and Society shall study the need for support ministries in this Conference for persons seeking an alternative to abortion. The supporting programs to be studied should include adoption services, promotion of abortion alternatives within the church, as well as adequacy of pastoral awareness and training on encouraging abortion alternatives.
2. That this Board report the status of any specific United Methodist programs in this conference engaged in any phase of abortion prevention, as distinct from pregnancy prevention, in order to promote and strengthen those efforts.
3. That if no specific United Methodist program be found, that this Board study the feasibility of starting new abortion-prevention ministries.
4. That this Board report its findings and recommendations to the 1992 session of this Annual Conference.

The Original Petition had the following as a part of the Petition, but this was Referred by the Committee to the Board of Church and Society but rejected by the Annual Conference. The Conference supported the Petition as amended:

“THEREFORE, BE IT RESOLVED: 1. That the Bishop appoint a Task Force for Abortion Alternatives comprised of 12 members, half of which shall be individuals involved in programs of abortion prevention. . . . . 4. That the Conference Council on Finance and Administration provide reasonable funds for the expenses of this Task Force from contingency funds. . . .”

(This section of the Petition was not supported by the Annual Conference.)

### **Resolution No. C.S.-5 — A RESOLUTION ON HEALTH CARE**

The Committee on Resolutions votes: Concurrence

The Conference Supports the Committee

WHEREAS, the availability of health care for many large sectors of our country's population has been steadily shrinking for several years now; and

WHEREAS, the costs of available medical care have placed such care beyond the reach of so many who deserve it; and

WHEREAS, the non-availability of certain types of care, such as obstetrics, has placed an increasing number of mothers and unborn babies at high risk; and

WHEREAS, the cost of maintaining local community hospitals in many rural areas has caused the closing of nearby community hospitals; while the cost of supporting residents of many nursing homes has overburdened the present system of Medicare, making state reimbursement for operational costs inadequate; and

WHEREAS, the trends monitored appear to be irreversible and irremedial under our nation's present system of health care; and

WHEREAS, we have a specific mandate from the Lord to engage in covenantal action on behalf of the poor, the widowed, the orphan and the oppressed.

BE IT, THEREFORE, RESOLVED that the Alabama-West Florida Conference of The United Methodist Church does hereby call on the General Board of Church and Society to lead the church in working for equitable health care systems which would provide equitable and adequate care to all residents of this nation, regardless of race, creed, color, sex, national origin, or socio-economic condition.

FURTHERMORE, BE IT RESOLVED that this effort shall take the form of a letter-writing campaign to our elected officials, each letter putting forth our desire for such systems.

Re: The Religious Coalition for Abortion (RCAR) and its affiliation with the United Methodist Church

WHEREAS, Par. 71.G of the United Methodist *Book of Discipline* supports the legal option of abortion in tragic conflicts of life with life, while specifically not affirming abortion as an acceptable means of birth control and unconditionally rejecting it as a means of gender selection; and

WHEREAS, The Religious Coalition for Abortion Rights (RCAR) endorses the Roe v. Wade Supreme Court decision, which allows any and all abortions including those for birth control purposes or for gender selection in the first trimester of pregnancy and allows regulation of abortions in the second trimester only to protect the mother, thus putting the RCAR position in direct conflict with the Social Principles of the United Methodist Church; and

WHEREAS, The General Board of Church and Society and Women's Division hold membership in and lend support to the RCAR.

THEREFORE, BE IT RESOLVED That the United Methodist Church calls upon the General Board of Church and Society and Women's Division to discontinue membership in and support for the RCAR, whether monetary, or "in kind" support; and

BE IT FURTHER RESOLVED That the United Methodist Church call upon all general boards and agencies of the United Methodist Church, as well as the agencies or boards of all Annual Conferences, Districts, and local churches to discontinue and/or avoid membership in the RCAR, to withhold all monetary, programmatic or "in kind" support from the RCAR, and to cease and/or avoid providing, renting to, or otherwise making available office or meeting space for the RCAR.

Re: Funding and Creating a STANDING COMMISSION ON ALCOHOL AND DRUGS

WHEREAS, the problems associated with beverage alcohol and drugs have become enormous in the past decade; and

WHEREAS, very little has been done at the national level to help the local congregations.

BE IT, THEREFORE, RESOLVED BY THE ALABAMA-WEST FLORIDA CONFERENCE that we hereby request the 1992 General Conference to create a STANDING COMMISSION ON ALCOHOL AND DRUGS. We ask that this Commission be funded by returning to it the property of the former Board of Temperance and that from the money allocated for the General Board of Church & Society for 1992-1996 an amount be transferred to the Commission equal in percentage to that contributed by the former Board of Temperance at the time it was merged in 1960 with the former Boards of World Peace and Social and Economic Relations.

The statement on funding is a requirement of Paragraph 608 (4) of the 1988 *Discipline*.

Re: The National Coalition Against Censorship, and its affiliation with United Methodist Communications (UMCom)

WHEREAS, The United Methodist Church has historically taken a stand against sinfulness in all its manifestations; and

WHEREAS, we seek to represent the families and youth of our nation who come under attack from secular society; and

WHEREAS, We as United Methodists affirm the Bible as God's supreme authority for daily living; and

WHEREAS, According to Social Principles 71,II.F. The United Methodist Church deplors all forms of the commercialization and exploitation of sex with their consequent cheapening and degradation of human personality; and

WHEREAS, The National Coalition Against Censorship (in defense of the First Amendment) "opposes labeling **anything** as pornography" (quoting Leanne Katz, Executive Director, NCAC).

THEREFORE, BE IT RESOLVED That The United Methodist Church does hereby recognize and affirm the importance of standing against the promotion and distribution of pornography; and

BE IT FURTHER RESOLVED That we urge United Methodist Communications (UMCom) to immediately disassociate itself from the National Coalition Against Censorship (NCAC). We also urge UMCom to inform the media of its actions and strongly urge that no employee of their board further cooperates with the National Coalition Against Censorship (NCAC).

NOTE: A Motion by the Rev. Ervin Dailey (and seconded) to delete the last paragraph was not supported by the Conference.

Re: Paragraph 805.2 of the 1988 BOOK OF DISCIPLINE (membership on Program Boards)

The Alabama-West Florida Conference meeting at Huntingdon College, Montgomery, Alabama, June 2-5, 1991, petitions the General Conference meeting in Louisville, Kentucky, May 13-15, 1992, to amend Paragraph 805.2 of the 1988 *Book of Discipline* with the following additional sentence at the opening of the paragraph:

"Each program board will be limited to one hundred (100) members, including episcopal members."

Rationale: While local churches, districts, conferences, and jurisdictions continue to struggle with a shortage of funds, it is absolutely ludicrous what we spend on merely the meetings of our general boards and agencies. For example, the General Board of Global Ministries has 178 members from all over the world. The fall and spring meetings each year cost in excess of \$600,000. An additional organizational meeting costs in excess of \$300,000. There are many, many other meetings of committees and sub-committees that directors from all over the world are asked to attend. Yet, in an effort to be global, there are directors who still come from the same towns or even the same churches.

Directors thousands of miles from the sight of a meeting are asked to be in attendance for a meeting that might only last a couple of hours or a day. This is very poor stewardship.

There is no correlation today between the forced cutback of program agencies of annual conferences and the huge increase of expenditures for the meetings of our general program boards and agencies.

NOTE: The original Petition had "...limited to seventy-five members..."

The Committee supported the substitute by the Rev. Joe Bullington, Jr.

The Conference approved this Petition for a limit of 100 members.

Re: Moving the Headquarters of the General Board of Global Ministries from New York

The Alabama-West Florida Conference meeting at Huntingdon College, Montgomery, Alabama, June 2-5, 1991, petitions the General Conference meeting in Louisville, Kentucky, May 3-15, 1992, to move the headquarters of the General Board of Global Ministries from New York City.

#### **Rationale:**

1. As we read of an increasing number of corporations moving their headquarters out of New York City because of financial reasons, it is imperative that the United Methodist Church do the same in an effort to be fiscally responsible.
2. No longer can the General Board of Global Ministries attract the finest lay and clergy persons to apply for positions on the staff of the General Board of Global Ministries in New York.
3. The labor force for support personnel among United Methodists would greatly increase if the headquarters were located in another area.

Re: Level Funding

WHEREAS, the Alabama-West Florida Annual Conference has been forced for the past two years to operate near level funding in all its programs and agencies; and

WHEREAS, this Annual Conference must become more intentional in starting new churches in order to reach more persons for Christ; and

WHEREAS, General Conference askings continue to rise despite continual membership losses, Annual Conferences are thereby deprived of funds for needed programs and new churches, thus prohibiting much needed growth.

THEREFORE, the Council on Finance and Administration of the Alabama-West Florida Annual Conference, meeting on March 7, 1991, hereby petitions the 1991 Annual Conference to request the 1992 General Conference to keep all budget requests to the general church for the upcoming quadrennium at a level no higher than the previous quadrennium.

Re: To amend Paragraph 726.6 (1988 DISCIPLINE): to establish a Committee on Older Adult Ministries

PRESENTLY READS: (Words to be deleted are *italicized*)

6. Age-Level and Family *Councils*. — The *council* may establish children, young adult, adult, older adult, single adults, and family *ministry councils* as it deems necessary to the performance of its duties. (See Par. 743 concerning the establishment of a Council on Youth Ministries)

AMENDED TO READ AS FOLLOWS: (Added words are **bold**)

6. Age-Level and Family **Ministries**. — The **Age-Level and Family Ministries** may establish **Councils for and/or coordinators of** children's, young adult, adult, older adult, single adults and family **ministries** as it deems necessary to the performance of its duties. (See Par. 743 concerning the establishment of a Council on Youth Ministries)

This change would establish a Committee on Older Adult Ministries. The committee would include in its membership both older adults and representatives from the major program boards and agencies.

### Resolution No. 12 — A RESOLUTION PROPOSING ANTI-HOMOSEXUAL STUDY MATERIALS

The Committee on Resolutions votes: Non-Concurrence

The Conference Supports the Committee

The Annual Conference voted NOT TO SUPPORT the following Petition:

WHEREAS, the General Council on Ministries Study Committee on Homosexuality is proposing to recommend that study materials be developed "for study in the church that reflect consensus and differences on homosexuality from the standpoints of science, ethics, theology and Scripture"; and

WHEREAS, the Alabama-West Florida Conference, The United Methodist Church, feels that the spending of monies on this project would not be in the best interest of the church — especially in light of the falling revenues for missionary outreach.

NOW, THEREFORE, BE IT RESOLVED, that the Alabama-West Florida Annual Conference, The United Methodist Church, in Session on June 2-5, 1991, goes on record as opposing such study materials, or the expenditure of funds for the same;

BE IT FURTHER RESOLVED that an addition to paragraph 1210, *Book of Discipline*, 1988, be made, number 7. to read as follows:

"The board shall cooperate with the Board of Church and Society to develop study materials for use in the Church which show the scriptural opposition to homosexuality in Biblical and Christian terms."

NOTE: The Conference DID NOT support this Petition.

**Resolution No. 13 — ALTERNATE ROUTE TO ORDINATION**

The Committee on Resolutions votes: Non-Concurrence  
 The Conference Supports the Committee

WHEREAS, the Commission for the Study of Ministry is proposing a change in the alternate route to Ordination, other than the Seminary route; and

WHEREAS, one hundred thirty-seven Local Pastors and twenty-six Associate Members of this Annual Conference, who are presently under appointment to local churches, are directly affected by this proposal as they work toward Ordination; and

WHEREAS, the new proposal will require only 60 semester hours of college study rather than a four (4) year college degree for eligibility to apply for Ordination as Elder; and

WHEREAS, this avenue to Ordination opens up the possibility for Local Pastors and Associate Members of our Conference to become Elders in Full Connection.

THEREFORE, BE IT RESOLVED that the Alabama-West Florida Annual Conference of the United Methodist Church, in session in Montgomery, Alabama, June 2-5, 1991, petition the 1992 General Conference to adopt that part of the Study on Ministry that relates to the Local Pastor, to wit: Commission for the Study of Ministry letter of 9 April 1991 p64.

NOTE: By a standing, teller-counted, vote: The Conference voted: 230 to Support the Committee; 203 not to Support the Committee. Therefore, this Petition was not supported by the Conference.

Re: Paragraph 106 of the 1988 BOOK OF DISCIPLINE (regarding baptism)

WHEREAS, the teaching of Scripture is that one must confess with their mouth their allegiance to Christ and be regenerated or reborn in spirit in order to be a full member of Christ's Church; and

WHEREAS, infants are under the grace of God even before the sacrament of baptism is administered; and

WHEREAS, the current wording regarding baptism in Paragraphs 106, 216, and 223-224 (1988 UM *Discipline*) are consistent with the teachings of John Wesley, the Articles of Faith, and the New Testament.

WE, THEREFORE, PETITION that the current wording of Paragraph 106 be retained and that any attempt to impose a theory of "baptismal regeneration" be rejected.

**Resolution No. 15 — "VITAL CONGREGATIONS — FAITHFUL DISCIPLES"**

The Committee on Resolutions votes: Concurrence  
 The Conference Supports the Committee

WHEREAS, The Council of Bishops has issued a Pastoral Letter, "Vital Congregations — Faithful Disciples," calling our Church to deeper commitment, to strengthen congregational life, and to seek God's vision for our Church.

WHEREAS, We applaud the Bishops' concern that Pastors and Lay Leaders work together in efforts for congregational vitality.

WHEREAS, The Board of Laity of the Alabama-West Florida Conference supports our Bishops' call for partnership in ministry between Clergy and Laity.

THEREFORE, BE IT RESOLVED that the Alabama-West Florida Conference affirmatively responds and strongly encourages each local church to engage in a study of the Pastoral Letter and the Foundational Document during the 1991-1992 Conference year.
